The Renewal of Preaching in the Twenty-first Century, Second Edition David J. Randolph, 2008-07-01 Deep faith meets high tech here in The Renewal of Preaching in the Twenty first Century A communications revolution is sweeping through the churches leaving some on fire and others burned out This work shows what makes the difference for church leaders and communities who are using new media to advance Christian preaching Join them by recovering the great tradition and expanding it through creative use encouraged by artists and filmmakers as well as preachers and professors This work explores ways to maximize the promise of preaching and confront the perils leading to the renewal of church and society Beginning with review of the situation today we proceed step by step through the preparation and presentation of the sermon leading to transformation The sermon in the local parish is seen as the microcosm of the macrocosm that is the communication of God s good news

*Deep Preaching* J. Kent Edwards, 2009 J Kent Edwards recalls a story that late pastor J Vernon McGee told about seeing children in South Africa playing a game of marbles in the dust with real diamonds The precious stones were being handled with no regard for their true worth Edwards fears the same thing happens today when preachers offer Scriptural truth to listeners without being completely overwhelmed by its greatness themselves in the process Deep Preaching is his call to rethink preaching Edwards helps preachers learn to preach the word in ways that will powerfully change the lives of hearers He contends that sermons need not settle comfortably on the lives of the listeners like dust on a coffee table He encourages preachers to join him in casting off the lines that moor their ministries to the status quo and make every effort to steer their preaching out of the comfortable shallows He urges them to preach deep sermons rather than superficial ones moving beyond the yawn inspiring to the awe inspiring from the trite to the transforming

Nelson, 2022-04-12 A how to guide for preparing and delivering Spiritfilled biblical messages that make an impact Being called to preach is a tremendous commission In Preaching Life Changing Sermons Jesse L Nelson shares a simple process for effective expository sermon preparation and delivery flavored with insights from his life in ministry and academic work Those with teaching and preaching responsibilities with little to no seminary training will learn practical steps they can use today in their ministry

Nelson outlines the six foundations of life changing preaching and shows how each looks in the everyday life of a pastor Seek the Spirit Select the Scripture Study the Scripture Structure the Sermon Speak in the Spirit Share the Savior Handling God's Word rightly through prayer sermon preparation and sermon delivery sets the stage for people to absorb the message When the Spirit moves as Scripture speaks souls are changed and the call to preach becomes an exciting transformative adventure

**The renewal of preaching : theory and practice** Karl Rahner,1968 A study on the renewal of preaching in the Korean church Choon Hyok Cho,1999 **Preaching Through Time** Casey C. Barton,2017-07-28 As preachers who come to the pulpit before God and before God's people each and every week how do we make sense of the text as we live a new moment of its ongoing story Most options available to the preacher necessitate a hermeneutical step that requires us to preach outside of time in timeless truths experiences or realities But the gospel is the drama of God appearing to and working with and loving God's people in time Preaching Through Time gives the preacher a timely homiletic for preaching together the times of God's gospel then and now while calling God's people to perform their own roles in today's moment of that gospel drama Anachronism preaching together the moments of God's drama is the language event that will get us from text to timely sermon week by week *The Bible in the Pulpit* Leander E. Keck,1978 **The Crisis of Bad Preaching** Joshua J. Whitfield,2019-04-26 The Crisis of Bad Preaching is an audacious response to a long simmering pastoral crisis poorly prepared often stale and largely irrelevant homilies that are fueling the mass exodus of people from the Church Echoing Popes Benedict and Francis Rev Joshua Whitfield confronts what is perhaps the most common complaint of Catholics around the world hollow vacuous preaching A parish priest in Dallas Whitfield encourages fellow preachers to profound renewal reminding them that preaching is not just something they do it is essential to who they are Catholic preaching today often achieves the opposite of what it should which is connecting the People of God with the Gospel of Christ in a compelling and motivating way With an insider's candor biting honesty and persuasive conviction Whitfield stresses that preachers need to return to this ideal because the wellbeing of the Church depends on it More than just another how to book The Crisis of Bad Preaching is at once deeply challenging and uplifting and full of practical advice for a reversal of the status quo In Part I Whitfield explores the essential role of the preacher as a public intellectual and member of the communion of preachers that spans the history of the Church Whitfield offers advice about which great preachers from Origen Augustine and Aquinas to Martin Luther King Jr and Bishop Robert Barron to study and what to learn from them Whitfield also explains why preachers must submit in humility to the fullness of the Church its teachings authority practices and structures In Part II Whitfield explores the important habits of prayer preparation cultivating rhetorical skill and learning to take full advantage of both positive and negative criticism He explains how the way of the preacher must be the way of the Holy Spirit and argues that without the preacher opening his heart to the fire of evangelical proclamation he will lack the capacity to preach the transforming grace of the Gospel his mandate In a brief epilogue Whitfield encourages ten habits for listening Addressed to

both laity and the ordained he asserts that fixing preaching will take the concerted effort of all members of the Church

*Taking Up Preaching* Blayne A. Banting, 2023-07-21 As the complexity of our world increases exponentially there is need for preachers to understand their identities and roles in this new reality and to navigate the landscape of the new challenges facing the contemporary church Blayne Banting offers seasoned reflections on how contemporary preachers can build upon what cannot change in ways that frees them to practice their ministries creatively in ways which must change

Reconstruction and the Renewal of Life William Ritchie Sorley, 1919      *Expository Preaching in a World of Spiritual Nominalism* R. T. Johnson Raih, 2021-10-06 The spiritual decay of nominalism threatens the established church worldwide While spiritual lethargy is often addressed from the perspective of theology and discipleship little attention has been given to the role of homiletics in revitalizing a congregation's spiritual health In this study Dr Johnson Raih explores the impact of preaching on members of Baptist churches in Imphal Manipur India from 2000 to 2015 He utilizes interviews and questionnaires from pastors church leaders and lay members to assess the presence of nominalism within church congregations along with the effects of various preaching methods on increasing or decreasing spiritual vitality Combining this qualitative research with scriptural and theological insight Raih suggests that expository preaching has the power to confront and even eradicate nominalism within the church He draws on biblical examples along with the methodology of John Stott and Timothy Keller to offer ten practical recommendations for countering nominalism homiletically whether in Imphal India or around the world
