## Renewing The Wineskin:

Renewing the Wineskin Touch Ministries International, The Code of the Holy Spirit Perry Stone, 2013 In The Code of the Holy Spirit Perry Stone shares a unique view of the Holy Spirit through the lens of Old Testament writings and Jewish tradition Possessing Your Inheritance Chuck D. Pierce, Rebecca Wagner Sytsema, 2011-08-29 Inheritance means taking hold of the portion God has planned for you Jesus said I have come that they may have life and that they may have it more abundantly John 10:10 demonstrating God's longing for His people to prosper to accomplish all He has planned for them He wants to take them from a place of judgment desolation and fruitlessness to a place of restoration hope and abundant life In this revised and updated edition of Possessing Your Inheritance prophetic intercessor Chuck Pierce with coauthor Rebecca Wagner Sytsema shows readers how to embrace what God has destined for them for their children and their children's children Bad Faith Tom Drake-Brockman, 2019-01-18 Jesus was murdered by the Jewish religious leaders whose power base was the temple of Jerusalem Saul of Tarsus later the Paul of Christianity was one of these and his brand of faith theology mirrored their theology of covenantal entitlement Thus Christianity's basic theological principles derive from those who killed Jesus This is just one of many challenging propositions backed with strong evidence that appear in this book Jesus like most Jews was attuned to faithfulness rather than pure faith to ethical behavior based on human empathy rather than metaphysical beliefs and rituals The central focus of Jesus was hewed the heart of the Jewish covenant with God which linked God's mercy to human compassion and forgiveness making both mutually interactive This hewed forgiveness was anathema to the temple's faux forgiveness and threatened its very existence Therefore Jesus came not to save us but to show us how to save ourselves Reinterpreting a key parable of Jesus in this light the Parable of the Tares Jesus can be most plausibly understood as an incarnation of Adam the original prototype human who God in Genesis appointed to oversee his creation and guide our spiritual evolution His mission was not about any sacrificial death but about establishing the spiritual humanism of Judaic hewed as the central purpose of human existence First Things First Deborah F. Snyder, 2005-08-08 This updated best seller challenges the reader to examine the current church structure If you have never read this classic you have missed a treasure

chest of information and wisdom from one of the most respected authors of our time Wine the gospel of Jesus Christ and Wineskins the man made structures of the church How do the two relate What happens when new wine is poured into old wineskins What about making new wineskins In short What kinds of church structures are most compatible with the gospel in our modern techno urban society Snyder addresses these questions and provides some challenging answers In the course of his argument he discusses the fellowship of the Holy Spirit the mind of Christ the role of spiritual gifts the pastor as a superstar and renewal that is deeply spiritual and immediately practical

**Closer to God** Eduardo Villegas, 2015-02-27 There is an interconnection between the spiritual and the natural between the visible and the invisible Although our eyes cannot grasp it every earthly action activates a result in the spiritual and vice versa Paul says For we live by faith not by sight So we fix our eyes not on what is seen but on what is unseen since what is seen is temporary but what is unseen is eternal The invisible world is more real than the visible but the latter captures most of our attention Jesus had His spiritual eyes wide open and lived simultaneously in both worlds giving priority to the spiritual I think this was the key to finish all his work having lived around thirty three years as a man on earth So when He taught His disciples to pray told them to ask Thy kingdom come and Thy will be done as in heaven so on earth so there is a heavenly kingdom to bring We cannot continue living disconnected from the Creator Nothing urges us more in the world than learning how to live and operate Closer to God

**The Coming Divine Reset of the Body of Christ** Lloyd Gardner, 2023-06-20 Have we allowed church life to become so complicated and mingled with the world's ways that we are producing something other than what is the desire of God's heart This book makes the case that God always intended that his church remain simple and pure in its devotion to Christ The church is the family of God headed up by the Father redeemed by the Son empowered by the Holy Spirit and composed of the children of God who love

him and one another God is calling us all to this place of simplicity and purity in which we break free of the world's clutches and live in the freedom and joy of his kingdom expressed in his church Listen with your spiritual ears and you will hear the call and be blessed to come back to the church Christ died to build

*Life & Power* Bob Yandian, 2019-05-21 The Supernatural Alive in Us The Holy Spirit has always been with man but in a limited ministry before the day of Pentecost In the Old Testament the Holy Spirit lived in a temple made with hands and came on individuals at certain times to do certain tasks When Jesus Christ rose from the dead the veil of the temple was rent from top to

**New Wine, Old Wineskins?** Bryan Cones, 2025-06-01 Contributions to this volume continue this year's reflections on the sixtieth anniversary of Sacrosanctum concilium A recent trip home to Tennessee in the US highlighted for me the unusual moment we occupy When I grew up there in the 1970s and 1980s many newly constructed churches reflected the signs of those times contemporary architecture fan-shaped seating and a commitment to liturgy that reflected the culture we inhabited for better and for worse I have always been a fan of a good guitar folk Mass though not of homemade felt banners Among those newish churches was Sacred Heart Cathedral in Knoxville Tennessee where I was baptised in 1973 It was admittedly not the finest example of mid-century attempts at churches adorned by an unfortunate twenty-foot tall painting by a parishioner of Jesus on the back wall descending as if from the clouds But in many respects it reflected the community that built it a small suburban Roman Catholic minority deep in the US Bible Belt Fast forward to this third decade of the twenty-first century and an entirely different church sits on the same site Rather than echoing the tentative footsteps of 1960s US Catholic modern architecture it suggests instead the massive footprint of a Neoclassical European cathedral Coming in at a cool US \$58 million to construct it dominates its neighborhood dwarfing the Catholic school on campus and nearly consuming its predecessor now the parish hall it was probably meant to be in the first place The parish administrator noted that its grandeur has become the site of weekly destination weddings Have a look [shcathedral.org](http://shcathedral.org) It fairly screams Roman Catholic in a place where Southern Baptist and other forms of Protestant evangelicalism remain the majority Christian expression It does not however even whisper East Tennessee whether in the famous marble and granite the state is known for or in reflections of our beloved Smoky Mountains Nor is there reference to the Cherokee First Nation whose members still live in those mountains or space for the settler arts of Appalachia whether music or textiles The church is an import through and through

meant to signal a uniquely Catholic way of being one quite different from the world around it *Changed from Glory to Glory* Rev. Robert A. Tucker,2013-11-01 Rev Tucker has written a study of the neglected but greatly needed subject of repentance Often repentance is only considered to be necessary at the initial salvation experience However Rev Tucker shows that if Christians are to mature into the full purpose of God for their lives they must allow the Holy Spirit to reveal to them areas that need changing and respond to His leading This work of the Holy Spirit will transform the people of God so that they are able to enter into the wonderful liberty and joy of being the ones who have been transformed into His image

*How We Sometimes Miss Ourselves* Tsietsi Kuaho Nkondo, 2016-02-16 Life with all its drudgery was not intended to be a burden but a pleasure for all who live it The way we regard and respond to its ups and downs is the determining factor of how it will in turn treat us We do not find it easy to forgive ourselves for the little torts we commit Whilst deep on our inside we know our imperfect state we nevertheless come hard on ourselves We beg of others to give us breaks that we deny ourselves For fear of being hurt ostracized or ridiculed we strive to master the art of camouflaging our true inner self Before we can do this successfully we must first internalise the lie and believe it and own it What wisdom is there in missing your blessings in life because of how you relate to those who hate you      *New Wine, New Wineskins* Dr. F. Douglas Powe JR., 2012-02-01 God wants to do a new thing in the African American Church Author Douglas Powe suggests that the African American church while once the bedrock of the community is no longer on the radar for many During the Civil Rights movement African American churches initiated and even shaped transformation for an entire country well beyond their own walls In this post Civil Rights era the power of many African American churches remains mired in the assumptions and practices of the past thereby making them invisible to their surrounding communities New Wine New Wineskins helps African American congregations understand and benefit from the cultural shifts we are now experiencing Many African American churches once thought they were immune to the cultural shock waves in our streets and neighborhoods They simply argued that they have always been all about participation and being relational yet like many churches their numbers continue to decline African American churches must find a way to reclaim their missional orientation while at the same time remaining true to their historical identity and witness of speaking truth to power The worthy goals of justice and bringing the Good News of Jesus Christ in this time requires new practices and fresh ideas new wine The old framework just won't work any more We need new wine skins
