The Spirit of Renewal Rabbi Edward Feld, 2014-02-11 Modernity has provided more than enough reason to give up believing in holiness still we have learned that to give up the struggle to achieve it means that we become less human As we leave the twentieth century we discover new reasons to return to old faith We rediscover an urgent need to defend the sacred even as our understanding differs from our ancestors. We choose not to retreat from the world but to struggle within it to stain ourselves with sin even as we seek to establish the good from Chapter 13 Humanity The cataclysm of the Holocaust seems to forbid speech Yet even in the heart of that darkness sparks of sacredness were kept alive From these sparks Rabbi Edward Feld suggests Jews and others can renew a faith and find a language that recovers the holy even after experiencing the reign of a Kingdom of Night unimaginable to previous generations In a voice that is engaging often poetic Rabbi Edward Feld helps the modern reader understand events that span almost 4 000 years of the history of Judaism and the Jewish people With rare clarity insight and gentleness he offers a thought provoking yet accessible study of the way tragedy has shaped Jewish history and the self understanding of Jews The Spirit of Renewal explores four key events that reshaped religious expression two ancient and two modern the Babylonian exile the Bar Kochba revolution the Holocaust and the establishment of the State of Israel The Spirit of Renewal shows how even under the most traumatic of circumstances Judaism survives renewing itself and flourishing again This profound and wise meditation opens the way to a powerful new understanding of the nature of God and the spiritual life The Handbook to Jewish Spiritual Renewal Rabbi Arthur Segal, Frank Dunne, Jr., 2009-02-25 The Handbook to Jewish Spiritual Renewal A Path of Transformation for the Modern Jew contains millennia of sage advice in an easy to read step by step process for recapturing your Jewish spirituality **Religious Identity and**

Geffen, 1993 Explains such life cycle events as birth marriage midlife sickness Israel religious conversion and mourning as viewed experienced and treated from a Jewish perspective Boteach, 2010-05-25 Our culture is showing the cracks of a growing fracture Soaring divorce rates a crippled economy that rewards the few and punishes the many religious fueled hatred record rates of depression the headlines paint a grim picture We inhabit a society that desperately needs fixing But as Rabbi Shmuley Boteach reveals in his new book Renewal our society can made whole again when we as individuals make the choice to live a life based on values For too long conversations about values have been derailed by political movements trying to score points over hot button issues like gay marriage or abortion Boteach one of our wisest and most respected counselors and spiritual experts reaches deep into our history and into our shared religious legacy to revive the key universal values of Judaism for our struggling world. He presents these age old ideas as guideposts for the challenges of modern times These values whose roots are in the Bible and thousands of years of Jewish spiritual living can be applied to anyone in the modern world from Christians and Muslims to atheists and agnostics who want to renew their existence and recommit themselves to the most precious things in life Renewal shows everyone how to use the timeless values of the Hebrew Bible and Judaism to live a more fulfilling modern life Destiny Unlike the Greeks who believed that life was scripted from birth the Jews believe in destiny In short they reject the idea of tragic fates and instead champion the individuals capacity to create their own destiny through individual choice Redemption Christians and Muslims emphasize salvation or the need for man to become spiritual to refine his character and earn a place in heaven But Jews believe in world redemption the capacity for the individuals to make heaven here on earth for the betterment of the community Action What you do is more important than what you believe Good deeds always supersede good dogma
