

# Reorganizing for Customer Care in Healthcare

This course includes an overview of basic concepts in administering a customer care program, evaluating your corporate culture, encouraging your employees, using surveys, and using the internet. The course structure is many short suggestions and principles followed immediately by interactive questions and applications. The simple structure makes it possible for busy healthcare workers to log in and benefit from short, self-contained units, and practice how they would respond to a situation. This is useful for all businesses, not just healthcare.

*The Praeger Handbook of Veterans' Health* Thomas W. Miller,2012-09-20 This four volume set provides a history of veterans healthcare that examines programs of care and veterans special needs and offers insight into

future directions for veterans' healthcare in the 21st century. This comprehensive contribution to understanding veterans' healthcare uniquely draws on a national and international cadre of scientists and practitioners both within the Department of Veterans Affairs and specialists beyond the institution, providing a matrix view of veterans' healthcare past, present, and future both nationally and internationally. This work will prove an essential reference set that examines and identifies veterans' healthcare through the first decade of the 21st century, invaluable to health and psychology researchers and students, policymakers, social workers, and veterans. The Praeger Handbook of Veterans Health: History, Challenges, Issues, and Developments is organized to cover four key elements. Volume I presents a history of veterans' healthcare, the various veterans' eras, and the global healthcare provided to our veterans. Volume II examines several of the programs of care and veterans' special needs. Volume III is devoted to the several aspects of mental health care, treatment, and rehabilitation services offered to veterans through the healthcare system. The last volume offers insights into future directions for veterans' healthcare.
