Chains of Love and Beauty Carolyn Dever, 2025-01-28 Why a monumental diary by an aunt and niece who published poetry together as Michael Field and who were partners and lovers for decades is one of the great unknown works of late Victorian and early modernist literature Michael Field the renowned late Victorian poet was well known to be the pseudonym of Katharine Bradley 1846 1914 and her niece Edith Cooper 1862 1913 Less well known is that for three decades the women privately maintained a romantic relationship and kept a double diary sharing the page as they shared a bed and eventually producing a 9 500 page twenty nine volume story of love life and art in the fin de si cle In Chains of Love and Beauty the first book about the diary Carolyn Dever makes the case for this work as a great unknown novel of the nineteenth century and as a bridge between George Eliot and Virginia Woolf Victorian marriage plot and modernist experimentation While Bradley and Cooper remained committed to publishing poetry under a single male pseudonym the diary which they entitled Works and Days and hoped would be published after their deaths allowed them to realize literary ambitions that were unfulfilled during their lifetime The women also used the diary which remains largely unpublished to negotiate their art desires and frustrations as well as their relationships with contemporary literary celebrities including Robert Browning Oscar Wilde William Butler Yeats and Walter Pater Showing for the first time why Works and Days is a great experimental work of late Victorian and early modernist writing one that sheds startling new light on gender sexuality and authorship Dever reveals how Bradley and Cooper wrote their shared life as art and their art as life on pages of intimacy that they wanted to share with the world Recollections of Logan Pearsall Smith Robert Gathorne-Hardy, 1950 *The New Cambridge Bibliography of English Literature: Volume 4, 1900-1950* George Watson, I. R. Willison, 1972-12-07 More than fifty specialists have contributed to this new edition of volume 4 of The Cambridge Bibliography of English Literature The design of the original work has established itself so firmly as a workable solution to the immense problems of analysis articulation and coordination that it has been retained in all its essentials for the new edition The task of the new contributors has been to revise and integrate the lists of 1940 and 1957 to add materials of the following decade to correct and refine the bibliographical details already available and to re shape the whole according to a new series of conventions devised to give greater clarity and consistency to the entries We are Michael Field Emma Donoghue, 2014-09-11 In this profile Emma Donoghue tells the story of two eccentric Victorian spinsters Katherine Bradley 1846 1914 and her niece Edith Cooper 1862 1913 poets and lovers who wrote together under the name of Michael Field They wrote eleven volumes of poetry and thirty historical tragedies but perhaps their best work richest in emotional honesty and wit was the diary that the two women shared for a quarter of a century and these unpublished journals and letters form the basis for the groundbreaking We are Michael Field The Michaels lived in a contradictory world of inherited wealth and terrible illness silly nicknames and religious crises They preferred men to women and yet their greatest devotion was saved for their dog Snobbish arrogant eccentrics who faced

bereavement and death with great courage the Michaels never lost their appetite for life or their passion for each other

religious life of the 12th century Jane Austen's Literary Manuscripts Brian Southam, 2006-04-15 Jane Austen's Literary Manuscripts remains the definitive account of the novelist's surviving papers. These date from 1787 to 1817, from the first beginning to the very end of her writing career. Their evidence considerably deepens our understanding of the imaginative process that stands behind the composition of the great novels. In *Sanditon*, the last work we see the promise of a further and startling development in her art. The influence of her childhood reading and home life is considered in the first chapter, and a further new chapter examines *Sir Charles Grandison*, a work newly attributed to Jane Austen by Brian Southam in 1977. In an appendix Southam discusses Mrs Leavis's theory concerning the relationship between Jane Austen's life and art and between the juvenilia and the later novels. **The Oxford Companion to American Literature** James David Hart, 1948 Reports of the Library Trustees and the Librarian and a List of Accessions to the Library for the Year Ending ... Weston Public Library (Mass.), 1928 Wisconsin Library Bulletin, 1935 *The Cambridge Bibliography of English Literature* Frederick Wiles Bateson, 1940 Victorian Sexual Dissidence Richard Dellamora, 2019-04-08 Recent critical and historical work on the late Victorian period has furnished a vocabulary for discussing gender and sexuality. These popular terms include categories such as homo, hetero, patriarchal, feminist, and masculine, effeminate. This collection exploits this framework while refining and resisting it in places to show how certain Victorians imagined difference in ways that continue to challenge us today. One essay, for example, traces the remarkable feminist appropriation of male-identified fields of study such as Classical philology. Others address the validation of male bodies as objects of desire in writing, painting, and emergent modernist choreography. The writings shed light on the diverse interests served by a range of cultural practitioners and on the complex ways in which the late Victorians invented themselves as modern subjects. This volume will be essential reading for students of British literary and cultural history as well as for those interested in feminist, gay, and lesbian studies. Contributors are Oliver Buckton, Richard Dellamora, Dennis Denisoff, Regenia Gagnier, Eric Haralson, Andrew Hewitt, Christopher Lane, Thas Morgan, Yopie Prins, Kathy Alexis Psomiades, Julia Saville, Robert Sulzer Jr, Martha Vicinus. Claude McKay, Rebel Sojourner in the Harlem Renaissance Wayne F. Cooper, 1996-02-01 Cooper paints a meticulous and absorbing portrait of McKay's restless artistic, intellectual, and political odyssey. The definitive biography on McKay. Although recognized today as one of the genuine pioneers of black literature in this century, the author of *If We Must Die*, *Home to Harlem*, *Banana Bottom*, and *A Long Way from Home* among other works, Claude McKay (1890-1948) died penniless and almost forgotten in a Chicago hospital. In this masterly study, Wayne Cooper presents a fascinating, detailed account of McKay's complex, chaotic, and frequently contradictory life. In his poetry and fiction as well as in his political and social commentaries, McKay searched for a solid foundation for a valid black identity among the working-class cultures of the West Indies and the United States. He was an undeniably important predecessor to such younger writers of the Harlem Renaissance as Langston Hughes and Countee Cullen, and also to influential West Indian and African writers such as C. L. R. James and Aimé Césaire. Knowledge of his life adds

important dimensions to our understanding of American radicalism the expatriates of the 1920s and American literature Mr Cooper s most original contribution is his careful and perceptive analysis of McKay s nonfiction writing especially his social and political commentary which often contained prophetic statements on a range of important social political and historical issues New York Times Book Review The Works of George Santayana George Santayana,2003 The fifth of eight books of the correspondence of George Santayana **The Wisdom of the Great** Sam Majdi,2012-03-06 The 2nd book The The Wisdom of the Great is a unique biographical collection of nearly 2700 quotations from 450 notables of 50 countries in the span of 30 centuries It was published on demand by iUniverse in 2012 It contains Names Index comprehensive Subject Index and Glossary and Anonymous section Reading this book gives you the best opportunity to explore the wisdom and insight of great people all around the world Its variety of topics will give you a new perspective in many walks of life and makes you a brand new improved person It can be purchased online for 33 95 for soft cover and 3 99 for Kindle edition **The Oxford Desk Dictionary of People and Places** Frank R.
