Tribunal for the Law of the Sea, 2015-06-29 The International Tribunal for the Law of the Sea is an independent judicial body established by the United Nations Convention on the Law of the Sea to adjudicate disputes arising out of the interpretation and application of the Convention The Tribunal is open to States Parties to the Convention and in certain cases to entities other than States Parties such as international organizations and natural or legal persons The jurisdiction of the Tribunal comprises all disputes submitted to it in accordance with the Convention It also extends to all matters specifically provided for in any other agreement which confers jurisdiction on the Tribunal This volume contains the texts of the judicial decisions rendered by the Tribunal in the year 2014 in English and French Le Tribunal international du droit de la mer est un organe judiciaire indépendant créé par la Convention des Nations Unies sur le droit de la mer pour connaître des différends relatifs à l'interprétation et à l'application de la Convention Le Tribunal est ouvert aux Etats Parties la Convention et dans certains cas des entités autres que les Etats Parties telles que des organisations internationales et des personnes physiques et morales La compétence du Tribunal s'étend tous les différends qui lui sont soumis conformément la Convention Elle s'étend également toutes les matières expressément prévues dans tout autre accord conférant compétence au Tribunal Le présent volume contient le texte en français et en anglais des décisions rendues par le Tribunal au cours de l'année 2014 Evidence, Proof, and Fact-Finding in WTO Dispute Settlement Michelle T. Grando, 2009-12-24 This book examines how a World Trade Organization WTO dispute settlement panel formulates its conclusions with respect to the facts of a dispute brought before it It does so by discussing the legal concepts which shape the process of fact finding analysing the approach taken by panels thus far and offering suggestions for improvement **Liberal Disorder, States of Exception, and Populist Politics** Valur Ingimundarson, Sveinn Jóhannesson, 2020-12-20 Liberal democracy is in trouble This volume considers the crosscutting causes and manifestations of the current crisis facing the liberal order Over the last decade liberal democracy has come under mounting pressure in many unanticipated ways In response to seemingly endless crisis conditions governments have

turned with alarming frequency to extraordinary emergency powers derogating the rule of law and democratic processes. The shifting interconnections between new technologies and public power have raised questions about threats posed to democratic values and norms. Finally, the liberal order has been challenged by authoritarian and populist forces promoting anti-pluralist agendas. Adopting a synoptic perspective that puts liberal disorder at the center of its investigation, this book uses multiple sources to build a common historical and conceptual framework for understanding major contemporary political currents. The contributions weave together historical studies and conceptual analyses of states of exception, emergency powers, and their links with technological innovations, as well as the tension-ridden relationship between populism and democracy and its theoretical, ideological, and practical implications. The book will be of interest to scholars and students of a number of disciplines in the humanities and social sciences: history, political science, philosophy, constitutional and international law, sociology, cultural studies, anthropology, and economics.

Yearbook International Tribunal for the Law of the Sea / Annuaire Tribunal international du droit de la mer, Volume 15 (2011) International Tribunal for the Law, 2022-08-15

Yearbook Annuaire 2011. The International Tribunal for the Law of the Sea is an independent judicial body established by the United Nations Convention on the Law of the Sea to adjudicate disputes arising out of the interpretation and application of the Convention. The Tribunal is open to States Parties to the Convention. It is also open to entities other than States Parties: States and international organizations, non-parties to the Convention, and natural or juridical persons in cases provided for in the Convention or other agreements conferring jurisdiction on the Tribunal. The Yearbook Annuaire will give lawyers, scholars, students, as well as the general public, access to information about the jurisdiction, procedure, and organization of the Tribunal, and also about its composition and activities in 2011. The Yearbook is prepared by the Registry of the Tribunal. Until 2007, it was published in two separate volumes: English Yearbook and French Annuaire. Since 2008, the Yearbook Annuaire is published as a bilingual volume.

Yearbook Annuaire 2011. Le Tribunal international du droit de la mer est un organe judiciaire indépendant créé par la Convention des Nations Unies sur le droit de la mer pour connaître des différends auxquels pourraient donner lieu l'interprétation et l'application de la Convention. Le Tribunal est ouvert aux États Parties à la Convention. Il est également ouvert des entités autres que les États Parties: États et organisations internationales, non parties à la Convention, et personnes physiques et morales dans les cas prévus par la Convention ou par d'autres accords conférant compétence au Tribunal. Le Yearbook Annuaire met à la disposition des juristes, des universitaires, des étudiants, ainsi que du public, dans son ensemble, les informations essentielles concernant la compétence, la procédure et l'organisation du Tribunal, ainsi que la composition et les activités de celui-ci au cours de l'année 2011. L'Annuaire est rédigé par le Greffe du Tribunal. Jusqu'à l'année 2007, il était publié sous la forme de deux volumes séparés en anglais Yearbook et en français Annuaire. Depuis 2008, le Yearbook Annuaire est publié sous la forme d'un volume bilingue.

International Law and Sustainable Development Nico J. Schrijver, Friedl Weiss, 2004-08-10. The concept of sustainable development has attracted considerable attention in recent

years and has become of pivotal importance not only in scientific and political discourse but also increasingly in the practice of states and of relevant international organisations. Since 1992 and within a remarkably short period of time sustainable development has been endorsed and recognised in a number of instruments of international law. Thus it is incorporated in various environmental treaties as well as in international fisheries agreements, the 1995 Agreement Establishing the World Trade Organisation, WTO and EU law. Sustainable development and related concepts also feature in a number of international judicial decisions of the 1990s, for example those of the International Court of Justice and the WTO Appellate Body. The chapters assembled in this book illustrate various aspects of efforts of policy makers, regional and national interest groups to invoke and rely upon international law for the realisation of the objective of sustainable development. They deal in particular with recent examples of the practice of states and of relevant international organisations, especially in such areas as international trade, foreign investment, regulation, human rights and natural resources and waste management. Furthermore, some chapters are dedicated to a review of relevant practice at the regional and national level.

Principles of International Criminal Law Gerhard Werle, Florian Jeßberger, 2020-10-09. *Principles of International Criminal Law* is one of the most influential textbooks in the field of international criminal justice. This fourth edition builds on the highly successful work of the previous editions, setting out the general principles governing international crimes as well as the fundamentals of both substantive and procedural international criminal law. It provides a detailed understanding of the sources and evolution of international criminal law, demonstrating how it has developed and how its application has changed. The book assesses in detail the four key international crimes as defined by the statute of the International Criminal Court: genocide, crimes against humanity, war crimes and the crime of aggression. The new edition revises and updates the work with developments in international criminal justice since 2014. It includes substantial new material on critical perspectives on international criminal justice, the fragmentation of international criminal law, new war crimes, prohibited means of warfare and the prosecution of crimes committed in Syria and Northern Iraq. The book retains its highly acclaimed systematic approach and consistent methodology, making it essential reading for both students and scholars of international criminal law as well as practitioners and judges working in the field.

Maritime Boundary Disputes, Settlement Processes, and the Law of the Sea Seoung Yong Hong, Jon M. Van Dyke, 2009. A surprising number of maritime boundaries remain unresolved and a range of reasons can be cited to explain why the process of delimiting these boundaries has been so slow. This volume addresses and analyzes some of these reasons, focusing on some of the volatile disputes in Northeast Asia and in North America. Scholars from Asia, the United States and Europe grapple with festering controversies and apply insights gained from resolved disputes to those that remain unresolved. Islands continue to haunt this process and the way in which they should affect maritime boundaries remains in dispute. The United States has a number of disputed boundaries with its neighbors to the north and south and these are examined. Antarctica is a concern of all nations and the regimes governing the Southern Ocean

surrounding Antarctica are analyzed The International Tribunal for the Law of the Sea was created to allow countries to resolve their disputes peacefully and two chapters look at how this new court is operating The impact of sea level rise on maritime boundaries is given special attention in the opening chapter This volume presents a wonderful collection of provocative chapters written by the top scholars in the field of International Ocean Law It should help scholars students and decision makers to understand the current state of this field and to move some of the difficult disputes toward resolution

Secession from a Member State and Withdrawal from the European Union Carlos Closa, 2017-09-07 This is the first book to jointly scrutinise two existential issues for the EU withdrawal of a member state i.e. Brexit and territorial secession affecting Scotland Catalonia and beyond The book applies normative and empirical analyses explores new approaches and discusses the deep theoretical problems unleashed by these processes Featuring a superb constellation of legal and political science scholars the book combines specific legal analysis and considers the political dynamics behind the processes It provides extensive coverage and sophisticated analysis of the interpretation of Article 50 and the possible consequences it may have The implications of withdrawal and secession on EU citizenship are discussed in depth and there is an overview of the evolving nature of the relationship between the regions and the EU Finally there is an engaging normative discussion on the deeper meaning of these two processes with respect to the objective of European integration The Case for Palestine

John B. Quigley, 2005 A history of the conflict between Israel and the Palestinians from the perspective of international law that examines the extent to which legitimate interests remain to be fulfilled *Palestine and Israel* John B. Quigley, 1990 The dispute over Palestine between the Palestinian Arabs and the Israelis is one of the most volatile and intractable conflicts in the world today Palestine and Israel examines the history of this battle from the perspective of international law and it argues that a long term solution to the conflict must protect legitimate interests to remain viable an element the author believes has so far been seriously neglected This extensively documented work details the complex politics and agonizing struggles that have characterized the clash between Jews and Arabs examining in depth the competing claims to Palestine and the extent to which legitimate interests remain to be fulfilled Beginning with the early Zionist settlement in Palestine that rose from the effort by Jews to escape long standing discrimination in Europe Quigley investigates the origins of the dispute including the British occupation of Palestine the British Mandate and the involvement of the United Nations He examines the 1948 War the establishment of Israel and explores the legal and political status of Jews there After a detailed analysis of the 1967 War and Israel's occupation of the West Bank and Gaza Strip he concludes with recommendations for resolving the conflict including discussions of the responsibility of other states for the persisting injustice the role of other states in settling the dispute and steps to a possible solution Report of judgments, advisory opinions and other decisions of the African Court on Human and Peoples' Rights: African Court Law Report Volume 3 (2019), 2022-01-01 About the publication This is the third volume of the Report of judgments orders and advisory opinions of the African Court on Human and Peoples Rights This volume covers

decisions from 2018 to 2019 The volume includes all the Judgments including Separate and Dissenting Opinions Advisory Opinions Rulings Decisions Procedural Orders and Orders for Provisional Measures adopted by the Court during the period under review Each case has a headnote setting out a brief summary of the case followed by keywords indicating the paragraphs of the case in which the Court discusses the issue A subject index at the start of the reports indicates which cases discuss a particular issue This index is divided into sections on general principles and procedure and substantive issues
