Jael Miriam Silliman

Reproductive Health Reproductive Rights Reformers And The Politics Of Maternal Welfare 1917 194:

Reproductive Health, Reproductive Rights Robyn L. Rosen, 2003 The study of these reformers offers a new perspective on more recognized leaders in the arena of reproductive health and rights especially the U S Children s Bureau and Margaret Sanger Putnam s elitism contextualizes the class politics of the Bureau underscoring its sensitivity to the vulnerable and its innovative approach to public health Dummer reminds us of roads not taken by policy makers in the Bureau accentuating the differences between a child centered and a woman centered agenda Dennett highlights the obstacles to women reformers in the formal political sphere while Ames s penchant toward maternalism and compromise also led to difficulties

Reproductive Health, Reproductive Rights Robyn L. Rosen, 2003 **Feminist Periodicals** , 2006 *Greater Gotham* Mike Wallace, 2017-09-04 In this utterly immersive volume Mike Wallace captures the swings of prosperity and downturn from the 1898 skyscraper driven boom to the Bankers Panic of 1907 the labor upheaval and violent repression during and after the First World War Here is New York on a whole new scale moving from national to global prominence an urban dynamo driven by restless ambition boundless energy immigrant dreams and Wall Street greed Within the first two decades of the twentieth century a newly consolidated New York grew exponentially The city exploded into the air with skyscrapers jostling for prominence and dove deep into the bedrock where massive underground networks of subways water pipes and electrical conduits sprawled beneath the city to serve a surging population of New Yorkers from all walks of life New York was transformed in these two decades as the world s second largest city and now its financial capital thriving and sustained by the city s seemingly unlimited potential Wallace s new book matches its predecessor in pure page turning appeal and takes America s greatest city to new heights **America, History and Life** , 2005 Article abstracts and citations of reviews and dissertations covering the United States and Canada *How All Politics Became Reproductive Politics* Laura Briggs, 2018-08-14 Today all politics are reproductive politics argues esteemed feminist critic Laura Briggs From longer work hours to the election of Donald Trump our current political crisis is above all about reproduction Households are where we face our economic realities as social safety nets get cut and wages decline Briggs brilliantly outlines how politicians racist accounts of reproduction stories of Black welfare queens and Latina breeding machines were the leading wedge in the government and business disinvestment in families With decreasing wages rising McJobs and no resources for family care our households have grown ever more precarious over the past forty years in sharply race and class stratified ways This crisis argues Briggs fuels all others from immigration to gay marriage anti feminism to the rise of the Tea Party

Reproductive Justice Loretta Ross, Rickie Solinger, 2017-03-21 Title Copyright Dedication Contents Introduction 1 A Reproductive Justice History 2 Reproductive Justice in the Twenty First Century 3 Managing Fertility 4 Reproductive Justice and the Right to Parent Epilogue Reproductive Justice on the Ground Acknowledgments Notes Index *The Politics of Reproductive Rights: Birth Control, Sterilization, and Abortion in the Context of Public Health and Welfare* Candice

Wiggins,2025-04-16 Have you ever wondered how access to reproductive healthcare became such a politically charged issue This book takes you on a journey through the tumultuous history of reproductive rights exploring the complex interplay of social movements legal battles and evolving medical practices that have shaped access to birth control sterilization and abortion Moving beyond the headlines you ll gain a deeper understanding of the public health and welfare implications of reproductive policies Explore the arguments for and against reproductive rights examining the ethical social and economic factors at play Discover how different communities have been disproportionately affected by restrictive reproductive policies and the long term consequences on individuals and families This book is a must read for anyone seeking to understand the complexities of reproductive rights Whether you re a student an advocate or simply someone who wants to be more informed about this critical issue this book provides the historical context and nuanced perspectives needed to engage in meaningful conversations about reproductive health and justice

Pregnancy and Power Rickie Solinger,2005-11 A chronicle of women s battles for reproductive freedom throughout American history Pregnancy and Power explores the many forces social racial economic and political that have shaped women s reproductive lives in the United States Leading historian Rickie Solinger argues that a woman s control over her body involves much more than the right to choose an abortion Reproductive politics were at play when slaveholders devised breeding schemes when the U S government took Indian children from their families in the nineteenth century and when doctors pressed Latina women to be sterilized in the 1970s Pregnancy and Power is filled with powerful accounts of the fights women have waged in this country to control their bodies and their destinies against anti miscegenation laws labor laws anti contraception laws and recent welfare reform laws that punish poor women for having children

BOOK JACKET

Pregnancy and Power, Revised Edition Rickie Solinger,2019-07-16 A sweeping chronicle of women s battles for reproductive freedom Reproductive politics in the United States has always been about who has the power to decide lawmakers the courts clergy physicians or the woman herself Authorities have rarely put women s needs and interests at the center of these debates Instead they have created reproductive laws and policies to solve a variety of social and political problems with outcomes that affect the lives of different groups of women differently Reproductive politics were at play when slaveholders devised breeding schemes when the US government took indigenous children from their families in the nineteenth century and when doctors pressured Latina women to be sterilized in the 1970s Tracing the main plot lines of women s reproductive lives the leading historian Rickie Solinger redefines the idea of reproductive freedom putting race and class at the center of the effort to control sex and pregnancy in America over time Revisiting these issues after more than a decade this revised edition of Pregnancy and Power reveals how far the reproductive justice movement has come and the renewed struggles it faces in the present moment Even after nearly a half century of reproductive rights a cascade of new laws and policies limits access and prescribes punishments for many people trying to make their own reproductive decisions In this edition Solinger traces the contemporary rise of reproductive consumerism and the politics of free market health care

as economic inequality continues to expand in the US revealing the profound limits of choice and the continued need for the reproductive justice framework

Reproductive Rights as Human Rights Zakiya Luna, 2020-09-01 Reveals both the promise and the pitfalls associated with a human rights approach to the women of color focused reproductive rights activism of SisterSong How did reproductive justice defined as the right to have children to not have children and to parent become recognized as a human rights issue In *Reproductive Rights as Human Rights* Zakiya Luna highlights the often forgotten activism of women of color who are largely responsible for creating what we now know as the modern day reproductive justice movement Focusing on SisterSong an intersectional reproductive justice organization Luna shows how and why women of color mobilized around reproductive rights in the domestic arena She examines their key role in re framing reproductive rights as human rights raising this set of issues as a priority in the United States a country hostile to the concept of human rights at home An indispensable read *Reproductive Rights as Human Rights* provides a much needed intersectional perspective on the modern day reproductive justice movement

Radical Reproductive Justice Loretta Ross, Erika Derkas, Whitney Peoples, Lynn Roberts, Pamela Bridgewater, 2017-10-16 Expanding the social justice discourse surrounding reproductive rights to include issues of environmental justice incarceration poverty disability and more this crucial anthology explores the practical applications for activist thought migrating from the community into the academy *Radical Reproductive Justice* assembles two decades of work initiated by SisterSong Women of Color Health Collective creators of the human rights based reproductive justice framework to move beyond polarized pro choice pro life debates Rooted in Black feminism and built on intersecting identities this revolutionary framework asserts a woman's right to have children to not have children and to parent and provide for the children they have The book is as revolutionary and revelatory as it is vast

Rewire

Undivided Rights Jael Miriam Silliman, 2004 If you have come to help me please go away But if you have come because your liberation is bound up with mine let us work together Lila Watson Aboriginal Activist Vibrant Strong Fierce *Undivided Rights* captures the evolving and largely unknown activist history of women of color organizing for reproductive justice on their own behalf *Undivided Rights* presents a fresh and textured understanding of the reproductive rights movement by placing the experiences priorities and activism of women of color in the foreground Using historical research original organizational case studies and personal interviews the authors illuminate how women of color have led the fight to control their own bodies and reproductive destinies *Undivided Rights* shows how women of color starting within their own Latina African American Native American and Asian American communities have resisted coercion of their reproductive abilities Projected against the backdrop of the mainstream pro choice movement and radical right agendas these dynamic case studies feature the groundbreaking work being done by health and reproductive rights organizations led by women of color The book details how and why these women have defined and implemented expansive reproductive health agendas that reject legalistic remedies and seek instead to address the wider needs of their communities It stresses the urgency for

innovative strategies that push beyond the traditional base and goals of the mainstream pro choice movement strategies that are broadly inclusive while being specific strategies that speak to all women by speaking to each woman While the authors raise tough questions about inclusion identity politics and the future of women s organizing they also offer a way out of the limiting focus on choice Undivided Rights articulates a holistic vision for reproductive freedom It refuses to allow our human rights to be divvied up and parceled out into isolated boxes that people are then forced to pick and choose among

Historical and Multicultural Encyclopedia of Women's Reproductive Rights in the United States Judith A. Baer, 2002-04-30 Focusing primarily on the late 20th century US this encyclopedia further develops information in existing reference works on birth control abortion and women s rights Multiparagraph to multipage articles consider not only laws court cases political attitudes technological advances and prominent activists and organizations but also experiences of various racial ethnic age class ability and religious groups concerning issues related to reproduction A substantial introduction provides an overview of current ethical legal and political issues
