John P. LeDonne

Republic Vs Autocracy Polandlithuania And Russia 16861697:

The Other Prussia Karin Friedrich, 2006-11-02 This book considers the phenomenon of nation building before the age of modern nationalism It focuses on royal Polish Prussia the other Prussia a province of the Polish Lithuanian Commonwealth from 1466 to 1772 3 and its major cities Danzig Thorn and Elbing As an integral part of the Polish state the Prussian estates took pride in their separate institutions and privileges Although its urban elites became predominantly Protestant and German speaking they formulated a republican identity deliberately hostile to the competing monarchical dynastic myth in neighbouring ducal Prussia ruled by the Brandenburg Hohenzollerns from 1618 After 1700 the Polish crown increasingly antagonized the Prussian burghers by its centralizing policies and its failure to protect the integrity of the Commonwealth's borders The decline of Poland and the partitions of 1772 93 guaranteed that it was not the tradition of liberty but the Hohenzollern version of Prussian identity that survived into the modern era Joint winner of the Orbis book prize The American Association for the Advancement of Slavic Studies

The Call of Albion Mirosława Hanusiewicz-Lavallee, 2024-07-22 An in depth look at British Polish literary pre Enlightenment contacts The Call of Albion explores how the reverberations of British religious upheavals in distant Poland Lithuania surprisingly served to strengthen the impact of English Scottish and Welsh works on Polish literature This book argues that Jesuits played a key role in that process It provides an insightful account of how the transmission translation and recontextualization of key publications by British Protestants and Catholics served Calvinist and Jesuit agendas while occasionally bypassing barriers between confessionally defined textual communities and inspiring Polish Lithuanian political thought as well as literary tastes

Warfare, Loyalty, and Rebellion Mindaugas Šapoka, 2017-09-13 This book examines the politics of the Grand Duchy of Lithuania during the crucial period between the Russian tsar Peter the Great's victory over Sweden at the battle of Poltava and the 1717 Silent Sejm the Polish Lithuanian parliament's session which is traditionally seen as responsible for opening the way to Russian domination of Polish Lithuanian politics It not only challenges the accepted view of the passivity of the Lithuanian gentry and their subservience to the Russians but also presents a clear view of how the Lithuanian economy and political system were functioning in 1710 1717 factors which have never been studied in depth in any language Šapoka argues that much more blame for the Confederations of Vilnius and Tarnogród that had led to the Silent Sejm can be attributed to the Polish king Augustus II than is argued by the conventional scholarship By so completely and deliberately ignoring the Commonwealth's institutions and refusing to work within them the Polish king provoked justified suspicion that by destroying the basis of the consensual political system he wanted to introduce absolute monarchy [Ottoman-Polish Diplomatic Relations \(15th-18th Century\)](#) Dariusz Kolodziejczyk, 2022-10-17 This volume deals with the history of the Ottoman Polish political and diplomatic relations and with the role and function of international treaties in early modern Europe especially in the contacts between the Christian and Muslim states The extensive introduction consists of two parts Part I examines

diplomatic problems concerning capitulations and names demarcation protocols and other Ottoman and Polish documents related to peace Part II provides a chronological survey of the Polish Ottoman relations covering the years 1414-1795 and then follow the texts of 69 documents composed in Turkish rendered in a Latin transcription Polish Latin Italian and French Turkish and Polish texts are provided with English translations 32 documents preserved in originals are published in full facsimiles as well The publication is enriched with bibliography directory of geographical and ethnic terms index and 3 maps

Through Words and Deeds John Bukowczyk, 2021-10-12 Though often overlooked in conventional accounts women with myriad backgrounds and countless talents have made an impact on Polish and Polish American history John J Bukowczyk gathers articles from the journals *Polish Review* and *Polish American Studies* to offer a fascinating cross section of readings about the lives and experiences of these women The first section examines queens and aristocrats during the Polish Lithuanian Commonwealth but also looks at the life of the first Polish female doctor In the second section women of the diaspora take center stage in articles illuminating stories that range from immigrant workers in Europe and the United States to women's part in Poland's nationalist struggle The final section concentrates on image identity and consciousness as contributors examine the stereotyping and othering of Polish women and their portrayal in ethnic and migratory fiction A valuable and enlightening resource *Through Words and Deeds* offers an introduction to the many facets of Polish and Polish American womanhood Contributors Laura Anker Robert Bloebaum Anna Brzezińska John J Bukowczyk Halina Filipowicz William J Galush Rita Gladsky Thaddeus V Gromada Bożena Karwowska Grażyna Kozaczka Lynn Lubamersky Karen Majewski Nameeta Mathur Lori A Matten Jan Molenda James S Pula Władysław Roczniak and Robert Szymczak

Socio-Legal Integration Agnieszka Kubal, 2016-04-01 This book examines how contemporary migrants form and transform their involvement with the law in their host countries and which factors influence this relationship It suggests a more comprehensive insight into the socio-legal integration of migrants by analysing the interplay between the new legal environment and migrants' existing culturally derived values attitudes behaviour and social expectations towards law and law enforcement Acknowledging the superdiversity of migration as a global issue the book uses the case study of Polish post 2004 EU Enlargement migrants to examine values and attitudes to the rules that govern their work and residence in the UK and to the legal system in general With wider international relevance than just Poland and the UK this book makes a case for the meaningful employment of legal culture in socio-legal integration research and suggests far reaching consequences for host countries and their immigrant communities

The Polish-Lithuanian Monarchy in European Context, C.1500-1795 R. Butterwick, 2001-06-26 The Polish Lithuanian Commonwealth is often considered an aberration where monarchy was reduced by the nobility to impotence and which was consequently partitioned However historians' reappraisal of monarchy in early modern Europe calls for a reconsideration of the extent of Polish Lithuanian divergence The essays of this collection assess the institution and idea of monarchy in one of Europe's largest and most neglected states It will appeal to all those interested

in early modern history *An Academy at the Court of the Tsars* Nikolaos A. Chrissidis, 2016-08-10 The first formally organized educational institution in Russia was established in 1685 by two Greek hieromonks Ioannikios and Sophronios Leichoudes Like many of their Greek contemporaries in the seventeenth century the brothers acquired part of their schooling in colleges of post Renaissance Italy under a precise copy of the Jesuit curriculum When they created a school in Moscow known as the Slavo Greco Latin Academy they emulated the structural characteristics pedagogical methods and program of studies of Jesuit prototypes In this original work Nikolaos A Chrissidis analyzes the academy s impact on Russian educational practice and situates it in the contexts of Russian Greek cultural relations and increased contact between Russia and Western Europe in the seventeenth century Chrissidis demonstrates that Greek academic and cultural influences on Russia in the second half of the seventeenth century were Western in character though Orthodox in doctrinal terms He also shows that Russian and Greek educational enterprises were part of the larger European pattern of Jesuit academic activities that impacted Roman Catholic and Eastern Orthodox educational establishments and curricular choices *An Academy at the Court of the Tsars* is the first study of the Slavo Greco Latin Academy in English and the only one based on primary sources in Russian Church Slavonic Greek and Latin It will interest scholars and students of early modern Russian and Greek history of early modern European intellectual history and the history of science of Jesuit education and of Eastern Orthodox history and culture Open Access edition funded by the National Endowment for the Humanities **Warfare, State and Society on the Black Sea Steppe, 1500-1700** Brian Davies, 2014-04-04 This crucial period in Russia s history has been neglected by historians but Brian Davies study provides an essential insight into the emergence of Russia as a great power **European War and Diplomacy, 1337-1815** William Young, 2003-10 The history of international relations and warfare of early modern Europe has gained popularity in recent years This bibliography provides a valuable listing of books dissertations and journal articles in the English language for scholars and general readers interested in diplomatic relations and warfare from the Hundred Years War to the Napoleonic Wars **The Grand Strategy of the Russian Empire, 1650-1831** John P. LeDonne, 2004 At its height the Russian empire covered eleven time zones and stretched from Scandinavia to the Pacific Ocean Arguing against the traditional historical view that Russia surrounded and threatened by enemies was always on the defensive John P LeDonne contends that Russia developed a long term strategy not in response to immediate threats but in line with its own expansionist urges to control the Eurasian Heartland LeDonne narrates how the government from Moscow and Petersburg expanded the empire by deploying its army as well as by extending its patronage to frontier societies in return for their serving the interests of the empire He considers three theaters on which the Russians expanded the Western Baltic Germany Poland the Southern Ottoman and Persian Empires and the Eastern China Siberia Central Asia In his analysis of military power he weighs the role of geography and locale as well as economic issues in the evolution of a larger imperial strategy Rather than viewing Russia as peripheral to European Great Power politics LeDonne makes a powerful case for

Russia as an expansionist militaristic and authoritarian regime that challenged the great states and empires of its time

Europe Sven Tägil, 2001-01-01 This anthology gives an overview and an in depth description of Europe in historical terms providing explanation for the current period of dramatic development and integration process that has led to the increased strength of the European Union It also explores the simultaneous trend towards disintegration with an increased number of nationalist strivings of the traditional kind attempting to foresee the future structures by understanding the underlying processes through an analysis of the historical background

Augustus The Strong Tim Blanning, 2024-10-03 From the acclaimed author of *The Pursuit of Glory* and *Frederick the Great* a riotous biography of the charismatic ruler of 18th century Poland and Saxony and his catastrophic reign Winner of the Elizabeth Longford Prize for Historical Biography 2025 It s been a superb year for history but *Augustus the Strong* ranks up there with the very very best I cant recommend it strongly enough Simon Sebag Montefiore The wonderful story of one of the worst monarchs in European history told with enormous wit and scholarship by a supremely talented historian If you have the slightest interest in Germans Poles porcelain jewels the Enlightenment military disasters or the pleasures of fox tossing then this is the book for you Dominic Sandbrook *Augustus* is one of the great what ifs of the 18th century He could have turned the accident of ruling two major realms into the basis for a powerful European state a bulwark against the Russians and a block on Prussian expansion Alas there was no opportunity *Augustus* did not waste and no decision he did not get wrong By the time of his death Poland was fatally damaged and would subsequently disappear as an independent state until the 20th century Tim Blanning s wonderfully entertaining and original new book is a study in failed statecraft showing how a ruler can shape history as much by incompetence as brilliance *Augustus* s posthumous sobriquet *The Strong* referred not to any political accomplishment but to his legendary physical strength and sexual athleticism Yet he was also one of the great creative artists of the age combining driving energy exquisite taste and apparently boundless resources to master mind the creation of peerless Dresden the baroque jewel of jewels *Augustus the Strong* brilliantly evokes this time of opulence and excess decadence and folly

The Creation of States in International Law James R. Crawford, 2007-03-15 Statehood in the early 21st century remains as much a central problem as it was in 1979 when the first edition of *The Creation of States in International Law* was published As Rhodesia Namibia the South African Homelands and Taiwan then were subjects of acute concern today governments international organizations and other institutions are seized of such matters as the membership of Cyprus in the European Union application of the Geneva Conventions to Afghanistan a final settlement for Kosovo and still relations between China and Taiwan All of these and many other disputed situations are inseparable from the nature of statehood and its application in practice The remarkable increase in the number of States in the 20th century did not abate in the twenty five years following publication of James Crawford s landmark study which was awarded the American Society of International Law Prize for Creative Scholarship in 1981 The independence of many small territories comprising the residue of the European colonial

empires alone accounts for a major increase in States since 1979 while the disintegration of Yugoslavia and the USSR in the early 1990s further augmented the ranks. With these developments the practice of States and international organizations has developed by substantial measure in respect of self determination secession succession recognition de colonization and several other fields. Addressing such questions as the unification of Germany the status of Israel and Palestine and the continuing pressure from non State groups to attain statehood even in cases like Chechnya or Tibet against the presumptive rights of existing States James Crawford discusses the relation between statehood and recognition the criteria for statehood especially in view of evolving standards of democracy and human rights and the application of such criteria in international organizations and between states. Also discussed are the mechanisms by which states have been created including devolution and secession international disposition by major powers or international organizations and the institutions established for Mandated Trust and Non Self Governing Territories. Combining a general argument as to the normative significance of statehood with analysis of numerous specific cases this fully revised and expanded second edition gives a comprehensive account of the developments which have led to the birth of so many new states. **Russian Citizenship** Eric

Lohr, 2012-10-31 In the first book to trace the Russian state's citizenship policy throughout its history Lohr argues that to understand the citizenship dilemmas Russia faces today we must return to the less xenophobic and isolationist pre Stalin period before the drive toward autarky after 1914 eventually sealed the state off from Europe. **Beiträge zur "7.**

Internationalen Konferenz zur Geschichte des Kiever und des Moskauer Reiches" Carsten Kumke, 1994-12-31

Republic Vs. Autocracy Andrzej Sulima Kamiński, 1993 Kaminski shows through these records how the two powers perceived each other and how they achieved their objectives. Republic vs Autocracy also offers ground breaking analyses of the Solomon Affair and Russia's involvement in the election of August II to the Polish Crown as well as new perspectives on the personal and political development of Tsar Peter I and Hetman Ivan Mazepa's relationship with Moscow and Warsaw.

Making Jews Modern Sarah Abrevaya Stein, 2003-12-22 On the eve of the 20th century Jews in the Russian and Ottoman empires were caught up in the major cultural and social transformations that constituted modernity for Ashkenazi and Sephardi Jewries respectively. What language should Jews speak or teach their children? Should Jews acculturate and if so into what regional or European culture? What did it mean to be Jewish and Russian Jewish and Ottoman Jewish and modern? Sarah Abrevaya Stein explores how such questions were formulated and answered within these communities by examining the texts most widely consumed by Jewish readers popular newspapers in Yiddish and Ladino. Examining the press's role as an agent of historical change she interrogates a diverse array of verbal and visual texts including cartoons photographs and advertisements. This original and lively study yields new perspectives on the role of print culture in imagining national and transnational communities. Stein's work enriches our sense of cultural life under the rule of multiethnic empires and complicates our understanding of Europe's polyphonic modernities. **Ivan Mazepa and the Russian Empire** Tatiana

Tairova-Yakovleva, 2020-12-10 Ivan Mazepa 1639 1709 hetman of the Zaporozhian Host in what is now Ukraine is a controversial figure famous for abandoning his allegiance to Tsar Peter I and joining Charles XII's Swedish army during the Battle of Poltava. Although he is discussed in almost every survey and major book on Russian and Ukrainian history, Ivan Mazepa and the Russian Empire is the first English language biography of the hetman in sixty years. A translation and revision of Tatiana Tairova Yakovleva's 2007 Russian language book, Ivan Mazepa and the Russian Empire presents an updated perspective. This account is based on many new sources, including Mazepa's archive, thought lost for centuries before it was rediscovered by the author in 2004, and post-Soviet Russian and Ukrainian historiography. Focusing on this fresh material, Tairova Yakovleva delivers a more nuanced and balanced account of the polarizing figure who has been simultaneously demonized in Russia as a traitor and revered in Ukraine as the defender of independence. Chapters on economic reform, Mazepa's impact on the rise to power of Peter I, his cultural achievements, and the reasons he switched his allegiance from Peter to Charles integrate a larger array of issues and personalities than have previously been explored. Setting a standard for the next generation of historians, Ivan Mazepa and the Russian Empire reveals an original picture of the Hetmanate during a moment of critical importance for the Russian Empire and Ukraine. A History of Ukraine Paul R. Magocsi, 2010-01-01 Dotyczy m in Kres w wschodnich Rzeczypospolitej

Embracing the Tune of Term: An Emotional Symphony within **Republic Vs Autocracy Polandlithuania And Russia 16861697**

In a world used by displays and the ceaseless chatter of instantaneous conversation, the melodic elegance and psychological symphony created by the prepared word often diminish into the background, eclipsed by the relentless noise and interruptions that permeate our lives. Nevertheless, set within the pages of **Republic Vs Autocracy Polandlithuania And Russia 16861697** a wonderful literary prize filled with fresh thoughts, lies an immersive symphony waiting to be embraced. Crafted by an elegant musician of language, that interesting masterpiece conducts visitors on a mental journey, well unraveling the hidden melodies and profound influence resonating within each carefully crafted phrase. Within the depths of this emotional review, we will examine the book's main harmonies, analyze their enthralling writing model, and surrender ourselves to the profound resonance that echoes in the depths of readers' souls.

Republic Vs Autocracy Polandlithuania And Russia 16861697 Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Republic Vs Autocracy Polandlithuania And Russia 16861697 free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Republic Vs Autocracy Polandlithuania And Russia 16861697 free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles

or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Republic Vs Autocracy Polandlithuania And Russia 16861697 free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading Republic Vs Autocracy Polandlithuania And Russia 16861697. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Republic Vs Autocracy Polandlithuania And Russia 16861697 any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Republic Vs Autocracy Polandlithuania And Russia 16861697 Books

1. Where can I buy Republic Vs Autocracy Polandlithuania And Russia 16861697 books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
