John Hiden

Republican Germany:

Republican and Fascist Germany John Hiden, 2020-10-28 This important addition to modern German studies treats the Weimar Republic and the Third Reich as a continuum exploring its themes through the 1920s and 1930s without artificial breaks John Hiden looks at key issues in political social and economic history and in international relations He highlights Germany's potentially constructive role in Europe before Hitler analyses the country's structural problems considers the importance of personalities and personal responsibility in the period and examines the legacy of the Third Reich to postwar Germany Filled with energy and ideas the book has an intellectual substance far beyond its relatively modest length *The New German Republic* Elmer Luehr, 1929 **German Military and the Weimar Republic** Karen Schaefer, 2020-03-30 This military biography examines the man who sought to rebuild the Germany Army after WWI and the rival who stoked the rise of Nazism After Germany's devastating defeat in the First World War General Hans von Seeckt became Chief of the Army Command at the Reichswehr Ministry of the Weimar Republic His job was to rebuild the shattered German army and repair the nation's standing on the world stage The punitive terms of the post war settlement made these ambitious goals nearly impossible but the most significant challenges von Seeckt faced came from within Germany Von Seeckt aimed to build a modern and efficient military with a main strategy of peaceful defense purposes This original and far sighted policy was opposed by his rival General Erich Ludendorff who led a nationalistic movement seeking revenge for Germany's defeat Ludendorff proposed to rebuild the once mighty German imperial army as a major international force The failure of von Seeckt's experiment was tragically mirrored by the fall of the Weimar Republic and the rise of rise of Hitler and Nazi Germany

The German Left and the Weimar Republic Ben Fowkes, 2014-07-10 The German Left and the Weimar Republic illuminates the history of the political left by presenting a wide range of documents on various aspects of socialist and communist activity in Germany Separate chapters deal with the policy of Social Democracy in and out of government the attempts of the Communist Party to overthrow the Weimar Republic and then later to oppose it Later chapters move away from the political scene to treat the attitudes of the parties to key social issues in particular questions of gender and sexuality The book concludes with a presentation of documents on various groups of socialist and communist dissidents Many of the documents are made accessible for the first time and each chapter begins with an original introduction indicating the current state of research The Federal Republic of Germany at Forty-Five Peter H. Merkl, 1995-11 This five year review of the

political scene in Germany details the changing elements of German identity and the post unification problems Emerging perspectives are examined within in their domestic and international contexts and within the difficulties of finding a German role in Europe **The Constitution of the German Republic** Heinrich Oppenheimer, 1923 **Hitler's Stormtroopers and the Attack on the German Republic, 1919-1933** Otis C. Mitchell, 2013-10-29 Hitler was Nazi Germany and Nazi Germany was Hitler Though true to the extent that Hitler's personality leadership and ideological convictions played a

massive role in shaping the nature of government and life during the Third Reich this popular view has led many writers since the end of World War II to overlook important aspects of Nazism while centering attention solely on Hitler's contributions to the Nazi Party This book seeks to fill a significant gap in the literature by concentrating particularly on the Nazi Party and its growth during the years of the Weimar Republic examining the paramilitary presence in Germany and Bavaria after World War I Most of the book describes the development of the Nazi Storm Detachment Sturmabteilung or SA before and after the failed Beer Hall Putsch in 1923 By the time Hitler came to power in January 1933 there were perhaps as many as 400 000 of these brown shirted men often self styled revolutionaries creating violence on a daily basis and destroying the underpinnings of the Weimar Republic The book features several photographs captured from the Nazi Party's Central Publishing Facility in Munich and passed to the author in the late 1950s

The Federal Republic of Germany at Fifty Peter H. Merkl, 2016-07-27 Fifty years after the formation of the Federal Republic and a decade after German unification we stand on the cusp of a new century and a new millennium of German history At the same time EMU marks a giant stride towards European integration and the end of the Deutschmark In this book leading international scholars reflect on the dramatic transformations of Germany's past and on Germany's future prospects Post war democratic and economic renewal is set in the context of continuing debates about German identity There are assessments of all major leaders parties and ideologies of the still unfinished agenda of integrating East and West of how the next generation of German leaders will interact with ageing governmental structures of the Bundesbank and the successes and failures of economic policy the trade unions and the media and of Germany's emerging new role in Europe and the world

Party Politics in the New Germany Geoffrey Roberts, 1997-01-01 A comprehensive accessible and authoritative account of the party systems of modern Germany this book covers the period from 1945 to the present

The German Right in the Weimar Republic Larry Eugene Jones, 2014-07-01 Significant recent research on the German Right between 1918 and 1933 calls into question received narratives of Weimar political history The German Right in the Weimar Republic examines the role that the German Right played in the destabilization and overthrow of the Weimar Republic with particular emphasis on the political and organizational history of Rightist groups as well as on the many permutations of right wing ideology during the period In particular antisemitism and the so called Jewish Question played a prominent role in the self definition and politics of the right wing groups and ideologies explored by the contributors to this volume

German Liberalism and the Dissolution of the Weimar Party System, 1918-1933 Larry Eugene Jones, 2017-10-10 Jones offers a detailed and comprehensive overview of the development and decline of the German Democratic party and the German People's party from 1918 to 1933 In tracing the impact of World War I the runaway inflation to the 1920s and the Great Depression of the 1930s upon Germany's middle class electorate the study demonstrates why the forces of liberalism were ineffective in preventing the rise of nazism and the establishment of the Third Reich Originally published in 1988 A UNC Press Enduring Edition UNC Press

Enduring Editions use the latest in digital technology to make available again books from our distinguished backlist that were previously out of print. These editions are published unaltered from the original and are presented in affordable paperback formats bringing readers both historical and cultural value.

Weimar Germany's Left-Wing Intellectuals Istvan Deak, 2024-03-29

The Germany between the two world wars which produced some of the greatest literary lights of the century also produced a forum worthy of them: the brilliantly edited, crusading left-oriented but not party-affiliated *Weltbühne*. The present book tells the history of this weekly Berlin journal, discusses the men that ran it and wrote it, and outlines the causes for which it fought. The *Weltbühne* had three editors: the uncompromising style-conscious Siegfried Jacobsohn, the sharp-tongued satirical Kurt Tucholsky, and the enigmatic aristocratic Carl von Ossietzky, martyred by the Nazis. The radical intellectual elite of Germany and to some extent outside Germany contributed to the journal: Heinrich Mann, Alfred Polgar, Erich Kästner, Alfred Döblin, Bertolt Brecht, Leonhard Frank, Theodor Plievier, René Schickele, Lion Feuchtwanger, Ernst Toller, Arnold Zweig, also Arthur Koestler, Romain Rolland, Henry Barbusse, and Leon Trotsky. These men stood for the demilitarization of Germany, the purge of the reactionary administration and judiciary, the end of all restraints on human rights including the restraints on abortion and homosexuality, complete equality of women, pacifist educational policies, the intellectualization of politics, and politicization of the intellectuals, unity of the working class, parties, and socialism. When on May 11, 1933, on Opera Square in Berlin, the stormtroopers burned books of fifteen authors, sinning against the German Volk, thirteen of them had made contributions to the *Weltbühne*, and since many of them were Jews, the *auto da f* gave special pleasure to the mob. Mr. Deak recreates with unusual empathy the atmosphere of the era, characterized by terrific social and political issues which eventually lead to the disaster of the Thirties. The campaigns of the *Weltbühne* failed, and the contributors were killed or went into exile, with the journal itself moving from Berlin to Vienna to Prague to Paris before it died. Mr. Deak makes a lasting contribution to history by opening to a broader public the records preserved in the pages of this important but largely ignored journal, by selecting and interpreting the issues, and by bringing to life the personalities that gave the era its intellectual profile. And understanding of the *Weltbühne* campaigns is indispensable for an appraisal of Central European politics in the first half of our century. Mr. Deak, in this readable book, written with the passionate interest of a person who seems to have been a participant rather than a chronicler, makes this understanding possible by a lucid exposition and a searching analysis of the events. This title is part of UC Press's Voices Revived program, which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice, reach, and impact. Drawing on a backlist dating to 1893, Voices Revived makes high-quality, peer-reviewed scholarship accessible once again using print-on-demand technology. This title was originally published in 1968.

Germany from Empire to Ruin, 1913-1945 Henry Cord Meyer, 1973-06-18

The Oxford Handbook of the Weimar Republic Nadine Rossol, Benjamin Ziemann, 2022

The Weimar Republic was a turbulent and pivotal period of German and European history.

and a laboratory of modernity The Oxford Handbook of the Weimar Republic provides an unsurpassed panorama of German history from 1918 to 1933 offering an indispensable guide for anyone interested in the fascinating history of the Weimar Republic

Social Conservatism and the Middle Class in Germany, 1914-1933 Herman Lebovics, 2015-12-08 Uprooted by the war exposed to the full brunt of economic dislocation and fearful of losing status in face of the growing might of big business and organized labor the middle classes in Weimar Germany longed for a solution to their plight that neither the capitalism nor the socialism of their day could offer This work examines the attempts of a number of scholars and publicists Sombart Salin Spann Niekisch Spengler and Fried to provide such a solution in the form of an ideology of social conservatism Originally published in 1969 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

The German Democratic Republic Henry Krisch, 2019-07-11 This important new overview of the German Democratic Republic focuses on the country's search for identity and legitimacy throughout its history Dr Henry Krisch analyzes major aspects of East German life political economic cultural and societal to answer the fundamental question of the nature of the GDR Arguing that East Germany has been shaped by history to an unusual degree he explores the country's historical background including the Soviet Zone the origins of the GDR and the leadership of Ulbricht and Honecker and examines the role and structure of the party state and military and security forces The main emphasis of this book however is upon current problems and on likely responses to them in the near future Issues such as the viability of communist politics in a technologically advanced society the relationship of the GDR to a common German heritage and a competing West German state and the country's role within the Soviet alliance system are examined in detail and current social concerns including the peace movement cultural trends the role of women and youth and the prime importance of sports are discussed

A History of Modern Germany Martin Kitchen, 2011-05-02 Featuring revised and extended coverage the second edition of A History of Modern Germany offers an accessible and engagingly written account of German history from 1800 to the present Provides readers with a long view of modern German history revealing its continuities and changes Features updated and extended coverage of German social change and modernization class religion and gender Includes more in depth coverage of the German Democratic Republic Examines Germany's social political and economic history Covers the unification of Germany the German Empire the Weimar Republic the Third Reich post war division the collapse of Communism and developments since re unification Addresses regional history rather than focusing on the dominant role of Prussia

Republican Germany Hugh Quigley, Robert Thomson Clark, Robert Thomson Clarke, 1968

Party Strategies in Western Europe Gemma Loomes, 2013-06-17 This book

examines political party system change from a party centric perspective and assesses how and to what extent established political parties in western Europe can maintain their dominant positions Parties are increasingly competing in a changeable environment and this book assesses the ways in which political parties have tried to adapt to these changes by undertaking a study of the strategies employed by established parties since 1950 It features analysis of seventeen western European countries with eight case studies explored in greater depth including France Germany Portugal Greece Denmark Ireland Switzerland and Luxembourg The book assesses two groups of strategies institutional strategies by which parties aim for success through control of rules regulations and laws and strategies oriented towards the electorate through which parties seek success by proving themselves responsive to voters Offering a detailed empirical assessment of the frequency with which these strategies have been employed this book assesses the impact on established political parties and argues that parties can shape their own fate by strategic choices Party Strategies in Western Europe will be of interest to students and scholars of European politics Government and party politics

The Burden of German History 1919-45 Michael Laffan, 2020-01-08 Originally published in 1988 The Burden of German History 1919 45 examines the vast literature surrounding Weimar years and the National Socialist tragedy daunting even for the specialist historian or political scientist The essays included in this volume provide an invaluable guide to research of the time and provides a stimulating review of a wide range of topics in modern German cultural political economic and military history The essays are based on a series of lectures given by German and Irish scholars to a conference on the theme Weimar Germany and National Socialism which was held in March 1986 in University College Dublin under the auspices of the Goethe Institute Dublin This book offers a significant commentary on a period of German history which included the exciting and ambivalent freedom of the Weimar society and the repressive murderous uniformity of National Socialism

Republican Germany Introduction

In today's digital age, the availability of Republican Germany books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Republican Germany books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Republican Germany books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Republican Germany versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Republican Germany books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Republican Germany books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Republican Germany books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital

libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Republican Germany books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Republican Germany books and manuals for download and embark on your journey of knowledge?

FAQs About Republican Germany Books

What is a Republican Germany PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Republican Germany PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Republican Germany PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Republican Germany PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Republican Germany PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing

capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
