Republican Women Feminism And Conservatism From Suffrage Through The Rise Of The New Right:

Republican Women Catherine E. Rymph, 2006 In the wake of the Nineteenth Amendment Republican women set out to forge a place for themselves within the Grand Old Party As Catherine Rymph explains their often conflicting efforts over the subsequent decades would leave a mark on both conservative *The Rise of the Republican Right* Brian M.

Conley, 2019-04-29 Few scholars have paid close attention to the factors internal to the Republican Party that helped the Right to consolidate its power within the party between the 1960s and the 1980s Plugging the gap in party literature *The Rise of the Republican Right From Goldwater to Reagan* provides a comprehensive account of the rise of the Republican Right in the years between Barry Goldwater's 1964 presidential defeat and the election of Ronald Reagan as president in 1980 Specifically it offers a historical institutional analysis of the organizational factors internal to the Republican Party that helped the conservative Right maintain and then expand its ascendant position within the GOP in the critical years between Goldwater and Reagan Brian M Conley demonstrates how the growth of the Right during this period was aided by a desire on the part of many Republican leaders to rebound from electoral defeat by rebuilding the party organizationally rather than reforming it politically through the introduction of a more service oriented party structure *The Rise of the Republican Right* will interest academics party scholars and researchers eager to gain a more nuanced understanding of the factors that helped the Right become a dominant force within the Republican Party **The Women's Rights Movement since 1945**

Christina G. Larocco, 2022-11-11 Documenting the history of the American women's rights movement from 1945 through the 2016 election this reference offers a crucial and objective look at the changing strategies goals and challenges of American feminists Many aspects of women's lives in the mid twentieth century including legal subjugation to their husbands limitations in education and employment and restrictions on sexual and reproductive autonomy are unthinkable today Women's lives improved only through the concerted action of several generations of activists whose work lies at the center of this volume This book traces women's changing relationships to family work education government and sexuality from 1945 through the 2016 election The book begins with an overview essay that places the women's rights movement in its historical context This is followed by a chronology offering concise profiles of key events A series of chapters then discusses the history of the women's rights movement since 1945 and what the movement has accomplished Biographical entries profile key figures involved in the movement and a selection of primary source documents gives first hand accounts of the movement An annotated bibliography directs readers to additional sources of information **Ideology in U.S. Foreign Relations**

Christopher McKnight Nichols, David Milne, 2022-08-09 Winner 2023 Joseph Fletcher Prize for Best Edited Book in Historical International Relations History Section International Studies Association *Ideology drives American foreign policy in ways seen and unseen Racialized notions of subjecthood and civilization underlay the political revolution of eighteenth century white colonizers neoconservatism neoliberalism and unilateralism propelled the post Cold War United States to unleash*

catastrophe in the Middle East Ideologies order and explain the world project the illusion of controllable outcomes and often explain success and failure How does the history of U S foreign relations appear differently when viewed through the lens of ideology This book explores the ideological landscape of international relations from the colonial era to the present Contributors examine ideologies developed to justify or resist white settler colonialism and free trade imperialism and they discuss the role of nationalism in immigration policy The book reveals new insights on the role of ideas at the intersection of U S foreign and domestic policy and politics It shows how the ideals coded as civilization freedom and democracy legitimized U S military interventions and enabled foreign leaders to turn American power to their benefit The book traces the ideological struggle over competing visions of democracy and of American democracy s place in the world and in history It highlights sources beyond the realm of traditional diplomatic history including nonstate actors and historically marginalized voices Featuring the foremost specialists as well as rising stars this book offers a foundational statement on the intellectual history of U S foreign policy

The Breakthrough Jan Eckel, Samuel Moyn, 2013-08-29 Between the 1960s and the 1980s the human rights movement achieved unprecedented global prominence Amnesty International attained striking visibility with its Campaign Against Torture Soviet dissidents attracted a worldwide audience for their heroism in facing down a totalitarian state the Helsinki Accords were signed incorporating a third basket of human rights principles and the Carter administration formally gave the United States a human rights policy The Breakthrough is the first collection to examine this decisive era as a whole tracing key developments in both Western and non Western engagement with human rights and placing new emphasis on the role of human rights in the international history of the past century Bringing together original essays from some of the field s leading scholars this volume not only explores the transnational histories of international and nongovernmental human rights organizations but also analyzes the complex interplay between gender sociology and ideology in the making of human rights politics at the local level Detailed case studies illuminate how a number of local movements from the 1975 World Congress of Women in East Berlin to antiapartheid activism in Britain to protests in Latin America affected international human rights discourse in the era as well as the ways these moments continue to influence current understanding of human rights history and advocacy The global south an area not usually treated as a scene of human rights politics is also spotlighted in groundbreaking chapters on Biafran South American and Indonesian developments In recovering the remarkable presence of global human rights talk and practice in the 1970s The Breakthrough brings this pivotal decade to the forefront of contemporary scholarly debate Contributors Carl J Bon Tempo Gunter Dehnert Celia Donert Lasse Heerten Patrick William Kelly Benjamin Nathans Ned Richardson Little Daniel Sargent Brad Simpson Lynsay Skiba Simon Stevens

Culture Wars Roger Chapman, 2010 Although openness and inclusion are cornerstones of life in the United States intolerance and reactionary politics are also very real As the nation prepares to elect a new president The Culture Wars addresses the key defining issues of contemporar

Women's Rights in the United States Tiffany K.

Wayne,2014-12-09 A comprehensive encyclopedia tracing the history of the women s rights movement in the United States from the American Revolution to the present day Few realize that the origin of the discussion on women s rights emerged out of the anti slavery movement of the 19th century and that suffragists were active in the peace and labor movements long after the right to vote was granted Thus began the confluence of activism in our country where the rights of women both followed and led the social and political discourse in America Through 4 volumes and more than 800 entries editor Tiffany K Wayne with advising editor Lois Banner examine the issues people and events of women s activism from the early period of American history to the present time This comprehensive reference not only traces the historical evolution of the movement but also covers current issues affecting women such as reproductive freedom political participation pay equity violence against women and gay civil rights

Divided We Stand Marjorie J. Spruill,2018-08-28 The fascinating true story of the characters in Hulu s *Mrs America* and a broader portrait of the two women s movements that spurred an enduring rift between liberals and conservatives The many admirers of *Mrs America* will find great satisfaction in *Divided We Stand* a clear compelling and deeply insightful volume The Washington Post One of Smithsonian Magazine s Ten Best History Books of the Year In the early 1970s an ascendant women s rights movement enjoyed strong support from both political parties and considerable success but was soon challenged by a conservative women s movement formed in opposition Tensions between the two would explode in 1977 at the congressionally funded National Women s Conference in Houston Texas As Bella Abzug Gloria Steinem and other feminists endorsed hot button issues such as abortion rights the ERA and gay rights Phyllis Schlafly and Lottie Beth Hobbs rallied with conservative women to protest federally funded feminism and launch a pro family movement *Divided We Stand* reveals how crucial women and women s issues have been in the shaping of today s political culture After the National Women s Conference Democrats continued to back women s rights in cooperation with a more diverse feminist movement while the GOP abandoned its previous support for women s rights and defined itself as the party of family values irrevocably affecting the course of American politics

Delirium Nancy L. Cohen,2012-09-11 Perhaps if the Pill had never been invented American politics would be very different today Nancy L Cohen writes in her prescient new book *Delirium The Politics of Sex in America* The 2012 election was supposed to be about the economy but over the last few months it turned into a debate about sex and women s rights In *Delirium* Cohen takes us on a gripping journey through the confounding and mysterious episodes of our recent politics to explain how we and why we got to this place Along the way she explores such topics as why Bill Clinton was impeached over a private sexual affair how George W Bush won the presidency by stealth why Hillary lost to Obama why John McCain chose Sarah Palin to be his running mate and what the 2012 presidential contest tells us about America today She exposes the surprising role of right wing women in undermining women s rights as well as explains how liberal men were complicit in letting it happen Cohen uncovers the hidden history of an orchestrated well financed ideologically powered shadow movement to turn back the clock on matters of gender equality and

sexual freedom and how it has played a leading role in fueling America's political wars Delirium tells the story of this shadow movement and how we can restore common sense and sanity in our nation's politics

Winning the West for Women

Jennifer M. Ross-Nazzari, 2011-05-01 In 1856 in an opera house in Roseville Illinois Susan B Anthony called for the supporters of woman suffrage to stand The only person to rise was eight year old Emma Smith And she continued to take a stand for the rest of her life As a leader in the suffrage movement Emma Smith DeVoe stumped across the country organizing for the cause raising money and helping make the West central to achieving the vote for women DeVoe used her feminine style to great advantage in the campaign for the vote Rather than promoting public rallies she encouraged women to put their energies toward influencing the votes of their fathers brothers and husbands Known as the still hunt strategy this approach was highly successful and helped win the vote for women in Washington State in 1910 Winning the West for Women demonstrates the importance of the West in the national suffrage movement It reveals the central role played by the National Council of Women Voters whose members were predominantly western women in securing the passage of the Nineteenth Amendment Winning the West for Women also tells a larger story of dissension and discord within the suffrage movement Though ladylike in her courtship of male support for the cause DeVoe often clashed with other activists who disagreed with her tactics or doubted her commitment to the movement This fascinating biography describes the real experiences of women and their relationships as they struggled to win the right to vote Watch the book trailer <https://www.youtube.com/watch?v=fPLnFiZBHug>

Gender and Work

Carrie Prentice, Miglena Sternadori, 2016-04-26 Recent years have witnessed growing scholarly interest in efforts to advance women's work and in exploring the implicit obstacles to gender equity such as the glass floor glass ceiling and glass walls that have persisted in most career fields This interdisciplinary collection contributes to this new field of knowledge by curating scholarly essays and current research on gendered work environments and all the nuanced meanings of work in the context of feminism and gender equality The chapters represent some of the most outstanding papers presented at the Women and Gender Conference held at the University of South Dakota on April 9-10 2015 The unifying focus of this collection is on the work related intersections of gender race and class which are investigated through a variety of theoretical and methodological approaches Some of the essays provide historical and literary contexts for contemporary issues Others use social scientific approaches to identify strategies for making the contemporary Western workplace more humane and inclusive to women and other disadvantaged members of society Advanced undergraduates and graduate students in women's studies sociology history and communication could use this book in courses that address the gendered workplace from an interdisciplinary perspective Scholars from various disciplines interested in gender and work could also use the book as a reference and a guidepost for future research Finally this collection will be of interest to human resource professionals and other readers seeking to expand their perspectives on the gendered workplace

Alice Paul,

the National Woman's Party and the Vote Bernadette Cahill, 2015-03-27 When women picketed the White House

demanding the vote on January 10 1917 they broke new ground in political activism Demanding that President Wilson influence Congress they marched in the streets in the nation's first ever coast to coast campaign for political rights Women were imprisoned for peaceful protests went on hunger strikes and were beaten and tortured by authorities But they won the 19th Amendment ensuring that the right to vote could not be denied because of gender Their successful nonviolent civil rights campaign established a precedent for those that followed giving them the tools including the vote needed to advance their goals This book chronicles the work of Alice Paul and the National Woman's Party and their influence on American political activism

She Damn Near Ran the Studio Jacqueline R. Braitman, 2020-10-19 Best known as the woman who ran MGM Ida R Koverman 1876 1954 served as talent scout mentor executive secretary and confidant to American movie mogul Louis B Mayer for twenty five years *She Damn Near Ran the Studio: The Extraordinary Lives of Ida R Koverman* is the first full account of Koverman's life and the true story of how she became a formidable politico and a creative powerhouse during Hollywood's Golden Era For nearly a century Koverman's legacy has largely rested on a mythical narrative while her more fascinating true life story has remained an enduring mystery until now This story begins with Koverman's early years in Ohio and the sensational national scandal that forced her escape to New York where she created a new identity and became a leader among a community of women Her second incarnation came in California where she established herself as a hardcore political operative challenging the state's progressive impulse During the Roaring Twenties she was a key architect of the Southland's conservative female centric partisan network that refashioned the course of state and national politics and put Herbert Hoover in the White House As the political boss of Los Angeles County she was the premiere matchmaker in the courtship between Hollywood and national partisan politics which as Mayer's executive secretary was epitomized by her third incarnation as one of the most formidable women in Hollywood whose unparalleled power emanated from her unique perch inside the executive suite of Metro Goldwyn Mayer Free to adapt her managerial skills and political know how on behalf of the studio she quickly drew upon her artistic sensibilities as a talent scout expanding MGM's catalog of stars and her own influence on American popular culture Recognized as one of the invisible power centers in both MGM and the city of Los Angeles she nurtured the city's burgeoning performing arts by fostering music and musicians and the public financing of them As the lioness of MGM royalty Ida Koverman was not just a naturalized citizen of the Hollywood kingdom at times during her long reign she damn near ran the studio

Wives, Mothers & the Red Menace Mary Brennan, 2011-05-18 In *Wives Mothers and the Red Menace* Mary Brennan examines conservative women's anti communist activism in the years immediately after World War II Brennan details the actions and experiences of prominent anti communists Jean Kerr McCarthy Margaret Chase Smith Freda Utey Doloris Thauwald Bridges Elizabeth Churchill Brown and Phyllis Stewart Schlafly She describes the Cold War context in which these women functioned and the ways in which women saw communism as a very real danger to domestic security and American families Millions of women Brennan notes expanded

their notions of household responsibilities to include the crusade against communism From writing letters and hosting teas to publishing books and running for political office they campaigned against communism and incidentally discovered the power they had to effect change through activism Brennan reveals how the willingness of these deeply conservative women to leave the domestic sphere and engage publicly in politics evinces the depth of America s postwar fear of communism She further argues that these conservative anti communist women pushed the boundaries of traditional gender roles and challenged assumptions about women as political players by entering political life to publicly promote their ideals Wives Mothers and the Red Menace offers a fascinating analysis of gender and politics at a critical point in American history Brennan s work will instigate discussions among historians political scientists and scholars of women s studies [This Land Is Herland](#) Sarah Eppler Janda, Patricia Loughlin, 2021-07-07 Since well before ratification of the Nineteenth Amendment in 1920 secured their right to vote women in Oklahoma have sought to change and uplift their communities through political activism This Land Is Herland brings together the stories of thirteen women activists and explores their varied experiences from the territorial period to the present Organized chronologically the essays discuss Progressive reformer Kate Barnard educator and civil rights leader Clara Luper and Comanche leader and activist LaDonna Harris as well as lesser known individuals such as Cherokee historian and educator Rachel Caroline Eaton entrepreneur and NAACP organizer California M Taylor and Equal Rights Amendment ERA champion Wanda Jo Peltier Stapleton Edited by Sarah Eppler Janda and Patricia Loughlin the collection connects Oklahoma women s individual and collective endeavors to the larger themes of intersectionality suffrage politics motherhood and civil rights in the American West and the United States The historians explore how race ethnicity social class gender and political power shaped and were shaped by these women s efforts to improve their local state and national communities Underscoring the diversity of women s experiences the editors and contributors provide fresh and engaging perspectives on the western roots of gendered activism in Oklahoma This volume expands and enhances our understanding of the complexities of western women s history [Fragmented Powers](#) Emmanuelle Avril, Laurence Cossu-Beaumont, David Fée, Fabrice Mourlon, 2025-01-24 Fragmented Powers is a rich resource for public policy urban studies political science sociology international relations and more Introducing 20 case studies analysing national level politics local governance civil society mobilisation and more the chapters examine trajectories of American and British societies **God's Own Party** Daniel K. Williams, 2012-07-12 In God s Own Party Daniel K Williams presents the first comprehensive history of the Christian Right uncovering how evangelicals came to see the Republican Party as the vehicle through which they could reclaim America as a Christian nation [Race, Gender and Violence on the Transatlantic Extreme Right, 1969-2009](#) Simon A. Purdue, 2022-10-20 This book explores the central role that gender has historically played in violent far right movements and groups in a time of increasing political polarisation and rising extremism The author examines the way neo Nazis and white supremacists have constructed gender and how this has impacted on the practical

role of men and women on the global extreme right between 1969 and 2009 giving valuable insight into the inner workings of the extremist fringe today In the context of rising violent ultra nationalism in the UK Eastern Europe the USA India and Russia this transnational history of racist extremist movements offers a very necessary glimpse into the intimate personal politics of organised hate and into the ideological and organisational roots of our current moment In order to fully understand the extreme right it is essential to develop an awareness of the deep social foundations that underlie it By exposing the gendered basis of racist extremism in the USA and UK this book makes a necessary intervention in the field of far right studies shedding new light on the shadowy corners of the political spectrum and ultimately opening new avenues for countering hate on the personal political and academic level The book seeks to explain the intricate relationship between organised racist extremism and ideological misogyny and explores the fundamental contradictions and inconsistencies that underlie women s far right activism Offering historical context to the current social and political moment in which white supremacist and far right terror presents an immediate threat to security and stability in both the USA and the UK this book provides useful insights for those researching the history of fascism and the far right violent social movements and political activism as well as women s history and gender studies *The Long Southern Strategy* Angie Maxwell,Todd

Shields,2019-06-24 The Southern Strategy was but one in a series of decisions the GOP made not just on race but on feminism and religion as well in what Angie Maxwell and Todd Shields call the Long Southern Strategy The Southern Strategy is traditionally understood as a Goldwater and Nixon era effort by the Republican Party to win over disaffected white voters in the Democratic stronghold of the American South To realign these voters with the GOP the party abandoned its past support for civil rights and used racially coded language to capitalize on southern white racial angst However that decision was but one in a series of decisions the GOP made not just on race but on feminism and religion as well in what Angie Maxwell and Todd Shields call the Long Southern Strategy In the wake of Second Wave Feminism the GOP dropped the Equal Rights Amendment from its platform and promoted traditional gender roles in an effort to appeal to anti feminist white southerners particularly women And when the leadership of the Southern Baptist Convention became increasingly fundamentalist and politically active the GOP tied its fate to the Christian Right With original extensive data on national and regional opinions and voting behavior Maxwell and Shields show why all three of those decisions were necessary for the South to turn from blue to red To make inroads in the South however GOP politicians not only had to take these positions but they also had to sell them with a southern accent Republicans embodied southern white culture by emphasizing an us vs them outlook preaching absolutes accusing the media of bias prioritizing identity over the economy encouraging defensiveness and championing a politics of retribution In doing so the GOP nationalized southern white identity rebranded itself to the country at large and fundamentally altered the vision and tone of American politics **Georgia Women**

Kathleen Ann Clark,Ann Short Chirhart,2014-07-15 Women were leading actors in twentieth century developments in

Georgia yet most histories minimize their contributions The essays in the second volume of Georgia Women edited by Ann Short Chirhart and Kathleen Ann Clark vividly portray a wide array of Georgia women who played an important role in the state s history from little known Progressive Era activists to famous present day figures such as Pulitzer Prize winning author Alice Walker and former First Lady Rosalynn Carter Georgia women were instrumental to state and national politics even before they achieved suffrage and as essays on Lillian Smith Frances Pauley Coretta Scott King and others demonstrate they played a key role in twentieth century struggles over civil rights gender equality and the proper size and reach of government Georgia women s contributions have been wide ranging in the arena of arts and culture and include the works of renowned blues singer Gertrude Ma Rainey and such nationally prominent literary figures as Margaret Mitchell Carson McCullers and Flannery O Connor as well as Walker While many of the volume s essays take a fresh look at relatively well known figures readers will also have the opportunity to discover women who were vital to Georgia s history yet remain relatively obscure today such as Atlanta educator and activist Lugenia Burns Hope World War II aviator Hazel Raines entrepreneur and carpet manufacturer Catherine Evans Whitener and rural activist and author Vara A Majette Collectively the life stories portrayed in this volume deepen our understanding of the multifaceted history of not only Georgia women but also the state itself
