America's Gun Wars Donald J. Campbell,2019-04-10 This book examines the controversies surrounding gun control which are less about whether it works and more about whether the nation should prioritize traditional values of rugged independence or newer values of communitarian interdependence America s Gun Wars contends that an understanding of America s gun controversy cannot be found in statistics documenting the rise or fall of violent crime or in examining trade offs between societal needs and personal safety or in following the political maneuvering of advocacy groups such as the National Rifle Association or Everytown for Gun Safety At heart the gun controversy is a values conflict involving how people see themselves and how they make sense of the world they live in Understanding this controversy requires a deep analysis of the profoundly different cultures inhabited by pro and anti gun activists lawmakers and voters Written by a social scientist who has spent his life exploring how values and self perceptions impact behavior this book explores the origins and evolution of cultures in American society the beliefs experiences and principles that guide the behavior of members in both camps and the triumphs and failures that the two sides have experienced from colonial times to the present day *Catalog of Copyright Entries. Turns the familiar story of trafficking across the US-Mexico border on its head, looking at firearms smuggled south from the United States to Mexico and their ricochet effects. American guns have entangled the lives of people on both sides of the US-Mexico border in a vicious circle of violence. After treating wounded migrants and refugees seeking safety in the United States, anthropologist Ieva Jusionyte boldly embarked on a journey in the opposite direction, following the guns from dealers in Arizona and Texas to crime scenes in Mexico. An expert work of narrative nonfiction, *Exit Wounds* provides a rare, intimate look into the world of firearms trafficking and urges us to understand the effects of lax US gun laws abroad. Jusionyte masterfully weaves together the gripping stories of people who live and work with guns north and south of the border: a Mexican businessman who smuggles guns for protection, a teenage girl turned trained assassin, two US federal agents trying to stop gun traffickers, and a journalist who risks his life to report on organized crime. Based on years of fieldwork, *Exit Wounds* expands current debates about guns in America, grappling with US complicity in violence on both sides of the border.

Gundamentalism and Where It Is Taking America James E. Atwood, 2017-01-09. *Gundamentalism and Where It Is Taking America* is the work of James Atwood, a retired Presbyterian pastor and an avid deer hunter for half a century who has also been in the forefront of the faith community's fight for two constitutional rights: the right to keep and bear arms and the right to live in domestic tranquility free of gun violence. He explains why guns mystically control so many Americans and exposes the fallacies of the gun industry's spurious claim that firearms actually protect us. He argues there are no bona fide scientific studies that show defensive guns save us from harm, while there is voluminous research showing a defensive gun puts the owner and his or her family at greater risk. Atwood's book, which details his learning of a lifetime in the struggle for reasonable gun laws in America, puts dependable social and theological analysis of our unique national epidemic into your hands, along with scientific data that will provoke honest reflection and discussion for the building of a safer and saner America. Questions for group discussion and suggestions for action are included. *Christian Ethics* Stivers, Laura, A., Martin-Schramm, James B., 2020-08-15. The fifth edition of this classic introduction to Christian ethics via the case method approach, utilizing case studies of contemporary ethical issues.

Who's Who In Hollywood! Terry Rowan, 2015-04-18. A comprehensive film guide featuring Hollywood films, directors, actors, and actresses. *The Camilla Randall Mysteries Box Set* Anne R. Allen, 2019-06-13. Snarky, delicious fun. The Camilla Randall mysteries are a laugh-out-loud mashup of romantic comedy, crime fiction, and satire. Dorothy Parker meets Dorothy L. Sayers. Perennially down and out socialite Camilla Randall is a magnet for murder mayhem and Mr. Wrong, but she always solves the mystery in her quirky but oh-so-polite way. Usually with more than

a little help from her gay best friend Plantagenet Smith Ghostwriters In The Sky When a young writer is found dead in her gay best friend's bed at a writer's conference in California wine country Camilla must enlist the help of a cross dressing dominatrix to clear Plant's name Unfortunately she suspects the hot LA cop who has stolen her heart may be the murderer In Sherwood Ltd a homeless Camilla lands in Robin Hood country where some not so merry men may be trying to kill her and of course Camilla once again ends up in the most improbable but always believable circumstances The Best Revenge is a prequel to the series and takes us back to Camilla Randall's teen years when she first meets Plantagenet Smith and is accused of murder herself These stories are so carefully crafted and so cleverly presented that virtually every page offers a unique insight experience or perspective that grabs my attention tickles my imagination and makes me laugh out loud A trio of light but intelligent reads What a pleasure to spend a few days with bits of suspense as well as some slightly ditzy but loveable characters all tossed about together in a comical hurricane Serious and absorbing plots Lighthearted at the same time

Thine and Mine; Or, The Step-mother's Reward ... Flora Neale, 1857 *Daily Variety*, 1962 Canadian Justice, Indigenous Injustice Kent Roach, 2019-01-21 In August 2016 Colten Boushie a twenty two year old Cree man from Red Pheasant First Nation was fatally shot on a Saskatchewan farm by white farmer Gerald Stanley In a trial that bitterly divided Canadians Stanley was acquitted of both murder and manslaughter by a jury in Battleford with no visible Indigenous representation In Canadian Justice

Indigenous Injustice Kent Roach critically reconstructs the Gerald Stanley Colten Boushie case to examine how it may be a miscarriage of justice Roach provides historical legal political and sociological background to the case including misunderstandings over crime when Treaty 6 was negotiated the 1885 hanging of eight Indigenous men at Fort Battleford the role of the RCMP prior litigation over Indigenous underrepresentation on juries and the racially charged debate about defence of property and rural crime Drawing on both trial transcripts and research on miscarriages of justice Roach looks at jury selection the controversial hang fire defence how the credibility and beliefs of Indigenous witnesses were challenged on the stand and Gerald Stanley s implicit appeals to self defence and defence of property as well as the decision not to appeal the acquittal Concluding his study Roach asks whether Prime Minister Justin Trudeau s controversial call to do better is possible given similar cases since Stanley s the difficulty of reforming the jury or the RCMP and the combination of Indigenous underrepresentation on juries and overrepresentation among those victimized and accused of crimes Informed and timely Canadian Justice Indigenous Injustice is a searing account of one case that provides valuable insight into criminal justice racism and the treatment of Indigenous peoples in Canada
