Forthcoming Books Rose Army,2004 **Requiem for a Lost Empire** Andreï Makine,2011-11-07 In this remarkable novel which spans eighty years of the twentieth century Andre Makine describes beautifully but unsparingly the almost uninterrupted succession of violence misery and horror that has been visited on the Russian people since the October Revolution of 1917 For those quick to forget or too young to remember he paints a graphic portrait of those years in a three generational novel that is as moving as it is revealing A young Russian army doctor is sent to distant shores to bind the wounds of those in Africa the Near East and South America that are

pawns in the global political chess game during the Cold War Recruited by an intelligence agent he experiences the bloody reality of revolution on the ground The book casts its eye back toward his grandfather Nikolai a Red cavalry soldier fighting the Whites in 1920 and his father whose story of World War II is invoked with a passion and force that bear comparison to the best writing on the subject From the battlefields of the 1920s to the harsh African heat and dust of the desert in the 1980s from the orphanage where the narrator spent his youth to the art galleries and chic salons of the glittering new West Requiem for a Lost Empire has all the sweep and depth all the beauty and insight of the great Russian novels It is as the eminent French critic Edmonde Charles Roux noted an astonishing novel one that will surely stand the test of time

Hugh Holman,2008 The Immoderate Past deals with the southern writer s preoccupation with history concentrating on representative novelists from three major periods Finding the origins of this preoccupation in the antebellum period when most American novelists wrote in the mode of Sir Walter Scott C Hugh Holman examines the Revolutionary romances of William Gilmore Simms With the coming of realism to American fiction after the Civil War the southern writer turned to a combination of the realistic method with the novel of manners in order to describe the way of life in the South during the nineteenth century The Civil War replaced the American Revolution as the crucial event in the novels of this second period and was seen as disrupting the quality and texture of antebellum southern life To illustrate the southern novel in the realistic tradition Holman discusses Ellen Glasgow s *The Battleground* DuBose Heyward s *Peter Ashley* Stark Young s *So Red the Rose* Allen Tate s *The Fathers* Margaret Mitchell s *Gone with the Wind* and Margaret Walker s *Jubilee* Since the 1930s writers in the region have experimented with modernistic techniques distorting reality in order to make special statement about the nature and meaning of the southern experience To illustrate this latest development in southern writing Holman turns to William Faulkner s *Light in August* and Absalom Absalom Robert Penn Warren s *All the King s Men* World Enough and Time Brother to Dragons and Wilderness and William Styron s *Confessions of Nat Turner* The Immoderate Past closes with a consideration of the extent to which southern novelists have persisted in using

time as a major dimension in their fiction whereas time has tended to be displaced by space in the standard American novel

Crafting the Overseer's Image William E. Wiethoff, 2006 The first book length study of the overseer in four decades Wiethoff's study bridges historical legal and rhetorical scholarship to present a provocative investigation into the multifaceted roles of this oft forgotten figure in plantation society Wiethoff canvasses the period from 1650 through 1865 and across a southern expanse that stretches to include the Upper and Deep South Overseers left scant written evidence about their lives and times but Wiethoff unearths characterizations constructed by friends and enemies neighbors and strangers He also mines the legal record to gauge the impact of legislative and case law rhetoric on public memory
