Rereading Jane Austen:

Re-reading Jane Austen Meenakshi Mukherjee, Meenakshi, 1995 This book combines a feminist perspective with a non Western reading of Jane Austen The author considers how being a woman shaped Austen s literary attitudes and social thinking and brings to bear her own post colonial consciousness in understanding the economics geography and social conventions of Austen s world Analysis of the novels focuses on the way Jane Austen s treatment of interrelated issues such as marriage and professions space and enclosure art and life language and artifice provide the dynamics of narrative in her work On Rereading Patricia Meyer Spacks, 2013-11-18 After retiring from teaching literature Patricia Meyer Spacks embarked on a year long project of rereading dozens of novels childhood favorites young adult fiction canonical works she didn t like guilty pleasures On Rereading records the surprising fascinating results of her personal experiment and raises a number of intriguing questions

Jane Austen and Reflective Selfhood Linda Charlton, 2022-10-31 This book makes connections between selfhood reading practice and moral judgment which propose fresh insights into Austen s narrative style and offer new ways of reading her work It grounds her writing in the Enlightenment philosophy of selfhood exploring how Austen takes five major components of selfhood theory memory imagination probability sympathy and reflection and investigates their relation to self formation and moral judgement At the same time Austen s narrative style breaks new ground in the representation of consciousness and engages directly with contemporary concerns about reading practice Drawing analogies between reading text and reading character the book argues that Austen s rendering of reading and rereading as both reflective and constitutive acts demonstrates their capacity to enable self recognition and self formation It shows how Austen raises questions about the potential for different readings and in so doing challenges her readers to reflect on and reread their own interactions with her texts
