## **Rescue 911 Humorous Rescues:**

**Rescue 911** R. M. Ferrara,1995 Based on actual events from the Rescue 911 television show      **Rescue 911** Michael Morse,2017-10-10 First responders often don t tell stories preferring to keep what happens at work private Rescue Captain Michael Morse changes that with these heartfelt descriptions of hundreds of emergency calls with the usual coverings peeled back exposing the bizarre heartbreaking and often hilarious reactions to 911 emergencies      [Narrative Across Media](#)

Marie-Laure Ryan,James Ruppert,John W. Bernet,2004-01-01 Narratology has been conceived from its earliest days as a project that transcends disciplines and media The essays gathered here address the question of how narrative migrates mutates and creates meaning as it is expressed across various media Dividing the inquiry into five areas face to face narrative still pictures moving pictures music and digital media Narrative across Media investigates how the intrinsic properties of the supporting medium shape the form of narrative and affect the narrative experience Unlike other interdisciplinary approaches to narrative studies all of which have tended to concentrate on narrative across language supported fields this unique collection provides a much needed analysis of how narrative operates when expressed through visual gestural electronic and musical means In doing so the collection redefines the act of storytelling Although the fields of media and narrative studies have been invigorated by a variety of theoretical approaches this volume seeks to avoid a dominant theoretical bias by providing instead a collection of concrete studies that inspire a direct look at texts rather than relying on a particular theory of interpretation A contribution to both narrative and media studies Narrative across Media is the first attempt to bridge the two disciplines      [Colton 911: Cowboy's Rescue](#) Marie Ferrarella,2019-07-01 When a map leads a woman into disaster the only one who can rescue her is a sexy cowboy in this romantic suspense series opener When Magnolia Maggie Reeves receives a puzzling map from her former father in law she can t resist searching for clues even in a hurricane Fortunately search and rescue cowboy Jonah Colton is there to save the day But when the duo find a mummified body they re plunged straight into an abyss of danger And even as they stumble headlong into a dazzling attraction they re also fighting for their lives

Miller,2005-10-23 What do the

humanities have to offer in the twenty first century Are there compelling reasons to go on teaching the literate arts when the schools themselves have become battlefields Does it make sense to go on writing when the world itself is overrun with books

that no one reads In these simultaneously personal and erudite reflections on the future of higher education Richard E Miller moves from the headlines to the classroom focusing in on how teachers and students alike confront the existential challenge of making life meaningful In meditating on the violent events that now dominate our daily lives school shootings suicide bombings terrorist attacks contemporary warfare Miller prompts a reconsideration of the role that institutions of higher education play in shaping our daily experiences and asks us to reimagine the humanities as centrally important to the maintenance of a compassionate secular society By concentrating on those moments when individuals and institutions meet and violence results Writing at the End of the World provides the framework that students and teachers require to engage in the work of building a better future     *Rescue 911* Alison Hendrie,1993 Based on actual events from the Rescue 911 television show     **A Sail and Tale of an Emotional Rescue** Sam Phllis,2003-09-17 Up Coming Book events December 2sd Landing Jacksonville FL 904 353 1188 Bing Local Friday 10am to 2pm The Landings Downtown Jax December 3rd Pier 17 Marine Ships Locker Saturday 11am to 3pm Jacksonville FL December 10th Billy s Boat House Grill Sunday 12 to 4pm Jacksonville FL December 16th Whitey s Fish Camp Seafood Restaurant Friday 4 to 9pm Orange Park FL December 18th Caribbee Key Island Grill charts sailing directions lights list and alike but your work provides an informal commentary which complements our technical sources In addition many of our faculty staff and students are sailors themselves and greatly appreciate your narrative Helen D Albertson PH D at RSMAS Rosenstiel School of Marine and Atmospheric Science Library U of Miami The Cooperative Institute for Marine and Atmospheric studies The book is beautifully done and everyone seems to be enthused about the book at the signing event Charlotte M Hallmark Store A book to be enjoyed by readers interested in boating sailing adventure the outdoors travel and challenges of the wilderness or about life itself For readers who want to observe others as they overcome challenges and confrontations especially engaged in by the captain and crew The story also provides a guided ecological tour along coastal waterways and is uniquely crafted to interact with the reader s nautical knowledge level of experiences and personal opinions Written with an attempt to deliberately take some of the seriousness out of yachting as well as to include some nautical nonsense In addition several stories are left wide open consequently allowing readers to draw their own conclusions The central theme of this story is the tale of two separate but similar journeys aboard a 30 foot sailing sloop named Emotional Rescue Both journeys took place 13 months apart Heading south from Little River SC to Charleston and St Augustine Florida and then to Miami was the float plan and goal Most often Sam Phllis sailed solo and sometimes with a crew confronting and clashing with adversities associated with boating and yachting within unfamiliar waterways and during personal bad times and challenging the issues of life A Sail and Tale of an Emotional Rescue incorporates scenarios     **Plots Unlimited** Tom Sawyer,Arthur David Weingarten,1995 This is a veritable thesaurus of exciting plot twists and story moves that work for any composition of any genre     *Emergency ,1994     Magick & Mayhem* Sharon Pape,2017-05-02 Catching a killer is tricky business for the owner of an Upstate New York magick shop in
