Rescued Experiencing The Reality Of Gods Power:

Rescued LeRoy Lawson,2000-11 **The Passover Mystery** Gene Tempelmeyer,2022-05-05 The cross remains the most familiar symbol of Christianity and the church so common it is easy to forget it recalls one of the most vicious forms of execution devised Perhaps an electric chair at the peak of our steeples would say to us what the cross said to the first believers Why did Christ have to suffer in such a brutal death Did Jesus die on a cross because God is angry and violent or because we are angry and violent How does the cross create the possibility of a new kind of humanity ready for a new kind of world What does the cross have to say about racial economic gender and other human divisions How does the cross offer forgiveness and end our shame thereby freeing us from the wounds life has inflicted on us What lessons does the cross teach about sharing life in community with others Very early in Christian history the idea of The Pascal Mystery entered the liturgy and thought of the church Incorporating the life death resurrection and ascension of Christ into one broad act by which we are reconciled with God the Passover Pascha Mystery identifies the execution of Jesus with the Passover Lamb rather than the lamb sacrificed as a sin offering on the Day of Atonement The Passover Lamb represents the obedience to God which nourishes and sustains God s people on their journey to freedom and wholeness *Rescued!* Eva Gibson,2000-11

Experiences with Spiritual Reality John Jensen,2003-09 As we align our consciousness with God s action in us we place ourselves in reach of daily miracles In *Beginning Your Spiritual Journey* traditional spirituality from the science of the saints joins with advances in the understanding of consciousness from New Old Age religion and modern psychology Psychologist former Catholic priest and student of religions John Jensen explains how to approach the presence of God and change one s life to align with God s encompassing activity He asks readers to understand why they want to pursue a spiritual life and then to engage consciously in a learning process about the nature of God and Soul Grounding the process in direct experience offers a way to assess progress as it crosses slowly into the intangible The book addresses from many angles the common difficulty of discerning what s real and true and the importance of finding a personal spiritual guide to work with on the inner planes as well as outwardly It explains the critical role of spiritual exercises and the essential daily discipline of withdrawing consciousness away from all forms of negativity moral spiritual emotional and behavioral and redirecting it toward God

church father Basil of Caesarea once observed that in his time most Christians believed that hell was not everlasting and that all would eventually attain salvation But today this view is no longer prevalent within Christian communities In this momentous book David Bentley Hart makes the case that nearly two millennia of dogmatic tradition have misled readers on the crucial matter of universal salvation On the basis of the earliest Christian writings theological tradition scripture and logic Hart argues that if God is the good creator of all he is the savior of all without fail And if he is not the savior of all the Kingdom is only a dream and creation something considerably worse than a nightmare But it is not so There is no such thing as eternal damnation all will be saved With great rhetorical power wit and emotional range Hart offers a new perspective on one of Christianity's most important themes

[The Perception of Christianity as a Rational Religion in Singapore](#) Clive S. Chin, 2017-03-23 This book evaluates the common criticism that Christianity in Asia is westernized Since the 1980s Asian evangelical theologians and missiologists argue that the intrusion of Western theology is responsible for the Western and hence alien expressions of Christianity in Asia Yet in Singapore the number of Christians has increased over the last few decades Empirical evidence demonstrates that younger Chinese Singaporeans convert from Buddhism or Taoism to Christianity partly because they perceive it as a rational religion over Buddhism or Taoism which are viewed as irrational or superstitious Not only do many converts favor Christianity as a rational religion but they do not regard Christianity as a Western religion at the point of their conversion What accounts for those recent developments This study explores the processes of modernization and globalization as important factors impacting religious change in Singapore Personal contextual and structural elements actually influence one's religion of choice In facilitating effective mission one must qualify the use of the categories Asian and Western because religious and cultural boundaries overlap What matters most in missiology is discerning how the gospel of Jesus Christ engages the self understanding and lived realities of ethnic and religious others in diverse cultural settings

[Hellfire Rescue](#) Ronel Petit-Jeune, 2025-05-19 Ronel Petit Jeune shares his family's amazing victory after some of the most tragic and challenging life experiences a unit could ever face A native of Haiti the author's mother and his two oldest brothers moved to the United States of America Less than one year after author's mother relocated to the U S his father suddenly died in her arms His mother had a two month old baby at the time but she was determined to get a job in her new homeland while providing for the family members that were with her and those she left behind While her hard work through tragedy paid off it could not rescue the author from satanic possession The only power that could do that was the name of Jesus Christ Satan identified himself as Lucifer and the author was left to powerlessly observe the devil taunting those who loved him the most As people prayed on the author's behalf during a church service the spirit of the devil exploded with a repetitive threat screaming over and over I am Lucifer I am Lucifer the strongest Find out how the author's family and friends brought him back from the darkest depths and conquered evil in this inspiring memoir
