[An Introduction to Leisure Studies](#) Peter Bramham,Stephen Wagg,2014-10-27 There are textbooks galore but there aren t many crafted as intelligently as this one This book will change the way that students understand leisure It will give them an easier entry to that place where difficult ideas fuse into something intelligible where real understanding sits and the educated imagination is stirred Tony Blackshaw Sheffield Hallam University Peter Bramham and Stephen Wagg provide a foundation for those studying within the broad field of leisure studies The book gives students an accessible and engaging introduction to leisure studies and leisure research encouraging students to engage in reflexive analysis of their common sense understandings of everyday life and enabling them to develop an understanding of contemporary leisure studies and changing leisure practices

Research Methods for Leisure, Recreation and Tourism, 2nd Edition Ercan Sirakaya-Turk,Muzaffer Uysal,William E Hammitt,Jerry J Vaske,2017-04-13 Describing the fundamental elements of research methods for leisure recreation and tourism this new edition of a popular textbook is updated throughout It covers the measurement of variables sampling questionnaire design

and evaluation methods and also a wider discussion of writing proposals communicating research findings cross cultural research and the use of new technologies in conducting research Written by internationally renowned researchers in an accessible style this book introduces both undergraduate and graduate students to the vital skills they will need to succeed in the leisure recreation tourism and hospitality industries **Routledge Handbook of Leisure Studies** Tony

Blackshaw,2020-07-26 This landmark publication brings together some of the most perceptive commentators of the present moment to explore core ideas and cutting edge developments in the field of Leisure Studies It offers important new insights into the dynamics of the transformation of leisure in contemporary societies tracing the emergent issues at stake in the discipline and examining Leisure Studies fundamental connections with cognate disciplines such as Sociology Cultural Studies History Sport Studies and Tourism This book contains original work from key scholars across the globe including those working outside the Leisure Studies mainstream It showcases the state of the art of contemporary Leisure Studies covering key topics and key thinkers from the psychology of leisure to leisure policy from Bourdieu to Baudrillard and suggests that leisure in the 21st century should be understood as centring on a new Big Seven holidays drink drugs sex gambling TV and shopping No other book has gone as far in redefining the identity of the discipline of Leisure Studies or in suggesting how the substantive ideas of Leisure Studies need to be rethought The Routledge Handbook of Leisure Studies should therefore be the intellectual guide of first choice for all scholars academics researchers and students working in this subject area **The Psychology of Leisure** John Neulinger,1976 Studies in Outdoor Recreation Robert E.

Manning,1999 The first book to integrate the social science literature on outdoor recreation has been completely updated to reflect current research and new concerns The book is a standard text in courses and an invaluable reference for park and recreation managers **Handbook of Tourism and Quality-of-Life Research II** Muzaffer Uysal,M. Joseph

Sirgy,2023-09-23 The second volume of this handbook develops on and extends the discussion in the successful first volume published in 2012 This is a timely addition to the literature drawing on the momentum that quality of life QOL research in tourism has gained in the 21st century and on the boom in the tourism industry itself It focuses on four areas of growth in QOL research in the recent past 1 travelers tourists 2 host communities 3 service providers and 4 the role of technology The handbook helps management of tourism firms and policy makers develop specific policies and programs to ensure the most positive impact of tourism on tourists host communities and service providers The comprehensive coverage of topics in this handbook makes it a state of the art reference Academics interested in QOL research in travel and tourism tourism practitioners interested in applying the science of QOL in the tourism industry as well as policy makers involved in regulating the industry will view the handbook as indispensable source of recent research *The Psychology of Leisure* ,1974
