

African-centered Theory and Methodology in Africana Studies: An Introduction

by

Sekhmet Ra Em Kht Maat, Ph.D.
(Cher Love McAllister)
University of Nebraska at Omaha
cmcallister@unomaha.edu

&

Karanja Keita Carroll, Ph. D.
State University of New York at New Paltz
carrollk@newpaltz.edu

Sekhmet Ra Em Kht Maat (cmcallister@unomaha.edu) is currently an Assistant Professor of Black Studies at the University of Nebraska Omaha. Receiving a Ph.D. in African American Studies from Temple University, her major research areas include Asantean Afrocentric philosophy and African metaphysics as theory and research methodology for Africology.

Karanja Keita Carroll (carrollk@newpaltz.edu) is currently an Assistant Professor of Black Studies at the State University of New York at New Paltz. He holds an MA and PhD in African American Studies from Temple University. His teaching and research interests include: intellectual history within Africana Studies, the disciplinary structure of Africana Studies, the contributions of Cheikh Anta Diop to African-centered thought, African/Black Psychology, African-centered Social Theory and African-centered Theory & Methodology. His publications have appeared in the *Journal of Pan African Studies*, *Journal of the International Society of Teacher Education and Race, Gender & Class*. He is also Associate Editor of the *Journal of Pan African Studies*.

African-centered (and its variations as Africa-centered, Afrocentric, Africentric, Afrocentricity, Africentricity, and African-worklview) theory and methodology within the discipline of Africana studies is at a crossroads. Africana studies, in this special issue, is understood as the critical analysis of Africana life, history and culture from the perspective of Africana people, with the ultimate goal of changing the life chances of Africana people.¹ With

Research Methodology And African Studies

Dele Layiwola

Research Methodology And African Studies:

Research Methodology and African Studies Abdul Karim Bangura,1994 Research Methods in Africana Studies Serie McDougal (III),2014 This textbook is the first of its kind offering instruction on how to conduct culturally relevant critical research on Africana communities in the American context in addition to the African diaspora It contains a collection of the most widely used theories and paradigms designed for exploring explaining and advancing Africana communities through science **Research Methodology and African Studies** Abdul Karim Bangura,1994 To find more information on Rowman Littlefield titles please visit us at www.rowmanlittlefield.com **Journal of Research Methodology and African Studies** ,1997 **A Handbook of Methodology in African Studies** Dele Layiwola,1999 **A Handbook of Methodologies of African Studies** Udobata R. Onunwa,2010-06-27 **Indigenous Research Methodologies** Bagele Chilisa,2012 Following the increasing emphasis in the classroom and in the field to sensitize researchers and students to diverse epistemologies methods and methodologies especially those of women minority groups former colonized societies indigenous people historically oppressed communities and people with disabilities author Bagele Chilisa has written the first research methods textbook that situates research in a larger historical cultural and global context with case studies from around the globe to make very visible the specific methodologies that are commensurate with the transformative paradigm of research and the historical and cultural traditions of indigenous peoples Chapters cover the history of research methods colonial epistemologies research within postcolonial societies relational epistemologies emergent and indigenous methodologies Afrocentric research feminist research language frameworks interviewing and building partnerships between researchers and the researched The book comes replete with traditional textbook features such as key points exercises and suggested readings which makes it ideally suited for graduate courses in research methods especially in education health women s studies cultural studies sociology and related social sciences *African Studies: Breakthroughs in Research and Practice* Management Association, Information Resources,2020-04-03 Global interest in African studies has been rapidly growing as researchers realize the importance of understanding the impact African communities can have on the economy development education and more As the use acceptance and popularity of African knowledge increases it is crucial to explore how this community based knowledge provides deeper insights understanding and influence on such things as decision making and problem solving African Studies Breakthroughs in Research and Practice examines the politics culture language history socio economic development methodologies and contemporary experiences of African peoples from around the world Highlighting a range of topics such as indigenous knowledge developing countries and public administration this publication is an ideal reference source for sociologists policymakers anthropologists government officials economists instructors researchers academicians and graduate level students in a variety of fields **The Black Family and Society Jr.** Conyers,2017-09-08 This volume focuses on the black family in the United States and the social forces and issues that affect

it including education healthcare racism poverty and politics It examines the effects of these social forces on individuals as well as families Contributions are varied A Biscuit for a Letter examines education in the antebellum South Black Intellectuals on Trial and Africans Perspectives on Race in the US both analyse the role of race and racism in America Feminization of Poverty and the Black Family illustrates the double burden of race and gender borne by black women It s Gotta Be Some Drama analyses the televised depiction of black colleges and universities African centred Research Frameworks studies the importance of cultural awareness in academia Work to Be Done recounts the activism of black women in the Democratic Party This volume offers an interdisciplinary approach to study of the black family in the United States taking into account the forces of the larger society that influence it The Black Family and Society is the most recent volume in Transaction s Africana Studies series *Decolonizing African Studies* Toyin Falola,2022 Introduction The Decolonial Moments Epistemologies and Methodologies Decoloniality and Decolonizing Knowledge Eurocentrism and Intellectual Imperialism Epistemologies of Intellectual Liberation Decolonizing Knowledge in Africa Decolonizing Research Methodology Oral Tradition Cultural Analysis and Epistemic Value Agencies and Voices Voices of Decolonization Voices of Decoloniality Decoloniality A Critique Women s Voices on Decolonization Empowering Marginal Voices LGBTQ and African Studies Intellectual Spaces Decolonizing the African Academy Decolonizing Knowledge Through Language Decolonizing of African Literature Identity and the African Feminist Writers Decolonizing African Aesthetics Decolonizing African History Decolonizing Africa Religion Decolonizing African Philosophy African Futurism *The Bloomsbury Handbook of Caribbean and African Studies in Education* Sheron Fraser-Burgess,Joyanne De Four-Babb,Verna Knight,Oluseyi Matthew Odebiyi,Aleshia V. A. Allert,Ishola A. Salami,2024-09-19 This handbook covers the history policy practice and theories of African and Caribbean education and promotes the sustainability of socio cultural beliefs values knowledge and skills in the regions Africa and the Caribbean share commonalities of the geopolitical and historical dominance by European empires and colonialism and aftereffects of anti blackness in the global trade in enslaved persons Indigenous religious cultural and ethnic currents in Africa are echoed in the Caribbean along with a strong infusion of Asian and other ethnic influences The handbook shows how educators in both regions are grappling with Western education eclipsing indigenous epistemology and contributes to important debates and discourses including culturally relevant teaching decolonization critical race theory Africana studies Black emancipation the African diaspora Bi cultural experiences and the climate emergency It is organized into three sections covering past issues that frame education in Africa and the Caribbean the present challenges and opportunities of Education in the regions and future opportunities for education post 2020 *The Routledge Handbook of Research Methods in the Study of Indigenous Religions* Afe Adogame,Graham Harvey,2025-03-31 Exciting developments in research among with and by Indigenous scholars and communities are enriching a wide range of disciplines methodologies and trans disciplinary conversations This growing field offers important insights and provocations about methods and

approaches Key issues such as relationality decolonisation research ethics pedagogy and collaboration necessarily require improvements both in scholarly description and in scholarly practice Similarly critical themes for Indigenous people intersect strongly both with recent scholarly turns such as embodiment gender performance place ontology and materiality The Routledge Handbook of Research Methods in the Study of Indigenous Religions reflects on appropriate approaches and methods with over 28 chapters by a team of international contributors The Handbook is divided into three parts Core themes and critical issues in research and debate about Indigenous Religions Disciplines and methods focusing on ways in which researchers gain and share understanding about Indigenous religions Recent scholarship about broad regions of the world Within these sections central issues debates and problems are examined including cosmology diaspora bodies and materiality witchcraft and divination ritual studies ethnography and fieldwork heritage studies ecology feminist methodologies decolonial methods and Indigenist methods research ethics activism health and peoplehood kinship and relations The Routledge Handbook of Research Methods in the Study of Indigenous Religions is essential reading for students and researchers in religious studies and Indigenous studies and the handbook will also be very useful for those in related fields such as sociology anthropology history and politics

From Black Power to Black Studies Fabio Rojas, 2010-09 The black power movement helped redefine African Americans identity and establish a new racial consciousness in the 1960s Today there are more than a hundred black studies degree programs in the United States The author explores how this radical social movement evolved into a recognized academic discipline

Qualitative Methods in Africana Studies James L. Conyers Jr., 2016-07-20 This survey of methodology provides a framework for understanding Africana Studies Correlating this book to research and writing in Africana Studies helps to extend the perplexity paradox and parley of social science and humanistic research This book attempts to answer what is Africana Studies with reference to an interdisciplinary body of knowledge Africana Studies is the global Pan Africanist study of African phenomena interpreted from an Afrocentric perspective Among those scholars who contribute to this interdisciplinary body of knowledge perspective signals the commonality in the school of thought This book offers general definitions and descriptions of the qualitative and quantitative research

Resources in Education , 1976 The History of Black Studies Abdul Alkalimat, 2021-10-20 A surge of African American enrolment and student activism brought Black Studies to many US campuses in the 1960s Sixty years later Black Studies programmes are taught at more than 1 300 universities worldwide This book is the first history of how that happened Black Studies founder and movement veteran Abdul Alkalimat offers a comprehensive history of the discipline that will become a key reference for generations to come Structured in three broadly chronological sections Black Studies as intellectual history as social movement and as academic profession the book demonstrates how Black people themselves established the field long before its institutionalisation in university programmes At its heart Black Studies is profoundly political Black Power the New Communist Movement the Black women s and students movements each step in the journey

for Black liberation influenced and was influenced by this revolutionary discipline **Research Method in the Postmodern** James Scheurich, 2014-01-02 In recent years research in the social sciences has been dominated by the debate on the merits of qualitative method versus quantitative methodology Until recently the debate appeared to have been won by those promoting the qualitative approach but then postmodern theory appeared on the scene challenging all our preconceptions about research method This book goes one step further than those working at the philosophical level showing the implications of postmodernism for practice **Handbook of Black Studies** Molefi Kete Asante, Maulana Karenga, 2006 Publisher Description *Afrocentricity and the Academy* James L. Conyers, Jr., 2015-09-01 Afrocentricity is a philosophical and theoretical perspective that emphasizes the study of Africans as subjects not as objects and is opposed to perspectives that attempt to marginalize African thought and experience Afrocentricity became popular in the 1980s as scores of African American and African scholars adopted an Afrocentric orientation to information The editor of this collection argues that as scholars embark upon the 21st century they can no longer be myopic in their perceptions and analyses of race The seventeen essays examine a wide range of variations on the Afrocentric paradigm in the areas of history literature political science philosophy economics women s studies cultural studies ethnic studies and social policy The essays written by professors librarians students and others in higher education who have embraced the Afrocentric perspective are divided into four sections Pedagogy and Implementation Theoretical Assessment Critical Analysis and Pan Africanist Thought

Empowering Methodologies in Organisational and Social Research Emma Bell, Sunita Singh Sengupta, 2021-12-30 This book explores the meaning and practice of empowering methodologies in organisational and social research In a context of global academic precarity this volume explores why empowering research is urgently needed It discusses the situatedness of knowing and knowledge in the context of core periphery relations between the global North and South The book considers the sensory affective embodied practice of empowering research which involves listening seeing moving and feeling to facilitate a more diverse creative and crafty repertoire of research possibilities The essays in this volume examine crucial themes including How to decolonise management knowledge Using imaginative visual and sensory methods Memory and space in empowering research Empowerment and feminist methodologies The role of reflexivity in empowering research By bringing postcolonial perspectives from India the volume aims to revitalise management and organisation studies for global readers This book will be useful for scholars and researchers of management studies organisational behaviour research methodology development studies social sciences in general and gender studies and sociology

Research Methodology And African Studies Introduction

In the digital age, access to information has become easier than ever before. The ability to download Research Methodology And African Studies has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Research Methodology And African Studies has opened up a world of possibilities. Downloading Research Methodology And African Studies provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Research Methodology And African Studies has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Research Methodology And African Studies. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Research Methodology And African Studies. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Research Methodology And African Studies, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Research Methodology And African Studies has

transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Research Methodology And African Studies Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Research Methodology And African Studies is one of the best book in our library for free trial. We provide copy of Research Methodology And African Studies in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Research Methodology And African Studies. Where to download Research Methodology And African Studies online for free? Are you looking for Research Methodology And African Studies PDF? This is definitely going to save you time and cash in something you should think about.
