spirit actually guiding the happy couples to each other That is what Slaton does best He makes us think outside of the proverbial box He makes us think outside of the entire realm of our mundane realities To say the least Slaton s stories are thought provoking emotive and cathartic He writes what we are all afraid to think feel or heaven forbid say out loud So conjure up a cup of chamomile tea and a nice cozy spot on the rug and join us in a new realm Relax Don t be afraid This journey is a trip
