The author provides readers with a clear understanding of what makes up a ritual as well as detailed instruction on how to actually create rituals for personal growth. This book also gives readers a deeper awareness of the uses and applications of the art of rituals. *Rituals for Magic and Meaning* includes detailed information on holiday rituals, seasonal rituals, designing original rituals, rites of passage, and even life events such as birth, baby naming, healing circles before surgery, letting go, divorce, rituals, graduation, and weddings. *Rituals for Magic and Meaning* is an empowering and thought-provoking book that guides readers to the next level of their journey towards personal and spiritual growth. *Feng Shui Magic and Rituals for Love, Happiness and Success*, 2023-12-01. Prosperity magic can be generated with a gem tree. But what about magic that enables people to create a better life for themselves, a lifestyle of comfort, wealth, happiness, and good fortune by manipulating spatial and time energy patterns? Think of this magic as energy, life force, or chi that mutates and transforms, creating extraordinary changes both within individuals and in the environment around them. Imagine being able to capture, store, accumulate, and manipulate this chi into powerful, luminous energy that illuminates and improves every aspect of life. The magic that makes this happen, Feng Shui magic, is part of a wider system of Taoist practice, which I like to call the science of the sages. Whilst the philosophical underpinnings of the Tao can sometimes seem lofty or profound, the techniques of Feng Shui are very specific and easier to apply. *Psychic Living*, Andrei Ridgeway, 2003-01-01. Psychic potential is within everyone, but accessing it can take a lifetime. With Ridgeway's guide, based on the same methods he uses in his popular workshops, readers needn't wait that long. In no time at all, anyone can learn how to perform psychic readings for themselves and others, and tune in to amazing revelations about all aspects of their life. With easy-to-follow instructions, Ridgeway details the various methods of tapping into psychic potential, enabling those who are unable to visit this incomparable seer to learn how to find their soul's true path. *The Publishers' Trade List Annual*, 1981. **Subject Catalog** Library of Congress, 1976. *Rituals of white magic*, Lucia Pavesi, 2019-07-15. What are magic spells and enchantments really? What is the difference between white, black, and red magic? What are magical ceremonies for? What are the different ancient and modern practices, such as voodoo, shamanism, ancient Egyptian ceremonies, etc? In this book, the author explains with great clarity the characteristics of the main magical traditions and the theoretical principles related to them: the Kabbalah, alchemy, the Rosicrucian doctrine, etc. What preparation must a true magician have? In this book, you will find all the exercises to strengthen the power of mental concentration and help you face the first magical operations. How can pentacles and talismans be made that can bring fortune and protect against negative energies? In this book, you will find the necessary explanations about the magic symbols, the moment, the colours, and the most appropriate materials to reach the objective. *Sex Magic*, Laura Berman, 2025-06-24.
