Rivers Running Free Judith Niemi, Barbara Wieser, 1997 Collects journal entries stories and essays that record the adventures and camaraderie of women and their voyages through wilderness and urban wilds **Anderson's Travel Companion** Compiled by Sarah Anderson, 2016-12-05 A selection of the best in travel writing with both fiction and non fiction presented together this companion is for all those who like travelling like to think about travelling and who take an interest in their destination It covers guidebooks as well as books about food history art and architecture religion outdoor activities illustrated books autobiographies biographies and fiction and lists books both in and out of print Anderson's Travel Companion is arranged first by continent then alphabetically by country and then by subject cross referenced where necessary There is a separate section for guidebooks and comprehensive indexes Sarah Anderson founded the Travel Bookshop in 1979 and is also a journalist and writer on travel subjects She is known by well known travel writers such as Michael Palin and Colin Thubron Michael Palin chose her bookshop as his favourite shop and Colin Thubron and Geoffrey Moorhouse among others made suggestions for titles to include in the Travel Companion **Rivers Running Free** Judith Niemi, Barb Wieser, 1987 This collection of women's memoirs of canoeing experiences comes as a welcome alternative to the many outdoors books that seem geared to men Despite the differences in time and setting from 1905 to the 1980s from Mexico to the Hudson Bay many of the contributions share a common theme that of women shedding societal roles and surviving by their wits and strength Many of the accounts are compelling but some are couched in New Age jargon that blunts their impact I feel my center reach out to meet tap mingle with give to that water energy The editorializing could be more literate and the book's chummy tone seems more appropriate to a community newsletter Still this collection is sure to give much needed inspiration to readers who have felt that the wilderness couldn't be enjoyed by the weaker sex Pub desc
