The Road Not Taken Robert Frost,2010-06-04 A collection of Robert Frost s best poems including The Road Not Taken A Old Man s Winter Night A Girl s Garden Snow and Meeting and Passing Get lost in the world of Robert Frost with this collection of twenty eight poems

The Road Not Taken David Orr,2016-08-16 A cultural biography of Robert Frost s beloved poem arguably the most popular piece of American literature Two roads diverged in a yellow wood One hundred years after its first publication in August 1915 Robert Frost s poem The Road Not Taken is so ubiquitous that it s easy to forget that it is in fact a poem Yet poetry it is and Frost s immortal lines remain unbelievably popular And yet in spite of this devotion almost everyone gets the poem hopelessly wrong David Orr s The Road Not Taken dives directly into the controversy illuminating the poem s enduring greatness while revealing its mystifying contradictions Widely admired as the poetry columnist for the New York Times Book Review Orr is the perfect guide for lay readers and experts alike Orr offers a lively look at the poem s cultural influence its artistic complexity and its historical journey from the margins of the First World War all the way to its canonical place today as a true masterpiece of American literature The Road Not Taken seems straightforward a nameless traveler is faced with a choice two paths forward with only one to walk And everyone remembers the traveler taking the one less traveled by And

that has made all the difference But for a century readers and critics have fought bitterly over what the poem really says Is it a paean to triumphant self assertion where an individual boldly chooses to live outside conformity Or a biting commentary on human self deception where a person chooses between identical roads and yet later romanticizes the decision as life altering What Orr artfully reveals is that the poem speaks to both of these impulses and all the possibilities that lie between them The poem gives us a portrait of choice without making a decision itself And in this The Road Not Taken is distinctively American for the United States is the country of choice in all its ambiguous splendor Published for the poem s centennial along with a new Penguin Classics Deluxe Edition of Frost s poems edited and introduced by Orr himself The Road Not Taken is a treasure for all readers a triumph of artistic exploration and cultural investigation that sings with its own unforgettably poetic voice Praise for The Road Not Taken The most satisfying part of Orr s fresh appraisal of The Road Not Taken is the reappraisal it can inspire in longtime Frost readers whose readings have frozen solid The crossroads between the poet and the man is where Frost leaves his poems for us to discover turning what seems like a fork in the road into a site of limitless potential
