Road To Daybreak:

The Road to Daybreak Henri J. M. Nouwen, 2013-11-20 When Henri Nouwen left the world of academe and headed for the village of Trosly in France he sought a place that would lead him closer to the heart of God Arriving at L Arche community in Trosly he felt as if he had finally come home Indeed it was destined to change his life forever The Road to Daybreak is Henri Nouwen s intimate diary that records his poignant year at L Arche which began in the summer of 1985 a precious time of inner renewal and self discovery With simplicity and honesty he describes how the experience changed his attitudes and enriched his spiritual life Here Nouwen recounts the struggles and self doubts he faced along this rocky road to a new vocation as he introduces us to the people of L Arche and many others whose impact on him was deep and life lasting Such was the impact of this experience that he chose to say yes to the call to go to L Arche Daybreak Community in Toronto and make it his permanent home and ministry Rich in insights and sparkling with touching and inspiring anecdotes The Road to Daybreak invites the reader to join this renowned spiritual writer on his journey to a deeper understanding of God and the human family

Theology as Autobiography Colby Dickinson, 2020-03-17 Autobiographical writings on faith frequently come from the lives of ordinary persons whose struggles with faith are often lived at the margins of the church academy and society Yet these voices have the potential to reshape the ways in which each of these fields function To find out what it means to stand before God with all of one s humanity on display is to engage in not only the act of confession but to demonstrate a bold theological reflection that needs to be more explicitly understood By turning to spiritual autobiographies as theological source texts we learn to place our emphasis where it matters most on the people whose lives of faith move us deeply and cause us to re examine our own lives in light of their witness Moving through a range of ancient early modern and contemporary spiritual writers in order to demonstrate a profound connection that unites them all this book portrays how a critical self examination of one s most personal internal fractures our poverty as it were is the only way to develop a life of faith the dual meaning of the word confession which expresses both a revealing of one s sins or brokenness and the articulation of what one believes

Impressively Free Higgins, Michael W., Burns, Kevin, 2019 Explores the genesis and evolution of Nouwen s multi layered understanding of priestly ministry
