# THE ROAD PAST VIMY

THE CANADIAN CORPS 1914-1918

D. J. GOODSPEED

# Road Past Vimy

**Georges Vanier**

## **Road Past Vimy:**

**The Vimy Trap** Ian McKay, Jamie Swift, 2017-03-16 The story of the bloody 1917 Battle of Vimy Ridge is according to many of today's tellings a heroic founding moment for Canada. This noble birth of a nation narrative is regularly applied to the Great War in general. Yet this mythical tale is rather new. Vimyism today's official story of glorious martial patriotism contrasts sharply with the complex ways in which veterans, artists, clerics, and even politicians who had supported the war interpreted its meaning over the decades. Was the Great War a futile imperial debacle? A proud nation-building milestone? Contending Great War memories have helped to shape how later wars were imagined. The Vimy Trap provides a powerful probe of commemoration cultures. This subtle, fast-paced work of public history, combining scholarly insight with sharp-eyed journalism and based on primary sources and school textbooks, battlefield visits, and war art, explains both how and why peace and war remain contested terrain in ever-changing landscapes of Canadian memory. **It Can't Last Forever** David

Campbell, 2017-10-12 The 19th Battalion was an infantry unit that fought in many of the deadliest battles of the First World War. Hailing from Hamilton, Toronto, and other communities in southern Ontario and beyond, its members were ordinary men facing extraordinary challenges at the Somme, Vimy Ridge, Passchendaele, Amiens, and other battlefields on Europe's Western Front. Through his examination of official records and personal accounts, the author presents vivid descriptions and assessments of the rigours of training, the strains of trench warfare, the horrors of battle, and the camaraderie of life behind the front lines. From mobilization in 1914 to the return home in 1919, Campbell reveals the unique experiences of the battalion's officers and men and situates their service within the broader context of the battalion's parent formations, the 4th Infantry Brigade and the 2nd Division of the Canadian Corps. Readers will gain a fuller appreciation of the internal dynamics of an infantry battalion and how it functioned within the larger picture of Canadian operations. **The Road Past Monchy**

Terence Loveridge, 2024-03-05 Terence Loveridge offers a unique look at the land and air operations around the strategic village of Monchy-le-Preux at the center of the western front during World War I. The story of the Great War is usually one of condemnation or rehabilitation of strategists and consecration of the common soldier, while the story of those who planned, directed, and led operations on the ground has generally been overlooked. Loveridge uses experiences of junior leaders fighting around the key terrain of Monchy-le-Preux to challenge the currently accepted views and reveal that the Great War, despite subsequent impression, was a surprisingly dynamic effort conducted in an arena of constantly evolving practices, techniques, and technology. Less well-known than its contemporary campaigns at the Somme, Verdun, or Passchendaele, Monchy also carries less preconceived baggage and thus offers a prime opportunity to reevaluate the accepted wisdom of the events, personalities, and understandings of the Great War. The Road Past Monchy offers readers a unique chance to uncover the lost perspective of junior war leaders in a theater of war that saw almost continuous operations from 1914 through to 1918. **It Made You Think of Home** Bruce Cane, George Frederick Barnes, 2004-08-01 We took our positions five kneeling

and five standing we got the order to fire One blank and nine live rounds I did not have the blank That is the voice of Deward Barnes an unwilling but dutiful member of the firing squad that shot Harold Lodge one of 25 Canadians executed during the First World War In this diary we hear something that is otherwise gone forever the authentic voice of the First World War soldier Everyman in khaki Fully annotated so that everyone today can understand the nuance of each entry the Barnes diary takes us into the trenches and the firing lines of the Western Front like no other first hand Canadian account of that terrible war can Like any trained infantryman Deward could tell the kick of a live round from a blank one and that kick he bestows on us with each turn of the page      *Georges Vanier: Soldier* Georges Vanier, 2000-10-01 East Sandling Camp 1 June 1915

Captain Boyer and I are leaving for London to buy a motor car for the regiment We will be staying at the Savoy Flanders 27 October 1915 Diary entry 4 00 p m Returned to the trenches After two days of rain they are in a deplorable state There is mud up to our knees The parapets have collapsed in several spots The nights are frigid our feet are cold and we have not yet received our supplies of wood and charcoal In the field 1 August 1918 You will pardon the brevity and the looseness of this letter when you know under what conditions it has been written What you wish to know above all I can tell you at once I am well in fact I do not think I have ever been quite so well in body and in spirit I have been protected in a special manner during the last three days I have seen so many narrow escapes myself that I am beginning to think that one should not worry much about possible eventualities No 8 British Red Cross Hospital Boulogne 6 September 1918 By this time you will have received reassuring cablegrams and field postcards and possibly letters from friends of mine First to be quite frank I will admit that I have not been in fit condition to write a coherent letter      **The Torch We Throw: The Dundurn WWI**

**Historical Library** Brereton Greenhous, James McWilliams, R. James Steel, Kevin R. Shackleton, George H. Cassar, Bruce Cane, 2014-07-23 The giant conflagration of the First World War created the world we live in today and its history is replete with stirring battles mind boggling strategies and geopolitical manoeuvring However the real story was lived in the trenches of Europe and the lonely households of those left behind The stories of this period are full of tragedy anger and loss but also inspirational courage This special five book bundle presents some of these stories from brave Canadian contributions to the battlefields at Ypres and Amiens to the specific untold story of Canada's unheralded 58th Division to an analysis of the myth and legend of air ace Billy Bishop to the voice of one single soldier Deward Barnes told through his diary These books provide new and enlightening perspectives on the war Amiens Hell in Flanders Fields It Made you Think of Home The Making of Billy Bishop Second to None      **Canada's Navy, 2nd Edition** Marc Milner, 2010-01-01 A wide ranging look at the history of the Canadian Navy from its beginnings in 18th century exploration and trade to its astonishing expansion during the Second World War through to its current roles in operations with United Nations and NATO forces      **The Power of the Pen**

Richard Clippingdale, 2012-08-18 Sir John Willison 1856 1927 lived and worked after the development of fast trains and the telegraph mostly before the widespread use of the telephone and almost entirely before radio mattered in news As a

newspaperman though he was the most important Canadian journalist of his era      *Canada's Great War, 1914-1918* Brian Douglas Tennyson, 2014-11-25 Canada's Great War 1914-1918 How Canada Helped Save the British Empire and Became a North American Nation describes the major role that Canada played in helping the British Empire win the greatest war in history and somewhat surprisingly resulted in Canada's closer integration not with the British Empire but with its continental neighbor the United States When Britain declared war against Germany and Austria-Hungary in August 1914 Canada was automatically committed as well because of its status as a Dominion in the British Empire Despite not having a say in the matter most Canadians enthusiastically embraced the war effort in order to defend the Empire and its values In Canada's Great War 1914-1918 historian Brian Douglas Tennyson argues that Canada's participation in the war weakened its relationship with Britain by stimulating a greater sense of Canadian identity while at the same time bringing it much closer to the United States especially after the latter entered the war Their wartime cooperation strengthened their relationship which had been delicate and often strained in the nineteenth century This was reflected in the greater integration of their economies and the greater acceptance in Canada of American cultural products such as books magazines radio broadcasting and movies and was symbolized by the astonishing American response to the Halifax explosion in December 1917 By the end of the war Canadians were emerging as a North American people no longer fearing close ties to the United States even as they maintained their ties to the British Commonwealth Canada's Great War 1914-1918 will interest not only Canadians unaware of how greatly their nation's participation in the First World War reshaped its relationship with Britain and the United States but also Americans unacquainted with the magnitude of Canada's involvement in the war and how that contribution drew the two nations closer together      *Reluctant Warriors* Patrick M. Dennis, 2017-09-22 During the Hundred Days campaign of the First World War over 30 percent of conscripts who served in the Canadian Corps became casualties Yet they were generally considered slackers for not having volunteered to fight *Reluctant Warriors* is the first examination of the pivotal role played by Canadian conscripts in the final campaign of the Great War on the Western Front Challenging long standing myths about conscripts Patrick Dennis examines whether these men arrived at the right moment and in sufficient numbers to make any significant difference to the success of the Canadian Corps He examines the conscripts themselves their journey to war the battles in which they fought and their largely undocumented sacrifice and heroism *Reluctant Warriors* sheds new light on the success of the Military Service Act and provides fresh evidence that conscripts were good soldiers who fought valiantly and made a crucial contribution to the war effort      **British Generalship during the Great War** Simon Robbins, 2016-04-15 Following the career of one relatively unknown First World War general Lord Horne this book adds to the growing literature that challenges long held assumptions that the First World War was a senseless bloodbath conducted by unimaginative and incompetent generals Instead it demonstrates that men like Horne developed new tactics and techniques to deal with the novel problems of trench warfare and in so doing seeks to re-establish the image of

the British generals and explain the reasons for the failures of 1915-16 and the successes of 1917-18 and how this remarkable change in performance was achieved by a much maligned group of senior officers. Horne's important career and remarkable character sheds light not only on the major battles in which he was involved, the progress of the war, his relationships with his staff and other senior officers, the novel problems of trench warfare, the assimilation of new weapons, tactics and training methods and the difficulties posed by the German defences but also on the attitudes and professionalism of a senior British commander serving on the Western Front. Horne's career thus provides a vehicle for studying the performance of the British Army in the first quarter of the Twentieth Century. It also gives an important insight into the attitudes, ethos and professionalism of the officer corps which led that army to victory on the Western Front, exposing not only its flaws but also its many strengths. This study consequently provides a judgment not only on Horne as a personality, innovator and general of great importance but also on his contemporaries who served with the British Armies in South Africa and France during an era which saw a revolution in military affairs giving birth to a Modern Style of Warfare which still prevails to this day.

No Place to Run Tim Cook, 2011-11-01. Historians of the First World War have often dismissed the important role of poison gas in the battles of the Western Front. In *No Place to Run* however, Tim Cook shows that the serious threat of gas did not disappear with the introduction of gas masks. By 1918 gas shells were used by all armies to deluge the battlefield and those not instructed with a sound anti-gas doctrine left themselves exposed to this new chemical plague. Cook uses fascinating primary sources: diaries, letters, reminiscences, published memoirs and the official archival record to illustrate the horror of gas warfare for the average trench soldier. As the first chlorine clouds rolled across the fields during the 2nd Battle of Ypres, soldiers were forced to stuff urine-soaked handkerchiefs in their mouths in order to survive. As the gas war evolved, mustard gas plagued the soldiers at the front as it lay active in mud and snow for weeks on end. There was no escape from the pervasive nature of poison gas. Entering the dug-outs, it attacked men when they were least ready. In response, the Canadian Corps had to develop an anti-gas doctrine, a process that Cook describes in full. *No Place to Run* provides a challenging re-examination of the function of gas warfare in the First World War, including its important role in delivering victory in the campaign of 1918 and its curious postwar legacy. It will be of interest both to historians and military buffs.

*Almanac of World War I* David F. Burg, L. Edward Purcell, 2004-03-05. A detailed day-by-day account of the war's events, emphasizing the military dimensions but also touching on politics and diplomacy. *Choice*. *Almanac of World War I* provides reports of the action on all fronts and of the events surrounding the conflict from the guns of August 1914 to the November 1918 Armistice and its troubled aftermath. Daily entries, topical descriptions, biographical sketches, maps and illustrations combine to give a ready and succinct account of what was happening in each of the principal theaters of war. This definitive book on the Great War by David F. Burg and L. Edward Purcell, coauthors of *The World Almanac of the American Revolution*, captures the pathos and absurdity of the conflict in a way that few others have. *American Reference Books Annual*. Whereas

most accounts of World War I zero in on the muddy trenches of the Western front Burg and Purcell's work puts that theater in the context of the larger war Tallahassee Democrat There is really nothing comparable to this volume Booklist Almanacs represent the final book's needed to complete a collection regarding a particular period in history David Burg and L Edward Purcell's Almanac of World War I is such a book BookLovers A useful reference for the Great War Paper Wars This valuable reference book provides a day by day account of the First World War with each entry divided geographically Canadian Military History

**British Generalship on the Western Front 1914-1918** Simon Robbins, 2004-12-17 This book explores how British Army learnt from the pyrrhic victories of 1915-17 and developed the new tactics leadership and doctrine of combined arms to overcome the tactical stalemate hitherto bedeviling Allied offensives to defeat the **Sam Hughes** Ronald Haycock, 1986-10-26 This book is based on the public career of a highly controversial Canadian Sam Hughes 1885-1916 He is one of the most colourful even bizarre figures in Canadian history Though he died in 1921 his name can still conjure up controversy and not a little misunderstanding His long career in so many respects the quintessential story of a poor backwoods Ontario farm boy who made good by his own efforts continues to exert a fascination that few other Canadian political figures could duplicate Even though there has never been a major scholarly study of Sam Hughes historians and other writers have developed definite opinions about him and they are held nearly as vigorously as those of his contemporaries These vary from insisting that Hughes was mentally unbalanced to proclaiming him a genius Hughes defenders have rarely been professional historians Neither side have not produced an extensive or definitive literature on Hughes in proportion to other figures of a similar public stature Whatever side the studies have taken the assessments are still incomplete because they have not examined the entirety of Sam Hughes public life To a large extent these limitations have allowed the folk image of him to persist But Hughes had fibre and substance beyond this Since historical figures must be explained in terms of their environment this study tries to redress the previous imbalances by examining Hughes public career It is the only way his historical significance can be explained and reasonable judgments made

**Surviving Trench Warfare** Bill Rawling, 2015-01-15 The horrors of the First World War were the product of a new and unprecedented type of industrial warfare To survive and win demanded not just new technology but the techniques to use it effectively In Surviving Trench Warfare Bill Rawling takes a close look at how technology and tactics came together in the Canadian Corps Drawing on a wide range of sources from interviews to staff reports Rawling describes the range of new weapons that the Canadians adopted including tanks trench mortars and poison gas making it clear that the decisive factor in the war was not the new technology itself but how the Canadians responded to it Only through intensive training specialization and close coordination between infantry and artillery could the Canadians overcome the deadly trinity of machine guns barbed wire and artillery Surviving Trench Warfare offers a whole new understanding of the First World War replacing the image of a static trench war with one in which soldiers actively struggled for control over their weapons and their environment and achieved it

Released to coincide with the centenary of the First World War this edition includes a new introduction and afterword reflecting the latest scholarship on the conduct of the war *The Law of Maritime Blockade* Phillip Drew,2017-12-08 Although appearing to be a relatively benign method of warfare when viewed from a distance a close examination of maritime blockade unveils a sinister character that can in cases where countries are highly reliant on imports of foodstuffs to feed their populations prove incredibly deadly particularly for the young and elderly This book is unique in that it is the only contemporary book that is dedicated to the study of the law of maritime blockade in the context of modern humanitarian law Reviewing the development of blockade law over the past four centuries The Law of Maritime Blockade provides a historical analysis of the law as it emerged tracing its evolution through armed conflicts between 1684 and the present Referring to the starvation caused by the blockade of Germany during World War I and the humanitarian crisis caused by the sanctions regime against Iraq 1991 2003 this book demonstrates that blockade can have extremely deleterious effects for vulnerable civilian populations In this context the current law of blockade is examined and found to be deficient in terms of its protection for civilians Recognizing and advocating that blockade should remain as a valid and effective method of warfare the book offers a template for a modern law of maritime blockade that incorporates many of the traditional aspects of the law while reducing the possibilities that blockades can cause or exacerbate humanitarian disasters *Through German Eyes* Christopher Duffy,2020-03-05 The key battle of the First World War from the German point of view The Battle of the Somme has an enduring legacy the image established by Alan Clark of lions led by donkeys brave British soldiers sent to their deaths by incompetent generals However from the German point of view the battle was a disaster Their own casualties were horrendous The Germans did not hold the modern view that the British Army was useless As Christopher Duffy reveals they had great respect for the British forces and German reports shed a fascinating light on the volunteer army recruited by General Kitchener The German view of the British Army has never been made public until now Their typically diligent reports have lain undisturbed in obscure archives until unearthed by Christopher Duffy The picture that emerges is a far cry from Blackadder the Germans developed an increasing respect for the professionalism of the British Army And the fact that every British soldier taken prisoner still believed Britain would win the war gave German intelligence teams their first indication that their Empire would go down to defeat *The Embattled General* William F. Stewart,2015-10-30 A re evaluation of a controversial Canadian general that overturns much of what is known about him [Canada's Navy](#) Marc Milner,1999-01-01 A wide ranging look at the history of the Canadian Navy from its beginnings in 18th century exploration and trade to its astonishing expansion during the Second World War through to its current roles in operations with United Nations and NATO forces

## Road Past Vimy Book Review: Unveiling the Magic of Language

In an electronic digital era where connections and knowledge reign supreme, the enchanting power of language has become apparent than ever. Its power to stir emotions, provoke thought, and instigate transformation is actually remarkable. This extraordinary book, aptly titled "**Road Past Vimy**," written by a very acclaimed author, immerses readers in a captivating exploration of the significance of language and its profound effect on our existence. Throughout this critique, we shall delve into the book's central themes, evaluate its unique writing style, and assess its overall influence on its readership.

## Road Past Vimy Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Road Past Vimy PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to

become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Road Past Vimy PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Road Past Vimy free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

### **FAQs About Road Past Vimy Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Road Past Vimy is one of the best book in our library for free trial. We provide copy of Road Past Vimy in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Road Past Vimy. Where to download Road Past Vimy online for free? Are you looking for Road Past Vimy PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Road Past Vimy. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Road Past Vimy are for sale to free while some are payable. If you

arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Road Past Vimy. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Road Past Vimy To get started finding Road Past Vimy, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Road Past Vimy So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Road Past Vimy. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Road Past Vimy, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Road Past Vimy is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, Road Past Vimy is universally compatible with any devices to read.
