Anton Chekhov Ronald L. Johnson, 1993 Though long recognized as one of the founding fathers of the short story it is perhaps the combined longevity and scope of Anton Chekhov's influence that is most astounding The list of authors many of them contemporary who routinely cite Chekhov as a major influence in their own writing could almost read as a who's who in 20th century English and American literature Indeed the seemingly casual story of an ordinary life told with articulate delicacy and heightened mood and detail populates not only Chekhov's canon but also that of the modern short story His ability to provide for the reader a truly intimate feel for what is most telling a vista the weather a conversation has become the cornerstone of the form Prevalent in the works of Katherine Mansfield Ernest Hemingway Raymond Carver and Nadine Gordimer among others this distinctive style of writing is a testament to Chekhov's international influence As with all the greats of literature though it is more than just style and structure that lives on the motif of individual freedom so prevalent in Chekhov's writing is especially poignant today In Anton Chekhov A Study of the Short Fiction Ronald L. Johnson follows the Russian master as he matures from a newspaper and magazine writer to becoming the father of the modern short story In a chronological study of an astoundingly prolific career Johnson examines a number of Chekhov stories in great detail echoing the thorough attention to detail for which his subject was well known In this comprehensive study Johnson follows the development of what was to become the benchmark form of the short story while also tracing the vitality and importance of the content of those stories Johnson's study shows that Chekhov was more than just the father of a style but was profoundly concerned with human rights and the search for a meaningful life

Transnationalism in Practice Paul Giles, 2019-07-30 This volume brings together a collection of 14 essays in the fields of American studies literature and religion written between 1994 and 2009 by the UK's leading critic in this area There is also a new introduction

William Trevor Suzanne Morrow Paulson, 1993 Intensely poetic understated and ironic William Trevor's fiction contains the very hallmarks of the modern short story following a long tradition of Irish and British literature about the often painful and grueling route people travel in the simple effort to integrate themselves into society In his many poignant stories among them *Mulvihill's Memorial* *The Mark* *2 Wife* *The Day We Got Drunk on Cake* *Lovers of Their Time* and *The Ballroom of Romance* Trevor reveals his mastery of tragic comedy whereby human interaction at even the most parochial level lends to an understanding of the universal In this first book length study of Trevor's stories Suzanne Morrow Paulson provides a comprehensive overview of this Anglo Irish writer's craft examining his masterpieces of the form his proficiency with the comic as well as the tragic Trevor writes a personal sort of fiction Paulson observes rendering the grotesque aspects of human nature under stress yet he transcends the personal because his art encourages sympathy for even the most ridiculous figures Refuting critics who find his work dull and pessimistic Paulson finds that most of Trevor's stories convey a

genuine optimism and a love of people a love based on a profound understanding of suffering a sympathetic acceptance of human weakness and shrewd insights into social hierarchies Paulson finds Trevor at his best in stories that express his sympathy for women sensitive men and adolescents who suffer from destructive stereotypes of feminine and masculine behavior Paulson assigns the fiction discussed to four thematic groups stories that explore the psychology of coping or failing to cope with trauma stories about fathers and mothers who cannot understand themselves or their adolescent children stories depicting the suffering of adolescent girls spinsters wives and mothers as they conform to destructive stereotypes governing proper female behavior and stories concerned with materialistic values promoted by advertising and the mass media In Parts 2 and 3 of this clear concise introduction to the Trevor short fiction canon Paulson has compiled first Trevor s comments on his art his reader and his community including an original 1989 interview with the author and second a survey of responses to Trevor s work and a brief gathering of articles and reviews published in Ireland England France Canada and America

Rudyard Kipling Helen Pike Bauer,1994 This study of representative stories from the enormous body of short works by Rudyard Kipling reflects the recent revival of serious critical interest in the author perhaps best known for such children s stories as Rikki tikki tavi and How the Camel Got His Hump Helen Pike Bauer explores the full range of his short fiction from the coming of age tales of Mowgli the jungle boy to the tragicomedy of The Man Who Would Be King to the spirituality of They Earlier views of Kipling gave short shrift to the complexity and sophistication of his narrative technique and the profoundness of his thematic concerns Here Bauer both considers those

aspects of his work that have always been part of his appeal a vivid evocation of exotic setting a compelling treatment of men and women in crisis an understanding of the pains and pleasures of childhood and explores newly discovered areas of interest a complex narrative line an ironic and ambivalent tone and a poetic use of language Her analysis of the fiction in part 1 of this volume is organized around the abiding themes of the stories the terror of loneliness typified by the Britisher cast adrift on one of India's all but deserted outposts the value of engagement in work and community as an antidote to loneliness the ramifications of imperialism the fascination of the mythic and the fantastic the power of the imagination the allure of the supernatural An assessment of Kipling's artistry concludes Bauer's analysis with particular emphasis on an area skipped over by most critics to date his visual acuity Bauer cites his elaborate descriptions of visual details his ability to create meaning through visual impressions and his use of the visual in metaphor and symbol Parts 2 and 3 of the volume set off Bauer's commentary with selections from some of Kipling's reluctant remarks on his writing and from recent criticism Excerpted are Kipling's autobiography *Something of Myself* and two of his public addresses *Literature and Fiction* Critic John McClure explores Kipling's portrayal of the complex mental and moral position of British Empire builders in India and Clare Hanson assesses Kipling's place as a craftsman in the development of the short story The context of many Kipling stories the experience of the British during the colonization of India an effort Kipling saw as fundamentally good is one not easily embraced by the contemporary reader aware of the evils of Western hegemony But their subtext rich in the subtleties that make up the complex of human feeling and behavior strikes many responsive chords in the modern psyche Bauer's *Rudyard Kipling A Study of the Short Fiction* is a discerning broadly informed appreciation of a surprisingly modern writer from an increasingly distant and exotic time
