at its best inviting readers into the mind and heart of one of America's great leaders **ROBERT F. KENNEDY: PROMISES TO KEEP** ROBERT F. KENNEDY,1969 **Robert Francis Kennedy** Allen Roberts,1984 The author presents Robert Kennedy's life from the times of his youth to when a foreign gunman felled him and the subsequent investigation which remains incomplete *Robert Kennedy and His Times* Arthur Meier Schlesinger,1979 The story of the complex influential and compassionate Robert Kennedy American Legends Charles River Editors,2025-05-04 A lot of ink has been spilled covering the lives of history's most influential figures but how much of the forest is lost for the trees In Charles River Editors American Legends series readers can get caught up to speed on the lives of America's most important men and women in the time it takes to finish a commute while learning interesting facts long forgotten or never known In some ways Robert Francis Kennedy 1925-1968 is the forgotten Kennedy eclipsed in life while working in his brother John's administration eclipsed in death both by his older brother's assassination and his younger brother's long influential career in the Senate as a liberal lion And yet the politics of the 1960s and the ultimate legacy of the Kennedys including the Kennedy Curse would have been incomplete without Bobby's place in the narrative As Bobby's private life and public life played out the two came to mirror each other Among the Kennedy clan Bobby remained within the shadow of older brothers Joseph Jr and John both of whom their father thought were destined to become political scions And ultimately it was Ted who cast the longest political shadow serving for decades in government But Bobby may have been the most intellectual and ideological of them all And it was Bobby who worked behind the scenes to help advance John's political career including his political campaigns and as Attorney General in his administration Eventually with the deaths of his brothers Bobby rose to become the leader of the Kennedy family at the same time his political prominence rose Today unfortunately Bobby is best remembered for his assassination the way in which it helped perpetuate the Kennedy Curse and the fact that his political promise including potentially becoming president in 1968 was never fulfilled American Legends The Life of Robert F Kennedy looks at Bobby's place in the political and cultural narrative of the Kennedys and the 1960s but it also humanizes the middle brother who labored tirelessly for the good of his family the ideological advocate who took courageous stands and the man who juggled the demands of being a Kennedy with his own political ambitions Along with pictures of Bobby and other important people and events in his life you will learn about RFK like you never have before in no time at all **Robert F. Kennedy; the Myth and the Man** Victor Lasky,1968
