Robert Harley Puritan Politician:

Robert Harley, Puritan Politician Angus MacInnes, 1970 *Roger Morrice and the Puritan Whigs* Mark Goldie, 2016

Mark Goldie's authoritative and highly readable introduction to the political and religious landscape of Britain during the turbulent era of later Stuart rule. An exceptionally significant monograph and without doubt one of the most important to appear in the field of Restoration history in the last twenty years. Mark Goldie has done more than anyone else to illuminate the political and religious assumptions of late seventeenth century Englishmen. Dr Grant Tapsell, University of Oxford.

Roger Morrice and the Puritan Whigs explains a movement that illuminates the world of its emblematic representative and explores one of the most remarkable documents of the seventeenth century. Morrice's *Entring Book* was supremely well informed, passionately committed, and relentlessly opinionated. Chronicling the years 1677 to 1691, nearly a million words in length, it is the fullest surviving record of the tumultuous final years of the Stuart regime, from the Popish Plot and Exclusion Crisis to the Glorious Revolution. Morrice was a Puritan clergyman turned confidential reporter for leading Whig politicians, a barometer of opinion for whom reliable information was vital for public action. Just twenty years after Pepys's *Diary*, the *Entring Book* depicts a darker England gripped by a new crisis of popery and arbitrary government. Mark Goldie's deeply considered book examines the fortunes of Puritanism in the later Stuart age. It offers a story of disillusion and diminishing struggles for survival in the face of intolerance and of self-understanding among those who hoped to transform England through Godly rule. Yet the book also tells a countervailing story of revitalized and transformed Puritanism. Puritans worked through parliament, the royal court, and the households of gentry, merchants, lawyers, and clergy. Setting out to galvanize civil society, they mobilized public opinion, organized electorates, and deployed the arts of journalism, influence, and persuasion. This book has been adapted with a new substantial introduction and updated bibliography from the first volume of the *Entring Book* of Roger Morrice. Mark Goldie is Professor of Intellectual History at the University of Cambridge and a Fellow of Churchill College.

Corruption, Party, and Government in Britain, 1702-1713 Aaron Graham, 2015-05-28

Corruption, Party, and Government in Britain, 1702-1713 offers an innovative and original reinterpretation of state formation in eighteenth century Britain, reconceptualising it as a political and fundamentally partisan process. Focussing on the supply of funds to the army during the War of the Spanish Succession, 1702-13, it demonstrates that public officials faced multiple incompatible demands, but that political partisanship helped to prioritise them and to hammer out settlements that embodied a version of the national interest. These decisions were then transmitted to agents overseas through a mixture of personal incentives and partisan loyalties, which built trust and turned these informal networks into instruments of public policy. However, the process of building trust and supplying funds laid officials and agents open to accusations of embezzlement, fraud, and financial misappropriation. In particular, although successive financial officials ran entrepreneurial private financial ventures that enabled the army overseas to avoid dangerous financial shortfalls, they found it necessary to cover the costs and risks by

receiving illegal gratifications from the regiments Reconstructing these transactions in detail this book demonstrates that these corrupt payments advanced the public service and thus that corruption was as much a dispute over ends as means Ultimately this volume demonstrates that state formation in eighteenth century Britain was a contested process of interest aggregation in which common partisan aims helped to negotiate compromises between various irreconcilable public priorities and private interests within the frameworks provided by formal institutions and then collaboratively imposed through overlapping and intersecting networks of formal and informal agents

British Politics in the Age of Anne

Geoffrey Holmes,1987-07-01 British Politics in the Age of Anne is a book that anyone with an interest in the period will wish to possess completely authoritative yet as attractive to the student and the general reader as to the specialist The author has both revised the text and written a substantial new introduction to this edition Geoffrey Holmes reveals how little the structure and contents of politics under Queen Anne had in common with the connexion ridden scene of the mid 18th century as portrayed by Namier He depicts a period of fierce and genuine party conflict in which society at many levels was divided by great issues of principle and policy Through frequent and hotly contested elections and long parliamentary campaigns both Whigs and Tories enjoyed triumphs and suffered disasters And while struggling against one another each had to contend with internal factions and pressure groups the divisive thrust of personal ambitions and the hostility of the queen to single party rule British politics in the Age of Anne is more than a major work of analysis and a historiographical landmark By liberal use of quotation eye for detail sense of atmosphere and vivid character sketches of both leading and lesser personae Professor Holmes recreates the unique political life of the high Augustan age

Queen Anne Edward Gregg,2014-11-01

The reign of Queen Anne the last Stuart monarch was a period of significant progress for the country Britain became a major military power on land the union of England and Scotland created a united kingdom of Great Britain and the economic and political basis for the Golden Age of the eighteenth century was established However the queen herself has received little credit for these achievements and has long been pictured as a weak and ineffectual monarch dominated by her advisers This landmark biography of Queen Anne shatters that image and establishes her as a personality of integrity and invincible stubbornness the central figure of her age Praise for the earlier edition A thoughtful and authoritative study easily the best thing we have on the Queen Like Anne herself it is eminently worthy Angus McInnes History With the appearance of this volume a generation of revision in Queen Anne studies comes to fruition Henry Horowitz American Historical Review The best kind of biography scholarly but sympathetic as well as highly readable John Kenyon The Observer Bold startling imaginative and persuasive G C Gibbs London Review of Books

Handbook for History Teachers W. Burston dec'd,Cyril Green,E Nicholas,A Dickinson,D Thompson,2021-12-24 First published in 1972 Handbook for History Teachers is intended to be a general and comprehensive work of reference for teachers of history in primary and secondary schools of all kinds The book covers all aspects of teaching history among them are the use of sources world history art and history principles of

constructing a syllabus and the psychological aspects of history teaching The bibliographical sections are arranged on three parts school textbooks a section on audio visual aids and finally books for the teacher and possibly for the sixth form It thoroughly investigates and critiques the various methods employed in teaching history within classrooms and suggests alternatives wherever applicable Diligently curated by the Standing Sub Committee in History University of London Institute of Education the book still holds immense value in the understanding of pedagogy *William III, the Stadholder-King* Wout Troost, 2017-03-02 In Britain the name of William III is synonymous with sectarianism and Orangism Ever since he burst onto the English political landscape in 1688 to take the throne of his catholic uncle James II William has tended to be viewed within a largely domestic sphere Yet it has been acknowledged that William s main motivation in accepting the English crown was to aid the ongoing struggles of the United Provinces against the might of Louis XIV s France Whilst both the British and European aspects of William s activities have been studied before there has until now been no English language book that draws together both his Dutch and British concerns In this book made available in English for the first time Wout Troost exploits his detailed knowledge of Dutch English Scottish and Irish sources to paint a holistic and convincing political analysis of William s reign Beginning with a brief biography of William the real strength of this book lies in its analysis of the first part of William s reign before the events of 1688 It is this crucial period that has been most neglected by English speaking historians despite the fact that it is crucial to understanding the events that follow For without an appreciation of William s formative years as Stadholder and soldier his actions and decisions relating to the English crown cannot be properly construed Providing a truly balanced insight into the political career of William this book will be welcomed by all those with in interest in European history or who wish to better understand the political and religious geography of modern Britain The translation of this book was made possible by a generous subsidy from NWO the Nederlandse Organisatie voor Wetenschappelijk Onderzoek **The Radicalization of Cicero** Katherine A. East, 2017-06-28 This book uses a previously overlooked Neo Latin treatise Cicero Illustratus to provide insight into the status and function of the Ciceronian tradition at the beginning of the eighteenth century and consequently to more broadly illuminate the fate of that tradition in the early Enlightenment Cicero Illustratus itself is the first subject for inquiry mined for what its deliberately erudite and colorfully polemical passages of scholarly stratagems reveal about Ciceronian scholarship and the motives for exploring it within the context of early Enlightenment thought It also includes an analysis of the role played by the Ciceronian tradition in the broader political and radical movements that existed in the Enlightenment with particular attention paid to Cicero s unexpectedly prominent position in major political and philosophical Republican and Erastian works The subject of this book together with the conclusions reached will provide scholars and students with crucial new material relating to the classical tradition the history of scholarship and the intellectual history of the early Enlightenment **Jonathan Swift in the Company of Women** Louise Barnett, 2007 Building upon recent research on the history of women this book examines Swift

both as a man and writer in terms of women woman as intimates acquaintances subjects of satire and those who have written about him It also explores the subject of misogyny in Swift s writings The Age of Faction Alan Marshall,1999 Monarchical government in the later 17th century was a political fact of life and remains central to an understanding of the period The subject of this book is the court of the later Stuart kings in the period 1660 1702 Its purpose is to provide an introduction to some of the emergent themes of court politics culture and society Marshall achieves this by analyzing the ritual side of court government in its structural political and cultural guises **The Treasury 1660-1870** Henry Roseveare,2021-07-25 Originally published in 1973 this book provides an account of the Treasury s early evolution within a clearly defined period from its emergence as a department in the reign of Charles II to the point in 1870 when its powers and internal organization were comparatively mature By taking this broad span of two centuries it is possible to set the Treasury s development in perspective and concentrate on three main themes the foundation of its unchallenged authority in the late 17th Century the construction of a working relationship with Parliament and its internal development as an efficient professional organization The documents drawn from manuscript and at the time of original publication little known printed sources provide the first compact record of the landmarks in the Treasury s early history **Parliamentary Reform 1640-1832** John Cannon,1973-02-15 Institutions, Property Rights, and Economic Growth Sebastian Galiani,Itai Sened,2014-04-17 This volume showcases the impact of the work of Douglass North father of the field of new institutional economics **Alexander Pope** Netta Murray Goldsmith,2024-11-01 This title was first published in 2002 Making use of the growing body of research in recent years on the nature of creativity Netta Goldsmith here presents a new view of the famous poet whose personality has long frustrated scholars as elusive Goldsmith tells the story of Pope s life so as to show the factors personal and public psychological and social which shaped his character and enabled him to secure widespread recognition as a major poet Discussions of significant works are integrated into the narrative covering main events and key relationships as well as illustrating points made throughout about Pope s approach to his art Among other things this book shows how vulnerable Pope felt as a Papist in a time of endemic Jacobite activity and how his fear of possible prosecution for sedition determined much of his conduct and the way he shaped his career Alexander Pope The evolution of a poet not only provides a fresh perspective on Pope but also on the very nature of literary creativity **Gangraena and the Struggle for the English Revolution** Ann Hughes,2004-09-23 This is the first comprehensive study of Gangraena an intemperate anti sectarian polemic written by a London Presbyterian Thomas Edwards and published in three parts in 1646 These books which bitterly opposed any moves to religious toleration were the most notorious and widely debated texts in a Revolution in which print was crucial to political mobilization They have been equally important to later scholars who have continued the lively debate over the value of Gangraena as a source for the ideas and movements its author condemned This study includes a thorough assessment of the usefulness of Edwards s work as a historical source but goes beyond this to provide a wide ranging

discussion of the importance of Gangraena in its own right as a lively work of propaganda crucial to Presbyterian campaigning in the mid 1640s Contemporary and later readings of this complex text are traced through a variety of methods literary and historical with discussions of printed responses annotations and citation Hughes s work thus provides a vivid and convincing picture of revolutionary London and a reappraisal of the nature of 1640s Presbyterianism too often dismissed as conservative Drawing on the newer histories of the book and of reading Hughes explores the influence of Edwards s distasteful but compelling book

The Sinews of Power John Brewer,2002-09-11 First published in 1989 The book is a distinguished work of importance to students of governmental development generally It is written in a fluent non technical manner that should reach a wide audience American Historical Review

Great Britain Keith Robbins,2016-04-08 This is a timely exploration of national identity in Great Britain over nine hundred years of history Our attitudes to the nation state are changing national assemblies in Scotland and Wales and growing pressures for regional assemblies In his vigorous new survey Professor Robbins provides the background to these changing attitudes He considers the development as well as the possible disintegration of the sense of Britishness among the inhabitants of Britain and investigates how and why they have preserved their own national and regional identities across several centuries of co existence Keith Robbins is Vice Chancellor of the University of Wales Lampeter Among his many books Longman has also published his highly successful study *The Eclipse of a Great Power Modern Britain 1870 1992* Second Edition 1994 He is also General Editor of Longman s famous series of *Profiles in Power* with over 20 titles already in print and many more in preparation

William III and the Godly Revolution Tony Claydon,1996 This is the first extensive account of royal propaganda in England between 1689 and 1702 It demonstrates that the regime of William III did not rely upon legal or constitutional rhetoric as it attempted to legitimate itself after the Glorious Revolution but rather used a protestant providential and biblically based language of courtly reformation This language presented the king as a divinely protected godly magistrate who could both defend the true church against its popish enemies and restore the original piety and virtue of the elect English nation Concentrating upon a range of hitherto understudied sources especially sermons and public prayers the book demonstrates the vigour with which these ideas were broadcast by an imaginative group of propagandists enabling the king to cope with central political difficulties the need to attract support for wars with France and the need to work with Parliament

The House of Commons, 1690-1715 David Hayton,Eveline Cruickshanks,Stuart Handley,2002

The Anglo-Dutch Favourite David Onnekink,2016-03-16 Hans Willem Bentinck 1st Earl of Portland 1649 1709 was the closest confidant of William III and arguably the most important politician in Williamite Britain Beginning his career in 1664 as page to William of Orange his fortunes gained momentum with the Prince s rise to power in The Netherlands and Britain emerging as William s favourite at court from the 1670s onwards Taking a broadly chronological approach the central concern of this book is not simply to provide a biographical account of Portland s life but to explore wider political themes within a European context By analysing

Portland's role within William's government it shows how royal favourites could still wield considerable influence on European events and help shape royal policy particularly with regard to foreign policy By engaging with the question of why such a figure emerged this study helps illuminate the workings of William's government and the central role of his foreign entourage Drawing from archival material in England Scotland France and The Netherlands it ties the history of post Revolution Britain with political events in the Netherlands It also analyses Anglo Dutch political relations during the crucial period of the Nine Years War Britain's first major commitment to a continental war since the sixteenth century In so doing it connects Dutch and British historiography and significantly contributes to our understanding of British politics during the 1690s both domestically and within an international context

Embracing the Song of Term: An Mental Symphony within **Robert Harley Puritan Politician**

In a world consumed by screens and the ceaseless chatter of quick connection, the melodic splendor and emotional symphony created by the published word usually diminish in to the backdrop, eclipsed by the persistent noise and distractions that permeate our lives. But, situated within the pages of **Robert Harley Puritan Politician** a marvelous fictional prize overflowing with natural thoughts, lies an immersive symphony waiting to be embraced. Constructed by a masterful musician of language, this interesting masterpiece conducts visitors on a psychological trip, skillfully unraveling the concealed songs and profound affect resonating within each carefully crafted phrase. Within the depths with this emotional assessment, we can discover the book is main harmonies, analyze their enthralling publishing type, and surrender ourselves to the profound resonance that echoes in the depths of readers souls.

Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Robert Harley

Puritan Politician full book , it can give you a taste of the authors writing style.Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Robert Harley Puritan Politician eBooks, including some popular titles.

FAQs About Robert Harley Puritan Politician Books

What is a Robert Harley Puritan Politician PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Robert Harley Puritan Politician PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Robert Harley Puritan Politician PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Robert Harley Puritan Politician PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Robert Harley Puritan Politician PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
