**A History of Randolph County, West Virginia** A. S. Bosworth, 2009-06 John Prendergast's account of the Cromwellian settlement of Ireland contains the following specific genealogical information 1 certificates or letters of dispensation naming a number of the Irish exiles and their families 2 various account books arranged by barony identifying several hundred Adventurers and showing the location and value of the Irish land they were awarded and 3 a list of more than 1 350 Adventurers or their widows giving their occupations and subscriptions Pension Schemes and Pension Funds in the United Kingdom David Blake, 2003 Never has there been so much media interest in pensions as there is currently Never has the pensions world changed so rapidly as it has over the last few years we have seen the introduction of a new state supplementary pension scheme new stakeholder pensions and a flood of companies closing their final salary schemes and replacing them with defined contribution schemes Never have there been so many complaints about our pension system about the state pension falling behind earnings about the misselling of personal pensions about the perceived poor value of annuities and about high charges and poor investment performance This new edition of Pension Schemes and Pension Funds in the United Kingdom provides the latest information on all the key state and private pension schemes operating in the UK including the basic state pension minimum income guarantee and pension credit the state second pension company pension schemes and personal and stakeholder pension schemes It does this within the context of the long historical development of the UK pensions system since medieval times It also examines government pensions policy over the last twenty years in particular the reduction in state pensions and the transfer of the burden of pension provision to the funded private sector It also examines future trends and future concerns such as increasing longevity and the adequacy of savings for retirement when people are young and in work As most pension schemes are funded the author also examines the latest issues in pension funding such as the new accounting standard FRS17 active and passive fund management investment risk budgeting and management global investment performance standards short termism and the Myners review of institutional investment The book concludes with a proposal for the Ideal Pension Scheme **Fall** John Preston, 2021-02-09 Costa Prize Winner The best biography yet of notorious media mogul Robert Maxwell by turns engrossing amusing and appalling Sunday Times In February 1991 Robert Maxwell triumphantly sailed into New York Harbor on his yacht the Lady Ghislaine to buy the ailing Daily News Taxi drivers stopped their cabs to shake his hand children asked for his autograph and patrons of the hottest restaurant in Manhattan gave him a standing ovation while he dined Ten months later Maxwell disappeared off that same yacht in the middle of the night and was later found dead in the water As John Preston author of A Very English Scandal reveals in this biography Maxwell's death was as mysterious as his remarkable life A tightly paced addictive saga of ambition hubris narcissism greed power and intrigue this book recounts Maxwell's rise and fall and rise and fall again Preston moves backward and forward in time to examine the forces that shaped Maxwell from his Jewish childhood in occupied Eastern

**The Scottish Covenanter Genealogical Index - (1630-1712)** Isabelle McCall MacLean, 2007-02-22 This work evolved out of a love for my ancestors one being John Whitelaw the Covenanter Monkland Martyr who was executed for his religious beliefs in Edinburgh 1683 While searching for his records I came across reference to thousands of other Scottish Covenanters This Index lists those Covenanters found in some books written about the period between 1630 and 1712 There are many many more Covenanters whose names need to be added to this work and God willing I will do it The Covenanters were steadfast in their Presbyterian beliefs and refused to take an oath unto the King stating that he was the head of the church They believed that Christ was the Head of the Church and their loyalty to this belief allowed them to lay their lives down for it The Royalists and Dragoons who were seeking to bring them into obedience to the King relentlessly chased the Covenanters from glen to glen This disregard for their civil rights was brutally carried out basically in the Lowlands of Scotland Many of their records were destroyed along with their lives and their stories only live in family lore and books that were written about them I have extracted some of their names and created The Scottish Covenanter Genealogical Index which is by no means complete but is a work in progress
