

Russia The People And The Power

Robert G. Kaiser

Russia The People And The Power:

Russia Robert G. Kaiser,1977 **Power and Policy in Putin's Russia** Richard Sakwa,2013-09-13 The volume provides a retrospective analysis of Putin's eight years as president between 2000 and 2008. An international group of leading specialists examine Putin's leadership in an informed and balanced manner. The authors are drawn from Russia itself as well as from Europe, America and Australasia. Coverage includes general analysis of the Putin presidency, the ideology underlying the thinking of the regime, issues of institutional development including coverage of parties, parliament and elections, developments in the federal system, corruption and changes in the configuration of the elite. The impact of energy on changes in political economy provides the background to an assessment of Russia's re-emergence as a great power in international affairs, accompanied by analysis of the difficulties in Russia's relations with its former Soviet neighbours and the European Union. The authors examine the interaction between power and policy and draw some conclusions about the dynamics of Putin's system of government and thus of the fate of Russia. This book was published as a special issue of *Europe Asia Studies*.

Russia Robert G. Kaiser,1976 **Television and Presidential Power in Putin's Russia** Tina Burrett,2010-12-14 As a new president takes power in Russia, this book provides an analysis of the changing relationship between control of Russian television media and presidential power during the tenure of President Vladimir Putin. It argues that the conflicts within Russia's political and economic elites and President Putin's attempts to rebuild the Russian state after its fragmentation during the Yeltsin administration are the most significant causes of changes in Russian media. Tina Burrett demonstrates that President Putin sought to increase state control over television as part of a larger programme aimed at strengthening the power of the state and the position of the presidency at its apex and that such control over the media was instrumental to the success of the president's wider systemic changes that have redefined the Russian polity. The book also highlights the ways in which oligarchic media owners in Russia used television for their own political purposes and that media manipulation was not the exclusive preserve of the Kremlin but a common pattern of behaviour in elite struggles in the post-Soviet era. Basing its analysis predominately on interviews with key players in the Moscow media and political elites and on secondary sources drawn from the Russian and Western media, the book examines broad themes that have been the subject of constant media interest and have relevance beyond the confines of Russian politics.

Russia's People of Empire Stephen M. Norris, Willard Sunderland,2018-11-01 A fresh and lively approach to understanding how the various Russian empires have worked. *Slavic Review*. A fundamental dimension of the Russian historical experience has been the diversity of its people and cultures, religions and languages, landscapes and economies. For six centuries this diversity was contained within the sprawling territories of the Russian Empire and the Soviet Union and it persists today in the entwined states and societies of the former USSR. *Russia's People of Empire* explores this enduring multicultural world through life stories of 31 individuals, famous and obscure, high born and low men and women that illuminate the cross-cultural exchanges at work from the late

1500s to post Soviet Russia Working on the scale of a single life these microhistories shed new light on the multicultural character of the Russian Empire which both shaped individuals lives and in turn was shaped by them Students of Russian empire would be well served with this work given its snapshots of diverse imperial milieus and their attendant multicultural dialogues at the personal level Slavic and East European Journal This compilation gives readers a more in depth personal understanding of how the inescapable existence of diversity in Russia and the Soviet Union related to everyday life Highly recommended Choice [Russia and the Commonwealth of Independent States](#) Zbigniew K Brzezinski,2016-09-16 This work brings together major accords and protocols that form the institutional framework of the Commonwealth of Independent States CIS a selection of policy statements by the leaders of CIS countries a chronological record of political economic and military security developments and major crises in CIS hot spots and statistics and country profiles *Russia as a Great Power* Jakob Hedenskog,Vilhelm Konnander,Bertil Nygren,Ingmar Oldberg,Christer Pursiainen,2013-07-04 After a period of relative weakness and isolation during most of the 1990s Russia is again appearing as a major security player in world politics This book provides a comprehensive assessment of Russia s current security situation addressing such questions as What kind of player is Russia in the field of security What is the essence of its security policy What are the sources capabilities and priorities of its security policy What are the prospects for the future One important conclusion to emerge is that while Russian foreign policy under Putin has become more pragmatic and responsive to both problems and opportunities the growing lack of checks and balances in domestic politics makes political integration with the West difficult and gives the president great freedom in applying Russia s growing power abroad [Struggling Russia](#) Arkady Joseph Sack,1919 [The Unlimited Power of Russia](#) Merve Suna Özel Özcan,2025-07-30 The present book explores how Russia has pursued its aspiration to be recognized as a great power throughout its history and its actions to achieve this aim From the imperial period to the Soviet era Russia has consistently sought to uphold its reputation as a formidable player in the international system The Russian Federation strategically moves to maintain this great superpower status The book aims to analyze Russia s role in the international arena by examining key themes including its foreign policy identity the use of military power energy policies and relationships with the system These themes provide a comprehensive framework for understanding Russia s international role A comprehensive analysis of the historical and cynical context current policies and future strategies is essential for understanding the complexities surrounding Russia s emergence as a great power In this framework we can say that the Putin era has significantly facilitated Russia s pursuit of its strategic objectives This period has enabled the nation to reaffirm its status as a prominent player within the international arena **People's Power** Peter Roman,2019-07-11 The study on which this book is based began in 1986 with the fifth legislative session of the Cuban municipal assemblies The research on which the book is based was supported in part by grants from the City University of New York PSC CUNY Research Foundation **Parliamentary Power in Russia, 1994-2001** T. Troxel,2002-12-09 This

book is the first study of the power of the Russian Parliament in the policy process from 1994 2001 within the context of executive legislative relations It challenges the widely held view that between 1994 and 2001 Russia had a presidential system with a strong authoritarian leader who ruled by decree and a weak parliament which did not have much power

Russians Gregory Feifer,2014-02-18 From former NPR Moscow correspondent Gregory Feifer comes an incisive portrait that draws on vivid personal stories to portray the forces that have shaped the Russian character for centuries and continue to do so today Russians explores the seeming paradoxes of life in Russia by unraveling the nature of its people what is it in their history their desires and their conception of themselves that makes them baffling to the West Using the insights of his decade as a journalist in Russia Feifer corrects pervasive misconceptions by showing that much of what appears inexplicable about the country is logical when seen from the inside He gets to the heart of why the world s leading energy producer continues to exasperate many in the international community And he makes clear why President Vladimir Putin remains popular even as the gap widens between the super rich and the great majority of poor Traversing the world s largest country from the violent North Caucasus to Arctic Siberia Feifer conducted hundreds of intimate conversations about everything from sex and vodka to Russia s complex relationship with the world From fabulously wealthy oligarchs to the destitute elderly babushki who beg in Moscow s streets he tells the story of a society bursting with vitality under a leadership rooted in tradition and often on the edge of collapse despite its authoritarian power Feifer also draws on formative experiences in Russia s past and illustrative workings of its culture to shed much needed light on the purposely hidden functioning of its society before during and after communism Woven throughout is an intimate first person account of his family history from his Russian mother s coming of age among Moscow s bohemian artistic elite to his American father s harrowing vodka fueled run ins with the KGB What emerges is a rare portrait of a unique land of extremes whose forbidding geography merciless climate and crushing corruption has nevertheless produced some of the world s greatest art and some of its most remarkable scientific advances Russians is an expertly observed gripping profile of a people who will continue challenging the West for the foreseeable future

Federalism and Local Politics in Russia Cameron Ross,Adrian Campbell,2008-10-27 With articles by a high quality set of contributors including Richard Sakwa Darrell Slider and Vladimir Gel man this book explores the increasingly authoritarian character of Putin s rule especially in his second term since 2004

Presidential Power in Russia Eugene Huskey,2016-09-16 This is the first major assessment of the role of the presidency in Russia s difficult transition from communist rule Huskey analyzes the establishment and functioning of the Russian presidency as an institution and in relation to the other leading institutions of state the government parliament courts and regional authorities Although this is not a biography of the first president Boris Yeltsin his allies and his rivals loom large in the study of a critical phase in the creation of a new Russian political system

The Independent William Livingston,1907 *Protest in the Provinces* Allison D. Evans,2025-05-20 In the immediate aftermath of the Soviet Union s collapse Russia entered shock

therapy a series of neoliberal and seemingly democratizing reforms that sought to quickly undo the decades old communist planned economy fused Party State autocratic political system and highly centralized government Russians were indeed shocked by the resulting runaway inflation political chaos declining living standards rising unemployment and persistent wage arrears Protest in the Provinces examines the popular reactions to this dire economic decline which varied in scale intensity and aims across similar industrial company towns during the 1990s Analyzing local media archival documents and interviews Allison D Evans provides a detailed and comparative history of protests in three such cities Cherepovets dominated by the steel industry Komsomolsk na Amure by defense and Surgut by oil and gas In doing so she illuminates a range of strategies local elites used to control and respond to protesters which were influenced by the primary industry s level of dependence on the central state and the extent of elite unity Unique in its close range analysis of participation and protest in provincial cities this book reshapes understandings of Russia s transition to capitalism and provides insights into the activism that continues in provincial Russia today [Independent and Weekly Review](#) ,1905 [Checking Executive Power](#) Jody C. Baumgartner,Naoko Kada,2003-10-30 Baumgartner Kada and thier contributors examine presidential impeachment in such varied settings as the United States Russia Colombia Brazil Venezuela the Philippines and Madagascar In all of these countries there has been a serious impeachment attempt within the past decade or so The results of each impeachment attempt vary from unsuccessful attempts to those which were successful in the latter case some resulted in presidents remaining in office others in removal of the president and in one case the forced resignation of a president The common framework of each analysis includes a discussion of the historical and constitutional bases of the presidency the institutional balance of power provisions for impeachment and the structure of party politics in each country in addition the role that public opinion plays in the process is discussed While broad the framework permits comparison between the cases and some general conclusions about all phases of the impeachment process and executive accountability can be drawn One of the most important conclusions is that contrary to popular wisdom impeachment is most definitively not a strictly legal process but rather one that is highly political from start to finish As the volume makes clear it is most useful to view impeachment by way of examining the intersection of executive legislative relations partisan political conflict and public opinion **Russia After Lenin** Vladimir Brovkin,2005-08-04 Following the Russian Revolution the cultural and political landscape of Russia was strewn with contradictions The dictatorship censorship and repression of the Communist party existed alongside private enterprise the black market and open debates on Socialism In Russian Society and politics 1921 1929 Vladimir Brovkin offers a comprehensive cultural political economic and social history of developments in Russia in the 1920 s By examining the contrast between Bolshevik propaganda claims and social reality the author explains how Communist representations were variously received and resisted by workers peasants students women teachers and party officials He presents a picture of cultural diversity and rejection of Communist constraints through many means including

unauthorised protest religion jazz music and poetry In *Russian Society and Politics 1921-1929* Vladimir Brovkin argues that these trends if left unchecked endangered the Communist Party's monopoly on political power The Stalinist revolution can thus be seen as a pre-emptive strike against this independent and vibrant society as well as a product of Stalin's personality and communist ideology

Russian Politics Today Susanne A. Wengle, 2022-10-27 *Russian Politics Today Stability and Fragility* provides an accessible and nuanced introduction to contemporary Russian politics at a time of increasing uncertainty Using the theme of stability versus fragility as its overarching framework this innovative textbook explores the forces that shape Russia's politics economy and society The volume provides up to date coverage of core themes Russia's strong presidency its weak party system the role of civil society and its dependence on oil and gas revenues alongside path breaking chapters on the politics of race class gender sexuality and the environment An international and diverse team of experts presents the most comprehensive available account of the evolution of Russian politics in the post-Soviet era providing the tools for interpreting the past and the present while also offering a template for understanding future developments

Russia The People And The Power Introduction

Russia The People And The Power Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Russia The People And The Power Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Russia The People And The Power : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Russia The People And The Power : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Russia The People And The Power Offers a diverse range of free eBooks across various genres. Russia The People And The Power Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Russia The People And The Power Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Russia The People And The Power, especially related to Russia The People And The Power, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Russia The People And The Power, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Russia The People And The Power books or magazines might include. Look for these in online stores or libraries. Remember that while Russia The People And The Power, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Russia The People And The Power eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Russia The People And The Power full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of

Russia The People And The Power eBooks, including some popular titles.

FAQs About Russia The People And The Power Books

What is a Russia The People And The Power PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Russia The People And The Power PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Russia The People And The Power PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Russia The People And The Power PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Russia The People And The Power PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
