

Russia Today From Holy Russia To Perestr

Marlene Laruelle

Russia Today From Holy Russia To Perestr:

Russia Today Claude-Marie Vadrot,1990 A French photographer capture the essence of Russian life just before the fall of socialism **Between Heaven and Russia** Sarah Riccardi-Swartz,2022-04-05 How is religious conversion transforming American democracy In one corner of Appalachia a group of American citizens has embraced the Russian Orthodox Church and through it Putin s New Russia Historically a minority immigrant faith in the United States Russian Orthodoxy is attracting Americans who look to Russian religion and politics for answers to Western secularism and the loss of traditional family values in the face of accelerating progressivism This ethnography highlights an intentional community of converts who are exemplary of much broader networks of Russian Orthodox converts in the United States These converts sought and found a conservatism more authentic than Christian American Republicanism and a nationalism unburdened by the broken promises of American exceptionalism Ultimately both converts and the Church that welcomes them deploy the subversive act of adopting the ideals and faith of a foreign power for larger transnational political ends Offering insights into this rarely considered religious world including its far right political roots that nourish the embrace of Putin s Russia this ethnography shows how religious conversion is tied to larger issues of social politics allegiance anti democracy and citizenship These conversions offer us a window onto both global politics and foreign affairs while also allowing us to see how particular U S communities are grappling with social transformations in the twenty first century With broad implications for our understanding of both conservative Christianity and right wing politics as well as contemporary Russian American relations this book provides insight in the growing constellations of far right conservatism While Russian Orthodox converts are more likely to form the moral minority rather than the moral majority they are an important gauge for understanding the powerful philosophical shifts occurring in the current political climate in the United States and what they might mean for the future of American values ideals and democracy The Perestroika Effect Cecilia Tanner,Tom Mavrovich,2015-11-10 In this novel Sergey Colonel Brushev and his fellow agent Yuri are dispatched to investigate a report of sabotage at a nuclear plant in Northern Siberia The story takes place late in 1992 when Russia was in disarray with the cultural political and personal upheavals after Glasnost and Perestroika Even remote Siberia is affected by the rumbling disorder Sergey and Yuri meet the forces of evil their fellow persons **The Russian Question** Wayne Allensworth,1998 Who are we is a question that has haunted Russians for centuries The crisis of identity that underlies Russia s efforts to answer that question and the country s attempts to grapple with modernity_the invention of an alien civilization_is explored in this timely book Russia s response to the universal challenge posed by modernization s erosion of community has been to fall back on that most enduring bond of human association_the kinship tie_as Allensworth here defines as nationalism The author draws on rare Russian sources to explore the various ways nationalists have responded to modernization and to chart a likely course for Russia s future development From National Bolshevism to Christian nationalism from Zhirinovskiy to

Solzhenitsyn this study ties the ideas and ideologies of nationalism to the question that produced them and cements their connection to the crisis of modernity **Booklist's Guide to the Year's Best Books** Bill Ott,1992 Perestroika In The

Soviet Republics Charles F Furtado,Andrea Chandler,2019-06-04 The political and economic changes that occurred in the Soviet Union in the six and one half years of Mikhail Gorbachev s tenure as General Secretary were breathtaking in their scope and rapidity going far beyond most observeiS expectation Certainly the process of refonn which we call perestroial transfonned the ossified one party socialist state that had prevailed underGorbachev s predecessors The reasons for embarking on such a coume of reform were varied eamomic aism and a decline in the Soviet state s ability to provide social welfare services for its citizens an increasingly apathetic population and a tense international environment all of these factoiS convinced the Soviet leadeiShip of the necessity of drastic change The policies of Gorbachev set refonn in motion freeing public expression gllsnost encouraging economic decentralization and private initiative and creating a more cooperative relationship with the West **A Sacred Space Is Never Empty** Victoria Smolkin,2018-05-22 When the

Bolsheviks set out to build a new world in the wake of the Russian Revolution they expected religion to die off Soviet power used a variety of tools from education to propaganda to terror to turn its vision of a Communist world without religion into reality Yet even with its monopoly on ideology and power the Soviet Communist Party never succeeded in overcoming religion and creating an atheist society A Sacred Space Is Never Empty presents the first history of Soviet atheism from the 1917 revolution to the dissolution of the Soviet Union in 1991 Drawing on a wealth of archival material and in depth interviews with those who were on the front lines of Communist ideological campaigns Victoria Smolkin argues that to understand the Soviet experiment we must make sense of Soviet atheism Smolkin shows how atheism was reimagined as an alternative cosmology with its own set of positive beliefs practices and spiritual commitments Through its engagements with religion the Soviet leadership realized that removing religion from the sacred spaces of Soviet life was not enough Then in the final years of the Soviet experiment Mikhail Gorbachev in a stunning and unexpected reversal abandoned atheism and reintroduced religion into Soviet public life A Sacred Space Is Never Empty explores the meaning of atheism for religious life for Communist ideology and for Soviet politics Christianity And Russian Culture In Soviet Society Nicolai N.

Petro,2019-04-11 This book is the product of a three day conference at the Monterey Institute of International Studies It focuses on the tension between the expression of Christian beliefs and the legal restrictions imposed on professions of faith and the importance of Christian culture to perestroika **Russia's Uncommon Prophet** Wallace L. Daniel,2016-04-20 This

lucidly written biography of Aleksandr Men examines the familial and social context from which Men developed as a Russian Orthodox priest Wallace Daniel presents a different picture of Russia and the Orthodox Church than the stereotypes found in much of the popular literature Men offered an alternative to the prescribed ways of thinking imposed by the state and the church Growing up during the darkest most oppressive years in the history of the former Soviet Union he became a parish

priest who eschewed fear who followed Christ's command to love thy neighbor as thyself and who attracted large diverse groups of people in Russian society How he accomplished those tasks and with what ultimate results are the main themes of this story Conflict and controversy marked every stage of Men's priesthood His parish in the vicinity of Moscow attracted the attention of the KGB especially as it became a haven for members of the intelligentsia He endured repeated attacks from ultraconservative anti Semitic circles inside the Orthodox Church Fr Men represented the spiritual vision of an open non authoritarian Christianity and his lectures were extremely popular He was murdered on September 9 1990 For years his work was unavailable in most church bookstores in Russia and his teachings were excoriated by some both within and outside the church But his books continue to offer hope to many throughout the world they have sold millions of copies and are testimony to his continuing relevance and enduring significance This important biography will appeal to scholars and general readers interested in religion politics and global affairs

Russia's Foreign Policy Andrei P.

Tsygankov, 2025-06-26 This clear and comprehensive text explores the past thirty years of Soviet Russian international relations comparing foreign policy formation under Gorbachev Yeltsin Medvedev and Putin Challenging conventional views of Moscow's foreign policy Andrei Tsygankov shows that definitions of national interest depend on visions of national identity and is rooted both in history and domestic politics Yet the author also highlights the role of the external environment in affecting the balance of power among competing domestic groups Drawing on both Russian and Western sources Tsygankov shows how Moscow's policies have shifted under different leaders visions of Russia's national interests He gives an overview of the ideas and pressures that motivated Russian foreign policy in six different periods the Gorbachev era of the late 1980s the liberal Westernizers era under Kozyrev in the early 1990s the relatively hardline statist policy under Primakov the more pragmatic course of limited cooperation under Putin and then Medvedev and the assertive policy Putin has implemented since his return to power most importantly in his invasion of Ukraine which began in 2022

Resurrection David

Remnick, 1998-05-26 Pulitzer Prize winning author David Remnick chronicles the new Russia that emerged from the ash heap of the Soviet Union From the siege of Parliament to the farcically tilted elections of 1996 from the rubble of Grozny to the grandiose wealth and naked corruption of today's Moscow Remnick chronicles a society so racked by change that its citizens must daily ask themselves who they are where they belong and what they believe in Remnick composes this panorama out of dozens of finely realized individual portraits Here is Mikhail Gorbachev his head still swimming from his plunge from reverence to ridicule Here is Vladimir Zhirinovsky the half Jewish anti Semite who conducts politics as loony performance art And here is Boris Yeltsin the tottering populist who is not above stealing elections In *Resurrection* they become the players in a drama so vast and moving that it deserves comparison with the best reportage of George Orwell and Michael Herr This is what happens when a good writer unleashes eye and ear on a story that moves with the speed of light *Resurrection* has the feel of describing vast historical change even as it is happening Chicago Tribune

Russia's Muslim Frontiers Dale F.

Eickelman,1993-10-22 Readers will find fresh and thought provoking studies the differing approaches of the U S and the former Soviet Union to Middle East policy Central Asia and South Asia provide grounds for self criticism and the exploration of new directions John L Esposito recommended highly for its expert analyses of political Islam Journal of Third World Studies Russian Central Asian and American scholars appraise recent political and religious developments among Russia s Muslim neighbors Atheist Secularism and its Discontents T. Ngo,J. Quijada,2015-07-14 Atheist Secularism and Its Discontents takes a comparative approach to understanding religion under communism arguing that communism was integral to the global experience of secularism Bringing together leading researchers whose work spans the Eurasian continent it shows that appropriating religion was central to Communist political practices **Russia's Chechen War** Tracey C. German,2003-12-08 Widespread media interest into the Chechen conflict reflects an ongoing concern about the evolution of federal Russia Why did the Russian leadership initiate military action against Chechnya in December 1994 but against no other constituent part of the Federation This study demonstrates that the Russian invasion represented the culmination of a crisis that was perceived to have become an increasing threat not only to the stability of the North Caucasus region but also to the very foundations of Russian security It looks closely at the Russian Federation in transition following the collapse of the communist Soviet Union and the implications of the 1991 Chechen Declaration of Independence in the context of Russia s democratisation project **Ideology and Meaning-Making under the Putin Regime** Marlene Laruelle,2025-01-14 Much has been written to try to understand the ideological characteristics of the current Russian government as well as what is happening inside the mind of Vladimir Putin Refusing pundits clichés that depict the Russian regime as either a cynical kleptocracy or the product of Putin s grand Machiavellian designs Ideology and Meaning Making under the Putin Regime offers a critical genealogy of ideology in Russia today Marlene Laruelle provides an innovative multi method analysis of the Russian regime s ideological production process and the ways it is operationalized in both domestic and foreign policies Ideology and Meaning Making under the Putin Regime reclaims the study of ideology as an unavoidable component of the tools we use to render the world intelligible and represents a significant contribution to the scholarly debate on the interaction between ideas and policy decisions By placing the current Russian regime into a broader context of different strains of strategic culture ideological interest groups and intellectual history this book gives readers key insights into how the Russo Ukrainian War became possible and the role ideology played in enabling it **Russia's Fate Through Russian Eyes** Heyward Isham,2019-06-21 The young Russian men and women who record in these pages the hopes fears triumphs and tragedies their country has undergone in recent years altering their own lives profoundly in the process all come from the first post Soviet generation to achieve positions of leadership in Russia They report on five challenges central to Russia s survival and stabilization reshaping the state coping with new economic rules striving toward the rule of law building a civil society and preserving the national culture and educational capacity They love their country while

understanding all too well the crippling psychological legacy of seventy years of a dictatorship that was both cunning and cruel in dispensing a plausible utopian myth and exacting extraordinary sacrifices in the name of that myth They understand the acute sense of disorientation that overcame all generations when the USSR abruptly dissolved in 1991 and the Communist Party simultaneously lost much if not all of its power As several of our authors recall it was like waking up one morning and finding yourself a citizen of an entirely different country meanwhile discovering that your parents were not your real parents and that you had acquired a brand new surname

The Roots of Perestroika Sidney Ploss,2014-01-10 With new information from Russian archives this work examines the historical roots of Gorbachev s perestroika and the reforms that would eventually lead to the dissolution of the Soviet Union The controversies among Soviet leaders from Lenin to Gorbachev over party role economic management resource allocation ethnic policies legality and foreign relations are discussed An appendix reads between the lines in historic Soviet texts and a helpful list of Soviet leaders with brief identifications is included Instructors considering this book for use in a course may request an examination copy here

Tsars, Soviets, Putin Wojciech Materski,2025-04-21 Wojciech Materski s book *From the Tsars to The Tsar* gives a synopsis of the politics of memory practiced by Russia from the sixteenth to the twenty first century He shows how irrespectively of the period in its history Russia s politics of memory have always been used as a tool to integrate the country s inhabitants reinforce the cult of their leader cultivate the social attitudes and stereotypes its rulers wanted the people to embrace and relativize their mistakes and crimes The broad perspective Materski adopts provides a very substantial supplement to earlier work on the subject or in fact takes the time range he considers much further offering the latest highly original and thoroughly researched synthesis of Russia s politics of memory from the sixteenth to the twenty first century These qualities alongside the current geopolitical situation overshadowed by Russia s invasion of Ukraine make Wojciech Materski s book an attractive offer not only for historians political scientists sociologists and specialists in international relations but also for students and non specialists looking for information on Russia s history and foreign policy

Perestroika of the Russian Soul Lynn R. Eliason,1991 *The Tragedy of Russia's Reforms* Peter Reddaway,Dmitri Glinski,2001 Examines the collapse of the Soviet Union in 1991 and the birth of the Russian state focusing on Yeltsin s disastrous policies which brought on an economic collapse almost twice as severe as America s Great Depression

Russia Today From Holy Russia To Perestr Book Review: Unveiling the Power of Words
