become such an attractive figure to millions of people That is the question at the core of Hitler s Charisma Acclaimed historian and documentary filmmaker Laurence Rees examines the nature of Hitler s appeal and reveals the role his supposed charisma played in his success Here is a fascinating social psychological and historical investigation into the formation of a personality whose determination and vision would at the outset convince a small group of like minded political and social outcasts but would eventually win over an entire nation and plunge the rest of the world into a cataclysm unlike any that had ever been seen before Hitler s Charisma is a natural culmination of twenty years of writing and research on the Third Reich and a remarkable examination of the man and the mind at the heart of it all With 16 pages of black and white illustrations Atlas of World War II Stephen G. Hitler's Warrior Danny S. Parker, 2025-05-01 Handsome intelligent impetuous and dedicated to the Nazi cause SS Colonel Jochen Peiper 1915 1976 was one of the most controversial figures of World War II After volunteering for the Waffen SS at an early age Peiper quickly rose to prominence as Heinrich Himmler's ever present personal adjutant in the early years of the war Sent later to the fighting front with the fearsome 1st SS Panzer Division Peiper became a legend for his flamboyant and brutal style of warfare As one of Hitler's favorites he was chosen to spearhead the Ardennes Offensive later known as the Battle of the Bulge After the war Peiper became the central subject in the bitterly disputed Malm dy war crimes trial Convicted but later released he moved to eastern France There he and his past were discovered and he died in a fiery gun battle by killers unknown even today In *Hitler's Warrior* historian Danny Parker describes Peiper both on and off the battlefield and explores his complex personality The rich narrative is supported by years of research that has uncovered previously unpublished archival material and is enhanced with information drawn from extensive interviews with Peiper's contemporaries including German veterans This major new historical work is both a definitive biography of Hitler's most enigmatic warrior and a unique study of the morally inverted world of the Third Reich [The Architect of Genocide:](#)

[Himmler and the Final Solution](#) Richard Breitman, 2022-09-05 A historian's carefully researched work based on a vast array of sources documenting Hitler's and Himmler's responsibility for the murder of European Jewry The book details the planning and the improvisations but emphasizes the former and Himmler's fanatical hatred of the Jewish race as the determinative cause of the Holocaust Dealing with a charged controversy Breitman makes a powerful case that by March 1941 the Final Solution was just a matter of time and timing i e that the Holocaust was not a reflex of Hitler's fear that the war in Russia could not be won Breitman argues that the Wannsee Conference merely ratified the plans and instructed other agencies to cooperate Breitman records the instances of resistance or opposition but notes that of course the cooperation of thousands many still alive and never tried and the complicity or silence of millions were needed to carry out the murder the book concludes that Himmler's brutality was more learned than instinctive or emotional a methodical murderer impelled by racist dogma Foreign Affairs Breitman's book is decisively important It should serve for years to come as required reading for all who wish to make sense of the Holocaust Daniel Jonah Goldhagen The New Republic Looking nothing like the Nordic ideal he advocated Heinrich Himmler chief of the Nazi SS was short flabby and balding his dull pedantic exterior disguising the caustic cowardly Machiavellian immensely cruel master of deceit within Breitman presents compelling evidence that the extermination of Jews was an early goal of Himmler a Bavarian and lapsed Catholic and his boss Adolf Hitler Drawing on previously untapped German records as well as other source materials this engrossing detailed study constitutes a powerful refutation of revisionist scholars who claim that Hitler did not plan the Final Solution in advance but instead improvised it out of either military or political frustration Publishers Weekly A truly path breaking book one of the few that will have a

lasting impact on historical research of the period It shows both the primacy of Hitler as the motivating force in the mass murder and the way in which his initiatives were accepted and internalized by the SS on the basis of ideology Holocaust and Genocide Studies Chilling expert history Kirkus A n eminently sensible and judicious study that could well serve as a textbook on the topic The Historian Breitman s research is meticulous Especially valuable are his novel insights into the full and frequent communication between Himmler and Hitler who it is known seldom signed an order Mr Breitman presents his arguments cogently Michael H Kater The New York Times An absorbing important book that addresses the sequence of steps leading to the Final Solution Financial Times As Breitman persuasively demonstrates the situation kept changing but Hitler was always in charge and his goals always included ridding his empire of the Jews Los Angeles Times Breitman is on the hunt for smoking guns He finds the goods littered throughout Himmler s speeches and conversations Breitman shows that people knew Washington Post Book World The book is chillingly good on the uses and abuses of language to mask atrocity Newsday Breitman s study is an important addition to the literature on the origins of the Nazi genocide one that provides the most likely scenario and settles important disputed questions Breitman s study is a major step forward in our understanding of how the Nazis initiated mass murder German Studies Review An important book I much admire this work particularly for its resourceful combing of primary material there is much to learn from this book about the Final Solution its origins its implementation and its hate inspired architect The American Historical Review
