Publisher's description. **The Story of a Life** Anna Pavlovna Vygodskaia, 2012-04-15 Anna Pavlovna Vygodskaia's autobiography, originally published in 1938, is a rare and fascinating historical account of Jewish childhood and young adult life in Tsarist Russia. At a time when the vast majority of Jews resided in small market towns in the Pale of Settlement, Vygodskaia liberated herself from that world and embraced the day-to-day rhythms, educational activities, and new intellectual opportunities in the imperial capital of St. Petersburg. Her story offers a unique glimpse of Jewish daily life that is rarely documented in public sources of neighborly interactions, children's games, and household rituals, love affairs, and emotional outbursts, clothing customs, and leisure time. Most first-person narratives of this kind reconstruct an isolated and self-contained Jewish world, but *The Story of a Life* uniquely describes the unprecedented social opportunities as well as the many political and personal challenges that young Jewish women and men experienced in the Russia of the 1870s and 1880s. In addition to their artful translation, Eugene M. Avrutin and Robert H. Greene thoroughly explicate this historical context in their introduction. Daily Life of Women Colleen Boyett, H. Micheal Tarver, Mildred Diane Gleason, 2020-12-07 Indispensable for the student or researcher studying women's history, this book draws upon a wide array of cultural settings and time periods in which women displayed agency by carrying out their daily economic, familial, artistic, and religious obligations. Since record-keeping began, history has been written by a relatively few elite men. Insights into women's history are left to be gleaned by scholars who undertake careful readings of ancient literature, examine archaeological artifacts, and study popular culture such as folktales, musical traditions, and art. For some historical periods and geographic regions, this is the only way to develop some sense of what daily life might have been like for women in a particular time and place. This reference explores the daily life of women across civilizations. The work is organized in sections on different civilizations from around the world, arranged chronologically. Within each society, the

encyclopedia highlights the roles of women within five broad thematic categories the arts economics and work family and community life recreation and social customs and religious life Included are numerous sidebars containing additional information document excerpts images and suggestions for further reading
