Markevich, Nikolaus Wolf**

Russian Corporate Capitalism From Peter The Great To Perestroika:

Russian Corporate Capitalism From Peter the Great to Perestroika Thomas C. Owen, 1995-12-07 From the three perspectives of geography economic policy and ideology this work examines corporate capitalism under the tsarist and late Soviet regimes Thomas C Owen discovers a remarkable history of thwarted effort and lost opportunity He explores the impact of bureaucratic restrictions and reveals the entrepreneurial capabilities of Russia s corporate founders from various social groups as well as the prominence of Poles Germans Jews Armenians and foreign citizens in the corporate elite of the Russian Empire and its ten largest cities The study stresses continuities between tsarist and late Soviet periods especially in the persistence of anti capitalist attitudes both radical and reactionary A provocative final chapter considers the implications of the weak corporate heritage for the future of Russian capitalism

Russian Corporate Capitalism from Peter the Great to Perestroika Thomas C. Owen, 1995 Professor Owen examines corporate capitalism under the Tsarist and late Soviet regimes Covering two hundred years from the Tsarist period through perestroika and into the present he demonstrates the historical obstacles that have confronted Russian corporate entrepreneurs and the continuity of Russian attitudes toward corporate capitalism

Kremlin Capitalism Joseph R. Blasi, Maya Kroumova, Douglas Kruse, 2018-10-18 The first book to describe Russia s massive economic transformation for an American audience Kremlin Capitalism provides a wealth of data and analyses not previously available in this country The authors articulate the political and economic goals of Russian privatization examine the current ownership of the largest enterprises in Russia and chart the serious problem of corporate governance in the new private businesses Kremlin Capitalism is based on the only continuous study of Russian privatization throughout the Russian Federation from 1992 to the present The authors tracked down the story of the transition in the cities towns and villages of fifty of Russia s eighty nine provinces updating their findings after the June 1996 election The result is an up to the minute report of the largest property transfer in history and an analysis of one of this century s most significant economic transformations The volume also characterizes the position of workers in terms of unemployment wages union power and their changing role as employee shareholders What really happened when Russia privatized its economy The Kremlin brokered the initial struggle among different interest groups eager to claim a portion of Russian property workers managers the Mafia the old Soviet bureaucracy regular citizens entrepreneurs Russian banks and foreigners While competing with one another all struggled to free themselves from seventy years of Communist economic culture Four years after the process began have large companies learned to offer goods and services profitably and pay dividends to shareholders Individual stories come alive as the book explores problems Russians face in structuring a new economic system defining the ownership and governance of thousands of corporations one by one Russian economic practices are being forged in the heat of fierce political struggles between resurgent Communists and nationalists and old Soviet managers on the one hand and more liberal elements of its infant democratic system on the other Whether a few big

conglomerates and the powerful banks and holding companies from Soviet days will dominate the new Russian economy to the exclusion of most citizens remains to be seen Many questions persist How will billions of dollars of capital be raised to retool restructure and reorient the heart and soul of Russia's economy Will open stock markets stimulate a new economic order or will that new order be imposed through strong state supports and subsidies What role will be played by shadowy conglomerates that are trying to shape a disorganized economy into something resembling the old Soviet system The authors note the paradox of a capitalism conceived designed implemented and evaluated by the Kremlin when one aim of reform is to allow market forces to play freely Kremlin Capitalism asks whether rapid privatization has catalyzed or complicated the transition to a more liberal political and economic system a question that will reverberate for decades

British Entrepreneurship in Poland Sarah Dietz,2016-03-09 Drawing upon an impressive range of international sources this book explores the late nineteenth century partnership between Bradford worsted manufacturers the Briggs brothers and the German merchant Ernst Posselt and their subsequent foreign direct investment in a modern factory and workers community at Marki near Warsaw in Poland Protectionism and increasing foreign competition are discussed among many complex economic pressures on British industry as likely catalysts for this enterprise and the general historiography of the Polish lands is explored to reveal a climate of extraordinary opportunity for well capitalised foreign industrialists in this period British Polish and German press and archival documents as well as Russian police and factory inspectors reports reveal the everyday experience of Polish factory workers and British consular correspondence provides fascinating insight into the machinations of the entrepreneurs and Warsaw's cosmopolitan business community Through the development and domination of market and raw materials sources this venture is shown to have monopolised worsted manufacture in the Russian Empire using state of the art technology to create and modern marketing techniques to promote its product range and evolving image Marki was described in 1886 as a second edition of Saltaire and latterly as the Polish Bournville or Port Sunlight thus aspects of British and Polish social history are compared to assess the efficacy of introducing the model community concept in combination with a radical employment policy to less industrially developed Poland The experiences of an expatriate community of skilled Yorkshire foremen and their instrumentality in diffusing British industrial technology throughout the Russian Empire are described Against a backdrop of political instability and social upheaval which dramatically impacted on business behaviour after 1905 and particularly during the interwar period of

The Nature of Soviet Power Andy Bruno,2016-04-11 This in depth exploration of five industries in the Kola Peninsula examines Soviet power and its interaction with the natural world

Second Metropolis Blair A. Ruble,2001-05-28 By exploring and comparing North America's Russia's and Japan's second cities Chicago Moscow and Osaka *Second Metropolis* discloses the extent to which social fragmentation frequently viewed as an obstacle to democratic development actually fostered a pragmatic pluralism that nurtured pluralistic public policies Such policies are explored

through six case studies the politics of street railways and charter reform in Chicago adult education and housing in Moscow and harbor revitalization and poverty alleviation in Osaka that illustrate how even those with massive political and economic power were stymied by the complexity of their communities Chicago Moscow and Osaka though the products of very different nations and cultures nonetheless shared an important experience of inclusive politics during an era of extraordinary growth and social diversity The success of all three cities which went well beyond mere survival rested on a distinctive political resource pragmatic pluralism *Hegel's Philosophy of Reality, Freedom, and God* Robert M. Wallace, 2005-04-04 Showing the relevance of Hegel's arguments this book discusses both original texts and their interpretations **Russia's Bitter Path to Modernity** Alexander Chubarov, 2001-01-01 Will it follow the model of the Western capitalist democracies as those who applied the economic shock therapy of the early 90s hoped or will it chose its own distinct path of development In this history of Russia from 1917 to the present Alexander Chubarov teases out certain themes developed in his previous book on tsarist Russia *The Fragile Empire* One of the key factors to Russia's distinctiveness is its halfway location in the center of the Eurasian landmass This lends an inevitability to the traditional cultural schism between Westernizing reformers and Slavophiles Neither approach says Chubarov will work on its own Chubarov offers a balanced view abstaining from narrow ideologically biased assessments and examines the triumphs yes and failures of Russia's Soviet development within Russia's own cultural and historical context Without ever minimizing the brutalities of the Soviet period the state terror the collectivizations the labor camps the deportations of whole peoples Chubarov demonstrates much continuity between tsarist and Soviet Russia with the latter often repeating the former's mistakes Russia says Chubarov cannot turn its back on its Soviet experience Far from being a blind alley or aberrant phase the Soviet period was an organic part of Russia history and was largely successful in turning Russia and most of the other Soviet republics into modern states **Empires Apart** Brian Landers, 2011-11-16 A fresh commanding and thought provoking narrative history of the competing Russian and American empires The American road to empire started when the first English settlers landed in Virginia Simultaneously the first Russians crossed the Urals and the two empires that would dominate the twentieth century were born *Empires Apart* covers the history of the Americans and Russians from the Vikings to the present day It shows the two empires developed in parallel as they expanded to the Pacific and launched wars against the nations around them They both developed an imperial ideology that was central to the way they perceived themselves Soon after the ideology of the Russian Empire also changed with the advent of Communism The key argument of this book is that these changes did not alter the core imperial values of either nation both Russians and Americans continued to believe in their manifest destiny Corporatist and Communist imperialism changed only the mechanics of empire Both nations have shown that they are still willing to use military force and clandestine intrigue to enforce imperial control Uniquely Landers shows how the broad sweep of American history follows a consistent path from the first settlers to the present day and by comparing this with Russia's imperial path

demonstrates the true nature of American global ambitions **To the Far North** Ivan Nikolaevich Akif'ëv, 2024-04-15 This annotated translation of *To the Far North* presents the diary of a twenty seven year old Russian physician who was part of the 1900 expedition to the Chukotka Peninsula to find gold No other account so richly details life along the North Pacific Rim before World War I especially from a Russian perspective This volume relates the expedition's formation development and aftermath and offers unique insights on the region's place in both Russian policymaking and geopolitics The illustrated diary includes picturesque descriptions of San Francisco the Nome Gold Rush Chukchi culture Petropavlovsk Vladivostok and Nagasaki Japan Andrew A Gentes's translation is based on an edition of Akif's book that was published in St Petersburg in 1904 The diary shows how Russian and American views and cultural values clashed over a territory that is today more geopolitically important than ever By documenting Akif's personal travels outside the expedition *To the Far North* also demonstrates in both human and personal terms the role Russians played in shaping this region's history **Merchant Moscow** James L. West, Iurii A. Petrov, 2014-07-14 With the collapse of the Soviet system the long neglected history of the early capitalists is being recovered and rewritten Once regarded as the losers in the Russian Revolution these merchants can now be seen as early pioneers in Russia's transformation to a free market economy This book is the first joint Russian American collaborative project on the history of Russian entrepreneurship *Merchant Moscow* puts a human face on early Russian capitalism It presents thematic groupings of historic photographs paired with commentaries by contemporary Russian and American historians The pictures provide a stunning wide ranging visual portrait of Imperial Russia's most influential entrepreneurial elite the Moscow merchantry while the accompanying articles interpret the photographs and place them in the larger cultural context of prerevolutionary Russia Here is a surprising new view of the bourgeoisie during the Silver Age revealed for the first time in this fascinating volume The fourteen contributing historians selected and ordered photographs that best illustrate their specialized knowledge of the period They have framed their topics in a variety of ways Some have chosen to pursue traditional topics such as collective biography institutional history or the history of business practices Others have approached the photographs in more experimental ways emphasizing the semiotics of dress discourses of identity or the history of daily life Together they offer fresh perspectives on the successes and failures of Russia's first experiment with entrepreneurial capitalism Originally published in 1998 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 **The Rule Of Law And Economic Reform In Russia** Jeffery Sachs, 2019-05-20 What impact has Russia's chosen path of reform had on the development of law after the collapse of the communist regime This collection of essays examines how Russia's

distinctive traditions of law and lawlessness are shaping the current struggle for economic reform in the country Nine renowned scholars chosen from specialties in history politics

Across the Moscow River Rodric Braithwaite, 2002-01-01 Rodric Braithwaite was British ambassador to Moscow during the critical years of Perestroika and the collapse of the Soviet Union the failed coup of August 1991 and the rise of Boris Yeltsin From the vantage point of the British Embassy once the mansion of the great nineteenth century merchant Pavel Kharitonenko with its commanding views across the Moscow River to Red Square and the Kremlin Braithwaite had a ringside seat With his long experience of Russia and the Russians who saw him as Mrs Thatcher's Ambassador on good personal terms with Mikhail Gorbachev he was in a privileged position close to the centre of Russia's changing relationship with the West But this is not primarily a memoir It is an intimate analysis of momentous change and the people who drove it against the background of Russia's long history and its unique but essentially European culture Braithwaite watched as Gorbachev and his allies struggled to modernise and democratise a system which had already reached the point of terminal decay Against the opposition of the generals they forced the abandonment of the nuclear confrontation as the Soviet Union fell apart The climax of the drama came in August 1991 when a miscellaneous collection of conservative patriots generals politicians and secret policemen attempted to reverse the course of history and succeeded only in accelerating the collapse of the Soviet Union

Russia on the Move Sylvia Sztern, 2022-02-18 This book explores the impact of railroads on 19th century Russian peasant collectivism The mutual insurance mechanism in a precarious agricultural environment provided by a structured communal village system predicated on the reputation and authority of community norms is exposed to rationalist exchange occasioning an institutional adaptation process the individualization of property rights in land Spatial mobility technology animated market integration specialization literacy and human capital acquisition among peasant wage workers who commuted from their villages Temporarily rising transaction costs forced the Tsar to concede household property rights in land in the so called Stolypin reform of 1906 This challenge to the imperial patrimony powered by the railroads steered late imperial Russia toward constitutional governance The spatial mobility technology gave peasants access to centers of agglomeration of knowledge changed cognitive perceptions of distance and reduced the uncertainty and opportunity costs of travel The empirical findings in this monograph corroborate the conclusion that the railroads occasioned a cultural revolution in late imperial Russia and made Stalin unnecessary for the modernization of the Euro-Asian giant This book highlights the profound effect that the development of the railroads had on Russian economic and political institutions and practices It will be of indispensable value to students and researchers interested in transitional economics and economic history

Selling to the Masses Marjorie L. Hilton, 2012-01-08 In *Selling to the Masses* Marjorie L. Hilton presents a captivating history of consumer culture in Russia from the 1880s to the early 1930s She highlights the critical role of consumerism as a vehicle for shaping class and gender identities modernity urbanism and as a mechanism of state power in the transition from tsarist autocracy to Soviet socialism

Beginning in the late nineteenth century Russia witnessed a rise in mass production consumer goods advertising and new retail venues such as arcades and department stores. These mirrored similar developments in other European countries and reflected a growing quest for leisure activities, luxuries and a modern lifestyle. As Hilton reveals, retail commerce played a major role in developing Russian public culture; it affected celebrations of religious holidays, engaged diverse groups of individuals, defined behaviors and rituals of city life, inspired new interpretations of masculinity and femininity and became a visible symbol of state influence and provision. Through monarchies, revolution, civil war and monumental changes in the political sphere, Russia's distinctive culture of consumption was contested and recreated. Leaders of all stripes continued to look to the commerce of exchange as a key element in appealing to the masses, garnering political support and promoting a modern nation. Hilton follows the evolution of retailing and retailers alike from crude outdoor stalls to elite establishments through the competition of private versus state-run stores during the NEP and finally to a system of total state control.

Indifferent workers, rationing and shortages under a consolidating Stalinist state. **IBSS: Economics: 1995** Compiled by the British Library of Political and Economic Science at the London School of Economics, 1996. The IBSS is the essential tool for librarians, university departments, research institutions and any public or private institutions whose work requires access to up-to-date and comprehensive knowledge of the social sciences. **Studies on Iran and The Caucasus** Uwe

Bläsing, Victoria Arakelova, Matthias Weinreich, 2015-07-14. This unique collection of essays by leading international scholars gives a profound introduction into the great diversity and richness of facets forming the study of one of earth's most exciting areas: the Iranian and Caucasian lands. Each of the 37 contributions sheds light on a very special topic, the range of which comprises historical, cultural, ethnographical, religious, political and last but not least literary and linguistic issues, beginning from the late antiquity up to current times. Especially during the last decennia, these two regions gained greater interest worldwide due to several developments in politics and culture. This fact grants the book intended as a festschrift for Prof. Garnik Asatryan a special relevance. Contributors: Victoria Arakelova, Marco Bais, Uwe Bläsing, Vahe S. Boyajian, Claudia A. Ciancaglini, Johnny Cheung, Viacheslav A. Chirikba, Matteo Compareti, Caspar ten Dam, Desmond Durkin, Meisterernst Kaveh Farrokh, Aldo Ferrari, Ela Filippone, Khachik Gevorgian, Jost Gippert, Nagihan Haliloğlu, Elif Kanca, Pascal Kluge, Anna Krasnowolska, Vladimir Livshits, Hirotake Maeda, Irina Morozova, Irène Natchkebia, Peter Nicolaus, Antonio Panaino, Mikhail Pelevin, Adriano V. Rossi, James R. Russell, Dan Shapira, Wolfgang Schulze, Martin Schwarz, Roman Smbatian, Donald Stilo, Akar Ceyhan, Suvari Giusto, Traina Garry, Trompf Matthias, Weinreich Eberhardt, Werner and Boghos Zekiyan. *Economic History of Warfare and State Formation* Jari Eloranta, Eric Golson, Andrei Markevich, Nikolaus Wolf, 2016-09-19. This edited volume represents the latest research on intersections of war, state formation and political economy, i.e. how conflicts have affected short and long-run development of economies and the formation or destruction of states and their political economies. The contributors come from different fields of social and human sciences, all featuring an interdisciplinary approach to the study

of societal development The types of big issues analyzed in this volume include the formation of European and non European states in the early modern and modern period the emergence of various forms of states and eventually modern democracies with extensive welfare states the violent upheavals that influenced these processes the persistence of dictatorships and non democratic forms of government and the arrival of total war and its consequences especially in the context of twentieth century world wars One of the key themes is the dichotomy between democracies and dictatorships namely what were the origins of their emergence and evolution why did some revolutions succeed and other fail and why did democracies on the whole emerge victorious in the twentieth century age of total wars The contributions in this book are written with academic and non academic audiences in mind and both will find the broad themes discussed in this volume intuitive and useful

Oil and the Economy of Russia Nat Moser, 2017-10-20 This book examines the development of the Russian economy from tsarist times to the present through the lens of the oil industry It considers the role of the state business state relations foreign participation enterprise performance and technology Besides providing much rich detail on the changing nature of the oil industry the book also puts forward important conclusions including the fact that in the late nineteenth century private enterprise rather than the state was the principal driver of economic development and that after the collapse of the Soviet Union incumbent managers were more effective in running their companies than financier entrants whose main concern was short term gain

Russian Corporate Capitalism From Peter The Great To Perestroika Introduction

In the digital age, access to information has become easier than ever before. The ability to download Russian Corporate Capitalism From Peter The Great To Perestroika has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Russian Corporate Capitalism From Peter The Great To Perestroika has opened up a world of possibilities. Downloading Russian Corporate Capitalism From Peter The Great To Perestroika provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Russian Corporate Capitalism From Peter The Great To Perestroika has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Russian Corporate Capitalism From Peter The Great To Perestroika. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Russian Corporate Capitalism From Peter The Great To Perestroika. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Russian Corporate Capitalism From Peter The Great To Perestroika, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Russian Corporate Capitalism From Peter The Great To Perestroika has transformed the way we access information. With the

convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Russian Corporate Capitalism From Peter The Great To Perestroika Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Russian Corporate Capitalism From Peter The Great To Perestroika is one of the best book in our library for free trial. We provide copy of Russian Corporate Capitalism From Peter The Great To Perestroika in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Russian Corporate Capitalism From Peter The Great To Perestroika. Where to download Russian Corporate Capitalism From Peter The Great To Perestroika online for free? Are you looking for Russian Corporate Capitalism From Peter The Great To Perestroika PDF? This is definitely going to save you time and cash in something you should think about.
