Russian Peasantry:

The Russian Peasantry 1600-1930 David Moon, 2014-07-16 This impressive work set to become the standard history on the subject offers a definitive survey of peasant society in Russia from the consolidation of serfdom and tsarist autocracy in the 17th century through to the destruction of the peasant's traditional world under Stalin. Over three quarters of Russian society were peasants in these years and David Moon explores all aspects of their life xxx including the rural economy peasant households village communities xxx and their political role including protest against the landowning elites. In the process he presents a fresh perspective on the history of Russia itself. A big book in every way xxx and compellingly readable.

The Russian Peasant Howard Percy Kennard, 1907 *Enserfment Russian Peasant* R. E. F. Smith, 1968-05-02

Compilation of translated texts of historical documents tracing the process by which rural workers in Russia CAME to be legally enserfed in the 17th century covers the legal status of peasants the social status of landowners relevant aspects of forced labour land tenure ownership taxation etc and includes comments on relevant legislation. Literature survey pp 164 to 167

Peasants in Russia from Serfdom to Stalin Boris B. Gorshkov, 2018-02-08 The peasantry accounted for the large majority of the Russian population during the Imperialist and Stalinist periods it is for the most part how people lived. *Peasants in Russia from Serfdom to Stalin* provides a comprehensive realistic examination of peasant life in Russia during both these eras and the legacy this left in the post Soviet era. The book paints a full picture of peasant involvement in commerce and local political life and through Boris Gorshkov's original ecology paradigm for understanding peasant life offers new perspectives on the Russian peasantry under serfdom and the emancipation. Incorporating recent scholarship including Russian and non Russian texts along with classic studies Gorshkov explores the complex interrelationships between the physical environment peasant economic and social practices culture state policies and lord peasant relations. He goes on to analyze peasant economic activities including agriculture and livestock social activities and the functioning of peasant social and political institutions within the context of these interrelationships. Further reading lists study questions tables maps primary source extracts and images are also included to support and enhance the text wherever possible. *Peasants in Russia from Serfdom to Stalin* is the crucial survey of a key topic in modern Russian history for students and scholars alike.
