## **Russian Politics Under Putin:**

Russian Politics Under Putin Cameron Ross, 2004-08-21 In March 2000 Vladimir Putin was elected President of the Russian Federation the largest country in the world In the space of just a few years Putin's radical reforms in the areas of domestic and foreign policy have made a major impact on Russian politics and society and we have witnessed a new orientation in Russia's external relations with the West But is Putin an authoritarian or a democrat Does his presidency signal a break with Russia's past or is he just another autocratic czar in modern clothing This is a lively comprehensive and highly accessible account of contemporary Russian politics There are fifteen chapters covering such key areas as leadership and regime change political parties and democratization economy and society regional politics the war in Chechnya and Russian foreign policy

Understanding Russian Politics Stephen White, 2011-03-31 A fresh and compelling interpretation of Russian politics by a leading authority this textbook focuses on political developments in the world's largest country under Putin and Medvedev Using a wealth of primary sources it covers economic social and foreign policy and the system of politics that has developed in recent years Opposing arguments are presented and students are encouraged to reach their own judgements on key events and issues such as privatisation and corruption This textbook tackles timely topics such as gender and inequality issues organised religion the economic crisis and Russia's place in the international community It uses numerous examples to place this powerful and richly endowed country in context with a focus on the place of ordinary people which shows how policy is translated to Russians everyday lives

**Russian Politics Under Putin** Cameron Ross, In March 2000 Vladimir Putin was elected President of the Russian Federation the largest country in the world In the space of just a few years Putin's radical reforms in the areas of domestic and foreign policy have made a major impact on Russian politics and society and we have witnessed a new orientation in Russia's external relations with the West But is Putin an authoritarian or a democrat Does his presidency signal a break with Russia's past or is he just another autocratic czar in modern clothing This is a lively comprehensive and highly accessible account of contemporary Russian politics There are fifteen chapters covering such key areas as leadership and regime change political parties and democratization economy and society regional politics the war in Chechnya and Russian foreign policy

**Russian Regional Politics under Putin and Medvedev** Cameron Ross, 2014-06-03 Many authors have alluded to the unique nature of Russia's dual transition and its difficult task of simultaneously reforming its economy and polity But there is in fact a third transition still far from completed that is of no less importance the need to reconfigure central regional relations and to create a stable and viable form of federalism There are vast economic demographic and political variations across the Russian federation Therefore an understanding of regions and the causes and consequences of cross regional diversity is a vitally important dimension of Russian politics that should not be overlooked It is only by studying regional level politics that we can gain a full understanding of the complexities of Russia's protracted transition This edited volume examines regional politics and centre

regional relations over the period 2000-2010 including the most recent developments which have taken place under the new dual leadership of Medvedev and Putin. All eight chapters have been written by leading experts in the field of Russian politics. In addition to chapters on regional elections, parties, regional governors and local politics, there are three chapters devoted to the important developments which are currently taking place in the Caucasus. This book was published as a special issue of *Europe Asia Studies*.

**Russian Regional Politics under Putin and Medvedev** Cameron Ross, 2014-06-03. Many authors have alluded to the unique nature of Russia's dual transition and its difficult task of simultaneously reforming its economy and polity. But there is in fact a third transition still far from completed that is of no less importance: the need to reconfigure central regional relations and to create a stable and viable form of federalism. There are vast economic, demographic and political variations across the Russian federation. Therefore, an understanding of regions and the causes and consequences of cross-regional diversity is a vitally important dimension of Russian politics that should not be overlooked. It is only by studying regional level politics that we can gain a full understanding of the complexities of Russia's protracted transition. This edited volume examines regional politics and centre-regional relations over the period 2000-2010 including the most recent developments which have taken place under the new dual leadership of Medvedev and Putin. All eight chapters have been written by leading experts in the field of Russian politics. In addition to chapters on regional elections, parties, regional governors and local politics, there are three chapters devoted to the important developments which are currently taking place in the Caucasus. This book was published as a special issue of *Europe Asia Studies*.

**Russia Under Putin** Andrew Natsios, 2025-07-08. This book fills a gap in the public's understanding of Putin's Russia by answering the question: Is Russia under Putin a revisionist power that seeks to undermine or destroy the existing international order, or is it a fragile state with profound dysfunctions? The essays in this book argue that Russia is both. These essays took a more ominous view of Russia under Putin's leadership at the time they were published, a position criticized by some scholars and analysts who saw Putin as a pragmatist.

**Russia's Security Policy under Putin** Aglaya Snetkov, 2014-11-27. This book examines the evolution of Russia's security policy under Putin in the 21st century using a critical security studies approach. Drawing on critical approaches to security, the book investigates the interrelationship between the internal-external nexus and the politics of in/security and regime building in Putin's Russia. In so doing, it evaluates the way that this evolving relationship between state identities and security discourses framed the construction of individual security policies and how, in turn, individual issues can impact on the meta-discourses of state and security agendas. To this end, the de-securitisation discourses and practices towards the issue of Chechnya are examined as a case study. In so doing, this study has wider implications for how we read Russia as a security actor through an approach that emphasises the importance of taking into account its security culture, the interconnection between internal-external security priorities and the dramatic changes that have taken place in Russia's conceptions of itself, national and security priorities and conceptualisation of key security issues in this case, Chechnya. These

aspects of Russia's security agenda remain somewhat of a neglected area of research but as argued in this book offer structuring and framing implications for how we understand Russia's position towards security issues and perhaps those of rising powers more broadly This book will be of much interest to students of Russian security critical security studies and IR

**State Building in Putin's Russia** Brian D. Taylor, 2011-02-21 This book argues that Putin's strategy for rebuilding the state was fundamentally flawed Taylor demonstrates that a disregard for the way state officials behave toward citizens state quality had a negative impact on what the state could do state capacity Focusing on those organizations that control state coercion what Russians call the power ministries Taylor shows that many of the weaknesses of the Russian state that existed under Boris Yeltsin persisted under Putin Drawing on extensive field research and interviews as well as a wide range of comparative data the book reveals the practices and norms that guide the behavior of Russian power ministry officials the so called siloviki especially law enforcement personnel By examining siloviki behavior from the Kremlin down to the street level State Building in Putin's Russia uncovers the who where and how of Russian state building after communism *Local*

*Politics and Democratization in Russia* Cameron Ross, 2008-10-27 Exploring urban democracy in Russia this book considers a wide range of cities of different types and of different political allegiances showing that the power and status of cities varies tremendously across the federation as does the development of grassroots democracy **Failure. Russia Under Putin**

Harley D. Balzer, Steven A. Fisher, 2025-07-10 Examines the significant failures Russia has faced under Vladimir Putin's leadership and presents an important counterpoint to a broad range of studies emphasizing Russia's resurrection status as a persistent power or successful military reform Despite Putin's claims of restoring Russia's rightful place in the world reviving the economic and industrial capacity destroyed in the 1990s and improving living standards data show that the gains from the oil price bonanza of 2000-2008 have long since vanished The success Putin has achieved in centralizing power and repressing opposition now prevents any effective changes to address Russia's long term decline Failures include the inability to diversify the economy reduce corruption reverse demographic and educational decline alleviate poverty or address social inequalities This edited volume examines how Putin's policy choices have led to Russia's inexorable decline on the global stage Depicting Russia's inability under Vladimir Putin's rule to improve critical spheres of its national life aggravated by military belligerence and adventurism abroad chapters detail how Putin's policies have severely limited Russia's development and institutional stability leaving the country without a clear leadership transition mechanism or capacity to abandon flawed policies *Leading Russia: Putin in Perspective* Alex Pravda, 2005-05-26 Leaders and leadership continue to dominate

Russia's political development Like his predecessors in the Kremlin Vladimir Putin has made a crucial impact on the substance and style of Russian politics His efforts to use traditional tools of state power to manage democracy and market capitalism have had mixed effects on both Leading Russia investigates the ambiguities and contradictions of Putin's rule from four perspectives The volume first considers his leadership in the context of Russia's convulsive historical cycle of

revolutionary transformation breakdown consolidation and stagnation The study then analyses how normative and institutional components of democracy have fared under Putin's regime of stronger executive control It proceeds to examine the strengths and weaknesses of presidential power vis vis bureaucratic regional and corporate groups The volume concludes with two assessments of the strategic direction in which Putin is taking Russia They explore the tensions between bureaucratic authoritarian trends and Putin's apparent commitment to electoral democracy market capitalism and alignment with the West The book helps to deepen our understanding of the cultural and institutional factors shaping Putin's leadership approach and policy priorities More widely it sheds light on the complexity of the relationship between post communist leadership democracy and economic modernization

**Politics under the Influence** Anna L. Bailey, 2018-09-15 You know just how serious a problem alcoholism has become for our country Frankly speaking it has taken on the proportions of a national disaster So spoke Russian President Dmitry Medvedev in 2009 as the government launched its latest anti alcohol campaign Challenging the standard narrative of top down implementation of policy Anna Bailey's *Politics under the Influence* breaks new ground in the analysis of Russian alcoholism and the politics of the Putin regime The state is supposed to make policy in the national interest to preserve the nation's health against the ravages inflicted by widespread alcohol abuse In fact Bailey shows the Russian state is deeply divided and policy is commonly a result of the competitive interactions of stakeholders with vested interests *Politics under the Influence* turns a spotlight on the powerful vodka industry whose ties to Putin's political elite have grown in influence since 2009 She details how that lobby has used the anti alcohol campaign as a way to reduce the competitiveness of its main rival the multinational beer industry Drawing on a wide range of sources including fieldwork interviews government documents media articles and opinion polls Bailey reveals the many ambivalences informal practices and paradoxes in contemporary Russian politics *Politics under the Influence* exhibits the kleptocratic nature of the Putin regime as a result analysis of vested interests and informal sources of power is essential to understanding public policy in contemporary Russia This book will be an invaluable resource for anyone working on policy and corruption in Putin's Russia

**Putin v. the People** Samuel A. Greene, Graeme B. Robertson, 2019-06-11 A fascinating bottom up exploration of contemporary Russian politics that sheds new light on why Putin's grip on power is more fragile than we think What do ordinary Russians think of Putin Who are his supporters And why might their support now be faltering Alive with the voices and experiences of ordinary Russians and elites alike Sam Greene and Graeme Robertson craft a compellingly original account of contemporary Russian politics Telling the story of Putin's rule through pivotal episodes such as the aftermath of the For Fair Elections protests the annexation of Crimea and the War in Eastern Ukraine Greene and Robertson draw on interviews surveys social media data and leaked documents to reveal how hard Putin has to work to maintain broad popular support while exposing the changing tactics that the Kremlin has used to bolster his popularity Unearthing the ambitions emotions and divisions that fuel Russian politics this book illuminates the crossroads to which Putin has led his country and

shows why his rule is more fragile than it appears      **Russian Politics and Presidential Power** Donald R. Kelley, 2016-10-05 Russian Politics and Presidential Power takes an in depth look at the Russian presidency and uses it as a key to understanding Russian politics Donald R Kelley looks at presidents from Gorbachev to Putin as authoritarian transformational leaders who set out to build the future while sometimes rejecting and reinterpreting the work of past modernizers Placing the presidency in this context helps readers understand both the disintegration of the Soviet Union and the nature of the Russian Federation that rose in its place And by setting the presidency within a longer historical context Kelley shows how the future of the presidency is dependent on other features of the political system      Russia and Europe in the Twenty-First Century Jackie Gower, Graham Timmins, 2009-02-01 There has never been a more important time to understand Russia s relationship with Europe and it is the subsequent sense of unease both in Russia and Europe which provides the focus for this investigation and which will make it of use to specialist and general readers alike      **The Quest for an Ideal Youth in Putin's Russia I** Ivo Mijnsen, 2014-04-15 This book analyzes the dubious role of the Democratic Antifascist Youth Movement Nashi in contemporary Russia Part of the Putinist project of political stabilization Nashi mobilizes young Russians through its emotional appeal skillful use of symbolic politics and promise of professional self realization      Media Politics in China Maria Repnikova, 2017-06-15 Maria Repnikova offers an innovative analysis of the media oversight role in China by examining how a volatile partnership is sustained between critical journalists and the state

**Understanding Russian Strategic Behavior** Graeme P. Herd, 2022-01-27 This book examines the extent to which Russia s strategic behavior is the product of its imperial strategic culture and Putin s own operational code The work argues that by conflating personalistic regime survival with national security Putin ensures that contemporary Russian national interest as expressed through strategic behavior is the synthesis of a peculiar troika a long standing imperial strategic culture rooted in a partially imagined past the operational code of a counter intelligence president and decision making elite and the realities of Russia as a hybrid state The book first examines the role of structure and agency in shaping contemporary Russian strategic behavior It then provides a conceptual understanding of strategic culture and applies this to Tsarist and Soviet historical developments The book s analysis of the operational code however demonstrates that Putinism is more than the sum of the past At the end the book assesses Putin s statecraft and stress tests our assumptions about the exercise of contemporary power in Russia and the structure of Putin s agency This book will be of interest to students of Russian politics and foreign policy strategic studies and international relations      *Why the Russian Constitution Matters* William Partlett, 2024-09-19 This book challenges the common view that the Russian Constitution is a sham or a reflection of Russia s authoritarian past It instead shows that the Russian Constitution was a product of the constitutional dark arts an increasingly common constitutional practice that seeks to guarantee liberal democracy and individual rights in a system of highly centralised power Over time in Russia the centralisation of power in the president has undermined the constitution s

democratic and rights protections This Russian experience matters for three reasons First it shows that Russian authoritarianism is neither the personal creation of Vladimir Putin nor a natural reflection of Russian history It is instead the product of a centralised constitutional system A democratic Russia is possible but requires more than just Putin leaving office it also requires breaking with Russia's constitutional commitment to centralisation Second it demonstrates the role that the constitutional dark arts play in populist authoritarianism around the world In these contexts centralisation allows one office to claim popular legitimacy and dominate politics while generally falsely also claiming to respect individual rights and democracy Third it reveals that democratic constitutions are more than legal texts enforced in court They are more fundamentally political texts that create a balanced state with political checks on the centralisation of political power These checks and balances do not just limit state power and protect rights they also enable the state to better understand and advance the general well being of its citizens This book therefore provides critical guidance to those involved in building democracy in a post Putin Russia It is also important to those seeking to better understand the role that constitutions play in shaping both authoritarian and democratic politics      *Politics in a Changing World* Mr. Rohit Manglik, 2024-02-16

EduGorilla Publication is a trusted name in the education sector committed to empowering learners with high quality study materials and resources Specializing in competitive exams and academic support EduGorilla provides comprehensive and well structured content tailored to meet the needs of students across various streams and levels

## Russian Politics Under Putin Introduction

In the digital age, access to information has become easier than ever before. The ability to download Russian Politics Under Putin has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Russian Politics Under Putin has opened up a world of possibilities. Downloading Russian Politics Under Putin provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Russian Politics Under Putin has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Russian Politics Under Putin. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Russian Politics Under Putin. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Russian Politics Under Putin, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Russian Politics Under Putin has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it

offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

### **FAQs About Russian Politics Under Putin Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Russian Politics Under Putin is one of the best book in our library for free trial. We provide copy of Russian Politics Under Putin in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Russian Politics Under Putin. Where to download Russian Politics Under Putin online for free? Are you looking for Russian Politics Under Putin PDF? This is definitely going to save you time and cash in something you should think about.
