Russian Futurism A History:

Russian Futurism Vladimir Markov, 2006 *Our Arrival* Alekseï Kruchenykh, 1995 **Russian Futurism** Vladimir Markov, 1968 *A History of Russian Symbolism* Ronald E. Peterson, 1993-07-09 The era of Russian Symbolism 1892 1917 has been called the Silver Age of Russian culture and even the Second Golden Age Symbolist authors are among the greatest Russian authors of this century and their activities helped to foster one of the most significant advances in cultural life in poetry prose music theater and painting that has ever been seen there This book is designed to serve as an introduction to Symbolism in Russia as a movement an artistic method and a world view The primary emphasis is on the history of the movement itself Attention is devoted to what the Symbolists wrote said and thought and on how they interacted In this context the main actors are the authors of poetry prose drama and criticism but space is also devoted to the important connections between literary figures and artists philosophers and the intelligentsia in general This broad detailed and balanced account of this period will serve as a standard reference work an encourage further research among scholars and students of literature 2019 Günter Berghaus, Oleh S. Ilnytskyj, Gabriella Elina Imposti, Christina Lodder, 2019-12-16 The ninth volume of the International Yearbook of Futurism Studies is dedicated to Russian Futurism and gathers ten studies that investigate the impact of F T Marinetti s visit to Russia in 1914 the neglected region of the Russian Far East the artist and writers Velimir Khlebnikov Vasily Kamensky Maria Siniakova and Vladimir Mayakovsky the artistic media of advertising graphic arts cinema and artists books **A History of Russian Literature** Andrew Kahn, Mark Lipovetsky, Irina Reyfman, Stephanie Sandler, 2018-04-05 Russia possesses one of the richest and most admired literatures of Europe reaching back to the eleventh century A History of Russian Literature provides a comprehensive account of Russian writing from its earliest origins in the monastic works of Kiev up to the present day still rife with the creative experiments of post Soviet literary life The volume proceeds chronologically in five parts extending from Kievan Rus in the 11th century to the present day The coverage strikes a balance between extensive overview and in depth thematic focus Parts are organized thematically in chapters which a number of keywords that are important literary concepts that can serve as connecting motifs and case studies in depth discussions of writers institutions and texts that take the reader up close and Visual material also underscores the interrelation of the word and image at a number of points particularly significant in the medieval period and twentieth century The History addresses major continuities and discontinuities in the history of Russian literature across all periods and in particular bring out trans historical features that contribute to the notion of a national literature The volume s time range has the merit of identifying from the early modern period a vital set of national stereotypes and popular folklore about boundaries space Holy Russia and the charismatic king that offers culturally relevant material to later writers This volume delivers a fresh view on a series of key questions about Russia s literary history by providing new mappings of literary history and a narrative that pursues key concepts rather more than individual authorial careers This holistic narrative

underscores the ways in which context and text are densely woven in Russian literature and demonstrates that the most exciting way to understand the canon and the development of tradition is through a discussion of the interrelation of major and minor figures historical events and literary politics literary theory and literary innovation

A History of Russian Literary Theory and Criticism Evgeny Dobrenko, Galin Tihanov, 2011-11-27 This edited volume assembles the work of leading international scholars in a comprehensive history of Russian literary theory and criticism from 1917 to the post Soviet age By examining the dynamics of literary criticism and theory in three arenas political intellectual and institutional the authors capture the progression and structure of Russian literary criticism and its changing function and discourse The chapters follow early movements such as formalism the Bakhtin Circle Proletkult futurism the fellow travelers and the Russian Association of Proletarian Writers By the cultural revolution of 1928 literary criticism became a mechanism of Soviet policies synchronous with official ideology The chapters follow theory and criticism into the 1930s with examinations of the Union of Soviet Writers semantic paleontology and socialist realism under Stalin A more humanized literary criticism appeared during the ravaging years of World War II only to be supplanted by a return to the party line Soviet heroism and anti-Semitism in the late Stalinist period During Khrushchev's Thaw there was a remarkable rise in liberal literature and criticism that was later refuted in the nationalist movement of the long 1970s The same decade saw on the other hand the rise to prominence of semiotics and structuralism Postmodernism and a strong revival of academic literary studies have shared the stage since the start of the post Soviet era For the first time anywhere this collection analyzes all of the important theorists and major critical movements during a tumultuous ideological period in Russian history including developments in emigre literary theory and criticism

Explodity Nancy Perloff, 2017-01-21 The artists books made in Russia between 1910 and 1915 are like no others Unique in their fusion of the verbal visual and sonic these books are meant to be read looked at and listened to Painters and poets including Natalia Goncharova Velimir Khlebnikov Mikhail Larionov Kazimir Malevich and Vladimir Mayakovsky collaborated to fabricate hand lithographed books for which they invented a new language called zaum a neologism meaning beyond the mind which was distinctive in its emphasis on sound as such and its rejection of definite logical meaning At the heart of this volume are close analyses of two of the most significant and experimental futurist books Mirskontsa Worldbackwards and Vzorval Explodity In addition Nancy Perloff examines the profound differences between the Russian avant garde and Western art movements including futurism and she uncovers a wide ranging legacy in the midcentury global movement of sound and concrete poetry the Brazilian Noigandres group Ian Hamilton Finlay and Henri Chopin contemporary Western conceptual art and the artist's book Sound recordings of zaum poems featured in the book are available at www.getty.edu

The Cambridge History of Russian Literature Charles Moser, 1992-04-30 An updated edition of this comprehensive narrative history first published in 1989 incorporating a new chapter on the latest developments in Russian literature and additional bibliographical information The individual chapters are by well known

specialists and provide chronological coverage from the medieval period on giving particular attention to the nineteenth and twentieth centuries and including extensive discussion of works written outside the Soviet Union The book is accessible to students and non specialists as well as to scholars of literature and provides a wealth of information [A History of Women's Writing in Russia](#) Adele Marie Barker, Jehanne M. Gheith, 2002-07-11 A History of Women's Writing in Russia offers a comprehensive account of the lives and works of Russia's women writers Based on original and archival research this volume forces a re examination of many of the traditionally held assumptions about Russian literature and women's role in the tradition In setting about the process of reintegrating women writers into the history of Russian literature contributors have addressed the often surprising contexts within which women's writing has been produced Chapters reveal a flourishing literary tradition where none was thought to exist They redraw the map defining Russia's literary periods they look at how Russia's women writers articulated their own experience and they reassess their relationship to the dominant male tradition The volume is supported by extensive reference features including a bibliography and guide to writers and their works
