Umland**

Russian Question Nationalism Modernization And Post Communist Russia:

The Russian Question Wayne Allensworth, 1998-10-22 Who are we is a question that has haunted Russians for centuries The crisis of identity that underlies Russia's efforts to answer that question and the country's attempts to grapple with modernity_ the invention of an alien civilization_ is explored in this timely book Russia's response to the universal challenge posed by modernization's erosion of community has been to fall back on that most enduring bond of human association_ the kinship tie_ as Allensworth here defines as nationalism The author draws on rare Russian sources to explore the various ways nationalists have responded to modernization and to chart a likely course for Russia's future development From National Bolshevism to Christian nationalism from Zhirinovskiy to Solzhenitsyn this study ties the ideas and ideologies of nationalism to the question that produced them and cements their connection to the crisis of modernity *Russian Nationalism and the National Reassertion of Russia* Marlene Laruelle, 2009-05-07 This book considers a wide range of aspects of Russian nationalism focussing on the Putin period It discusses the development of Russian nationalism including in the Soviet era examines how it relates to ideology culture racism religion and intellectual thinking and its affects on Russian society politics and foreign policy **Political Anti-Semitism in Post-Soviet Russia** Vyacheslav Likhachev, 2012-02-03 Anti-Semitism was a major feature of both late Tsarist and Stalinist as well as neo Stalinist Russian politics What does this legacy entail for the emergence of post Soviet politics What are the sources ideologies permutations and expressions of anti-Semitism in recent Russian political life Who are the main protagonists and what is their impact on society This book shows that anti-Semitism is alive and well in contemporary Russia in general and in her political life in particular The study focuses on anti-Semitism in political groups mass media and religious organizations from the break up of the Soviet Union until shortly before the elections to the fourth post Soviet State Duma which saw the entry of a major new nationalist grouping Rodina Motherland into the Russian parliament The author analyzes various justifications for anti-Semitism its manifestations and its ups and downs during this period The book chronicles Russian federal and regional elections which served as a reality check for the ultra nationalists Several sections are devoted to the role of anti-Semitism in political associations including marginal neo Nazi groups mainstream nationalist parties and the successor organizations of the Communist Party of the Soviet Union A special section covers the financial sources for post Soviet anti-Semitic publications The author considers anti-Semitism within a wider context of religious and ethnic intolerance in Russian society Likhachev as a result compiles a Who is Who of Russian political anti-Semitism His book will serve as a reliable compendium and obligatory starting point for future research on post Soviet xenophobia and ultra nationalist politics The SAGE Handbook of Nations and Nationalism Gerard Delanty, Krishan Kumar, 2006-06-29 The SAGE Handbook of Nations and Nationalism gives readers a critical survey of the latest theories and debates Its three sections guide the reader through the theoretical approaches to this field of study its major themes from modernity to memory migration and genocide and the diversity of nationalisms found around the globe

The Russian Question Wayne Allensworth, 1998 Who are we is a question that has haunted Russians for centuries The crisis of identity that underlies Russia's efforts to answer that question and the country's attempts to grapple with modernity_ the invention of an alien civilization_ is explored in this timely book Russia's response to the universal challenge posed by modernization's erosion of community has been to fall back on that most enduring bond of human association_ the kinship tie_ as Allensworth here defines as nationalism The author draws on rare Russian sources to explore the various ways nationalists have responded to modernization and to chart a likely course for Russia's future development From National Bolshevism to Christian nationalism from Zhirinovskiy to Solzhenitsyn this study ties the ideas and ideologies of nationalism to the question that produced them and cements their connection to the crisis of modernity Putinism - Post-Soviet Russian Regime Ideology Mikhail Suslov, 2024-02-23 A key question for the contemporary world What is Putin's ideology This book analyses this ideology which it terms Putinism It examines a range of factors that feed into the ideology conservative thought in Russia from the nineteenth century onwards Russian and Soviet history and their memorialisation Russian Orthodox religion and its political connections a focus on traditional values and Russia's sense of itself as a unique civilisation different from the West and due a special respected place in the world The book highlights that although the resulting ideology lacks coherence and universalism comparable to that of Soviet era Marxism Leninism it is nevertheless effective in aligning the population to the regime and is flexible and applicable in different circumstances And that therefore it is not attached to Putin as a person is likely to outlive him and is potentially appealing elsewhere in the world outside Russia especially to countries that feel belittled by the West and let down by the West's failure to resolve problems of global injustice and inequality **Russian Nationalism** Marlene Laruelle, 2018-10-10 This book by one of the foremost authorities on the subject explores the complex nature of Russian nationalism It examines nationalism as a multilayered and multifaceted repertoire displayed by a myriad of actors It considers nationalism as various concepts and ideas emphasizing Russia's distinctive national character based on the country's geography history Orthodoxy and Soviet technological advances It analyzes the ideologies of Russia's ultra nationalist and far right groups explores the use of nationalism in the conflict with Ukraine and the annexation of Crimea and discusses how Putin's political opponents including Alexei Navalny make use of nationalism Overall the book provides a rich analysis of a key force which is profoundly affecting political and societal developments both inside Russia and beyond **Russian Fascism** Stephen Shenfield, 2016-07-08 First Published in 2001 This study presents a thorough analysis of facism its manifestations in Russian political and cultural history and facist tendencies and movements in contemporary Russian society *Russian Fascism: Traditions, Tendencies and Movements* Stephen Shenfield, 2015-02-12 This study presents a thorough analysis of facism its manifestations in Russian political and cultural history and facist tendencies and movements in contemporary Russian society *The Gumilev Mystique* Mark Bassin, 2016-02-04 Since the collapse of the Soviet Union the legacy of the historian ethnographer and geographer Lev

Nikolaevich Gumilev 1912-1992 has attracted extraordinary interest in Russia and beyond. The son of two of modern Russia's greatest poets, Nikolai Gumilev and Anna Akhmatova, Gumilev spent thirteen years in Stalinist prison camps and after his release in 1956 remained officially outcast and professionally shunned. Out of the tumult of perestroika, however, his writings began to attract attention and he himself became a well-known and popular figure. Despite his highly controversial and often contradictory views about the meaning of Russian history, the nature of ethnicity and the dynamics of interethnic relations, Gumilev now enjoys a degree of admiration and adulation matched by few if any other public intellectual figures in the former Soviet Union. He is freely compared to Albert Einstein and Karl Marx, and his works today sell millions of copies and have been adopted as official textbooks in Russian high schools. Universities and mountain peaks alike are named in his honor, and a statue of him adorns a prominent thoroughfare in a major city. Leading politicians, President Vladimir Putin very much included, are unstinting in their deep appreciation for his legacy, and one of the most important foreign policy projects of the Russian government today is clearly inspired by his particular vision of how the Eurasian peoples formed a historical community. In *The Gumilev Mystique*, Mark Bassin presents an analysis of this remarkable phenomenon. He investigates the complex structure of Gumilev's theories, revealing how they reflected and helped shape a variety of academic as well as political and social discourses in the USSR, and he traces how his authority has grown yet greater across the former Soviet Union. The themes he highlights while untangling Gumilev's complicated web of influence are critical to understanding the political, intellectual, and ethno-national dynamics of Russian society from the age of Stalin to the present day.

Russia and Eurasia 2016-2017 Brent Hierman, 2016-08-25. Published and updated annually. *Russia and Eurasia* deals with the twelve independent republics that became members of the Commonwealth of Independent States following the collapse of the Soviet Union in December 1992. The text focuses strongly on recent economic and political developments, with shorter sections dealing with foreign policy, the military, religion, education, and specific cultural elements that help to define each republic and differentiate one from the other. Approximately one third of the book is devoted to Russia but also includes sections on Ukraine, Belarus, Moldova, Armenia, Azerbaijan, Georgia, Kazakhstan, Kyrgyzstan, Tajikistan, Turkmenistan, and Uzbekistan. How the Commonwealth of Independent States came into being and how it has evolved since 1992 is also discussed. The combination of factual accuracy and up-to-date detail, along with its informed projections, make this an outstanding resource for researchers, practitioners in international development, media professionals, government officials, potential investors, and students.

Russia in the Twentieth Century David R. Marples, 2014-01-14. The history of Russia as the natural successor to the Soviet Union is of crucial importance to understanding why communism ultimately lost out to Western democracy and the free market system. David Marples presents a balanced overview of 20th-century Russian history and shows that although contemporary Russia has retained many of the practices and memories of the Soviet period, it is not about to revert back to the Soviet example.

Russia's Regional Identities Edith Clowes, Gisela Erbslöh, Ani

Kokobobo,2018-01-17 Contemporary Russia is often viewed as a centralised regime based in Moscow with dependent provinces made subservient by Putin s policies limiting regional autonomy This book however demonstrates that beyond this largely political view by looking at Russia s regions more in cultural and social terms a quite different picture emerges of a Russia rich in variety with different regional identities cultures traditions and memories The book explores how identities are formed and rethought in contemporary Russia and outlines the nature of particular regional identities from Siberia and the Urals to southern Russia from the Russian heartland to the non Russian republics Fascism Past and Present, West and East Roger Griffin,Werner Loh,Andreas Umland,2006-04-27 In the opinion of some historians the era of fascism ended with the deaths of Mussolini and Hitler Yet the debate about its nature as a historical phenomenon and its value as a term of historical analysis continues to rage with ever greater intensity each major attempt to resolve it producing different patterns of support dissent and even hostility from academic colleagues Nevertheless a number of developments since 1945 not only complicate the methodological and definitional issues even further but make it ever more desirable that politicians journalists lawyers and the general public can turn to experts for a heuristically useful and broadly consensual definition of the term These developments include the emergence of a highly prolific European New Right the rise of radical right populist parties the flourishing of ultra nationalist movements in the former Soviet empire the radicalization of some currents of Islam and Hinduism into potent political forces and the upsurge of religious terrorism Most monographs and articles attempting to establish what is meant by fascism are written from a unilateral authoritative perspective and the intense academic controversy the term provokes has to be gleaned from reviews and conference discussions The uniqueness of this book is that it provides exceptional insights into the cut and thrust of the controversy as it unfolds on numerous fronts simultaneously clarifying salient points of difference and moving towards some degree of consensus Twenty nine established academics were invited to engage with an article by Roger Griffin one of the most influential theorists in the study of generic fascism in the Anglophone world The resulting debate progressed through two rounds of critique and reply forming a fascinating patchwork of consensus and sometimes heated disagreement In a spin off from the original discussion of Griffin s concept of fascism a second exchange documented here focuses on the issue of fascist ideology in contemporary Russia This collection is essential reading for all those who realize the need to provide the term fascism with theoretical rigor analytical precision and empirical content despite the complex issues it raises and for any specialist who wants to participate in fascist studies within an international forum of expertise The book will change the way in which historians and political scientists think about fascism and make the debate about the threat it poses to infant democracies like Russia more incisive not just for academics but for politicians journalists and the wider public Ideology and Meaning-Making under the Putin Regime Marlene Laruelle,2025-01-14 Much has been written to try to understand the ideological characteristics of the current Russian government as well as what is happening inside the mind of Vladimir Putin Refusing pundits clich s that depict the Russian

regime as either a cynical kleptocracy or the product of Putin's grand Machiavellian designs. Ideology and Meaning Making under the Putin Regime offers a critical genealogy of ideology in Russia today. Marlene Laruelle provides an innovative multi-method analysis of the Russian regime's ideological production process and the ways it is operationalized in both domestic and foreign policies. Ideology and Meaning Making under the Putin Regime reclaims the study of ideology as an unavoidable component of the tools we use to render the world intelligible and represents a significant contribution to the scholarly debate on the interaction between ideas and policy decisions. By placing the current Russian regime into a broader context of different strains of strategic culture, ideological interest groups and intellectual history, this book gives readers key insights into how the Russo-Ukrainian War became possible and the role ideology played in enabling it.

Islam in Russia: The Politics of Identity and Security Shireen Hunter, 2016-09-16. This richly detailed study traces the shared history of Russia and Islam in expanding compass from the Tatar civilization within the Russian heartland to the conquered territories of the Caucasus and Central Asia to the larger geopolitical and security context of contemporary Russia on the civilizational divide. The study's distinctive analytical drive stresses political and geopolitical relationships over time and into the very complicated present. Rich with insight, the book is also an incomparable source of factual information about Russia's Muslim populations, religious institutions, political organizations and ideological movements.

A Century of Pulitzer Prize Russia Press Coverage 1922 - 2022 Heinz-Dietrich Fischer. This volume contains Russia-related articles and political cartoons over the span of a century. Developments during the 1920s and 1930s are documented and in the post-World War II period the Cold War became a major source of concern for the American press, also reflected in Pulitzer Prizes. There are awards about the Russian rulers like Lenin, Stalin, Malenkov, Bulganin, Khrushchev, Brezhnev, Gorbachev and Yeltsin followed by works on the many Putin years.

The Vexing Case of Igor Shafarevich, a Russian Political Thinker Krista Berglund, 2012-02-27. This is the first comprehensive study about the non-mathematical writings and activities of the Russian algebraic geometer and number theorist Igor Shafarevich (b. 1923). In the 1970s, Shafarevich was a prominent member of the dissidents' human rights movement and a noted author of clandestine anti-communist literature in the Soviet Union. Shafarevich's public image suffered a terrible blow around 1989 when he was decried as a dangerous ideologue of anti-Semitism due to his newly surfaced old manuscript, *Russophobia*. The scandal culminated when the President of the National Academy of Sciences of the United States suggested that Shafarevich, an honorary member, resign. The present study establishes that the allegations about anti-Semitism in Shafarevich's texts were unfounded and that Shafarevich's terrible reputation was cemented on a false basis.

At the Vanishing Point in History Marina F. Bykova, 2024-11-14. Putin's war has prompted a deep analysis and reevaluation of the forces driving this deadly confrontation. *At the Vanishing Point in History* brings together renowned humanities scholars and prominent novelists to explore the roots and causes of the ongoing catastrophe in Eastern Europe. This distinguished group of Russian migrants, well-versed in Russian culture, history and philosophy, aims to examine the past to

understand the present Experts in the inner workings of Russian society who have fled the country they believe it is their responsibility to critically assess the current crisis reflect on its origins and outline the agenda for future research in the humanities In response to this challenge they present a collection of analytical essays that offer essential background and context for understanding the unfolding events in Europe Today s Russia is perhaps the most representative example of the grave threat that tyranny poses to global civilization In its brutal attack on Ukraine Putin s regime holds not only Russians but all of humanity hostage The atrocities committed in the name of the Russian world make it urgent to thoroughly investigate Russia s current political pursuit in order to uncover its true origins and find a way forward *The United States and Europe: Policy Imperatives in a Globalizing World* Howard M. Hensel, 2017-11-22 This title was first published in 2002 This provocative volume explores key aspects of the contemporary relationship between the United States and the European powers as they attempt to address common issues as the international community enters a new millennium Representing diverse perspectives opinions analyses and recommendations regarding the regional and global problems and opportunities confronted by both the United States and the Europeans the book is particularly suitable for scholars and policy makers alike who contribute to ongoing discussions concerning this critical relationship

Russian Question Nationalism Modernization And Post Communist Russia Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Russian Question Nationalism Modernization And Post Communist Russia free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Russian Question Nationalism Modernization And Post Communist Russia free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to

filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Russian Question Nationalism Modernization And Post Communist Russia free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading Russian Question Nationalism Modernization And Post Communist Russia. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Russian Question Nationalism Modernization And Post Communist Russia any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Russian Question Nationalism Modernization And Post Communist Russia Books

What is a Russian Question Nationalism Modernization And Post Communist Russia PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Russian Question Nationalism Modernization And Post Communist Russia PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Russian Question Nationalism Modernization And Post Communist Russia PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Russian Question Nationalism Modernization And Post Communist Russia PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobat's export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Russian Question Nationalism Modernization And Post Communist Russia PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any

free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
