Russias Restless Frontier The Chechnya Factor In Post Soviet Russia:

Russia's Restless Frontier Dmitri V. Trenin,Alexey Malashenko,2010-04 The conflict in Chechnya going through its low and high intensity phases has been doggedly accompanying Russia s development In the last decade the Chechen war was widely covered both in Russia and in the West While most books look at the causes of the war explain its zigzag course and condemn the brutalities and crimes associated with it this book is different Its focus lies beyond the Caucasus battlefield In Russia s Restless Frontier Dmitri Trenin and Aleksei Malashenko examine the implications of the war with Chechnya for Russia s post Soviet evolution Considering Chechnya s impact on Russia s military domestic politics foreign policy and ethnic relations the authors contend that the Chechen factor must be addressed before Russia can continue its development

Russia's Islamic Threat Gordon M. Hahn,2007-01-01 Why contemporary Russia is a dangerous seedbed for radicalized Islam and what we should be doing about it The notion that the Chechen led jihad in the North Caucasus is an indigenous affair far removed from the global Islamist jihad is perhaps comforting to Americans and other Westerners but it is a myth Moreover the North Caucasus jihad may be the harbinger of a much larger Muslim challenge to Russia s political stability and state integrity So concludes Gordon M Hahn in this meticulously researched analysis of Russia s emerging Islamic threat Hahn draws an explicit picture of an already sophisticated and effective Chechen jihadist network that is expanding the territorial scope of its operations with inspiration and some assistance from the global jihadist movement Given its proximity to large stockpiles of diverse weapons the expanding population of Russian based Islamist terrorists is particular cause for alarm the author warns The book lifts the veil on the Muslim challenge to Russia s political stability national security and state integrity as well as the potentially grave threat to international and U S security Hahn shows that many of the demographic historical socioeconomic political and religious factors sparking jihadi revolution in Muslim countries are extant in Russia and are driving revolutionary Islamist terrorism there In a penetrating conclusion to the book the author analyzes the policies that have fueled the rise of militant Islam and offers a series of important recommendations for policymakers

Conflict in the Former USSR Matthew Sussex,2012-10-04 Since the collapse of the Soviet Union conflict in the former USSR has been a key concern in international security This book fills a gap in the literature on violent conflict evaluating a region that contains all the modern ingredients for instability and aggression Bringing together leading experts on war and security the book addresses current debates in international relations about power interests globalisation and the politics of identity as major drivers of contemporary war Incidents such as the 2008 Russo Georgian conflict the wars in Chechnya and Russia s struggles over national identity and resources with former communist states are all thoroughly examined With new issues like energy security terrorism and transnational crime and older tensions between East and West threatening to deepen once more this is an important contribution to the international security literature

The Organization for Security and Co-operation in Europe (OSCE) David J. Galbreath,2007-05-03 This volume examines the development and

evolution of the Organization of Security and Cooperation in Europe during and after the Cold War *Terrorism and the Politics of Naming* Michael Bhatia, 2013-10-18 Previously published as a special issue of Third World Quarterly this volume assesses the nature power role and function of names in global politics and the international media Names are not objective they accrue subjective associations for example Terrorist has a very different connotation to Freedom fighter The contributors seek the truth beneath the names assigned in an effort to remove the obscurity created by the power of the politics of naming to the reality of the situation taking examples from Al Qaeda Russia's demonization of the Chechens and naming in the Israeli Palestine conflict among other important contemporary debates *Terrorism and the Politics of Naming* makes a substantial contribution towards elucidating the power of naming in the discourse of conflict and will be of great interest to students and scholars of political philosophy political theory and politics and the media **Muslims in Putin's Russia** Simona E. Merati, 2017-06-01 This book offers a novel interpretation of Russian contemporary discourse on Islam and its influence on Russian state policies It shifts the analytical perspective from the discussion about Russia's Islam as a potential security threat to a more comprehensive view of the relationships of Muslims with Russia as a state and a civilization The work demonstrates how many Muslims increasingly express a sense of belonging to Russia and are increasingly willing to contribute to state building processes Russian Foreign Policy in the Twenty-First Century and the Shadow of the Past Robert Legvold, 2007-03-27 Because the turbulent trajectory of Russia's foreign policy since the collapse of the Soviet Union echoes previous moments of social and political transformation history offers a special vantage point from which to judge the current course of events In this book a mix of leading historians and political scientists examines the foreign policy of contemporary Russia over four centuries of history The authors explain the impact of empire and its loss the interweaving of domestic and foreign impulses long standing approaches to national security and the effect of globalization over time Contributors focus on the underlying patterns that have marked Russian foreign policy and that persist today These patterns are driven by the country's political makeup geographical circumstances economic strivings unsettled position in the larger international setting and above all its tortured effort to resolve issues of national identity The argument here is not that the Russia of Putin and his successors must remain trapped by these historical patterns but that history allows for an assessment of how much or how little has changed in Russia's approach to the outside world and creates a foundation for identifying what must change if Russia is to evolve A truly unique collection this volume utilizes history to shed crucial light on Russia's complex occasionally inscrutable relationship with the world In so doing it raises the broader issue of the relationship of history to the study of contemporary foreign policy and how these two enterprises might be better joined **From Conquest to Deportation** Jeronim Perovic, 2018-06-01 This book is about a region on the fringes of empire which neither Tsarist Russia nor the Soviet Union nor in fact the Russian Federation ever really managed to control Starting with the nineteenth century it analyses the state's various strategies to establish its rule over populations highly resilient to

change imposed from outside who frequently resorted to arms to resist interference in their religious practices and beliefs traditional customs and ways of life Jeronim Perovic offers a major contribution to our knowledge of the early Soviet era a crucial yet overlooked period in this region s troubled history During the 1920s and 1930s the various peoples of this predominantly Muslim region came into contact for the first time with a modernising state demanding not only unconditional loyalty but active participation in the project of socialist transformation Drawing on unpublished documents from Russian archives Perovi investigates the changes wrought by Russian policy and explains why from Moscow s perspective these modernization attempts failed ultimately prompting the Stalinist leadership to forcefully exile the Chechens and other North Caucasians to Central Asia in 1943 4 Democratic Breakdown and the Decline of the Russian Military Zoltan

Barany,2023-06-06 A rare behind the scenes look at Russian military politics Why have Russian generals acquired an important political position since the Soviet Union s collapse while at the same time the effectiveness of their forces has deteriorated Why have there been no radical defense reforms in Russia since the end of the cold war even though they were high on the agenda of the country s new president in 2000 Democratic Breakdown and the Decline of the Russian Military explains these puzzles as it paints a comprehensive portrait of Russian military politics Zoltan Barany identifies three formative moments that gave rise to the Russian dilemma The first was Gorbachev s decision to invite military participation in Soviet politics The second was when Yeltsin acquiesced to a new political system that gave generals a legitimate political presence The third was when Putin not only failed to press for needed military reforms but elevated numerous high ranking officers to prominent positions in the federal administration Included here are Barany s insightful analysis of crisis management following the sinking of the Kursk submarine a systematic comparison of the Soviet Russian armed forces in 1985 and the present and compelling accounts of the army s political role the elusive defense reform and the relationship between politicians and generals Barany offers a rare look at the world of contemporary military politics in an increasingly authoritarian state Destined to become a classic in post Soviet studies this book reminds us of the importance of the separation of powers as a means to safeguard democracy **The Caucasus - An Introduction** Frederik Coene,2009-10-16

This book presents a comprehensive introduction to the Caucasus It covers the geography and the historical development of the region economics politics and government population religion and society culture and traditions and conflicts and international relations It is written throughout in an accessible style and requires no prior knowledge International

Organizations and Internal Conditionality R. Fawn,2013-11-12 This book explores how norms based international organizations namely the Council of Europe and the OSCE are still able to win in world politics Fawn uses the concept of internal conditionality to explain how these organizations have been able to respond to members with a lack of material incentives or instruments of coercion **Putin** Richard Sakwa,2007-11-13 The new edition of this extremely well received

political biography of Vladimir Putin builds on the strengths of the first edition to provide the most detailed and nuanced

account of the man his politics and his profound influence on Russian politics foreign policy and society New to this edition analysis of Putin s second term as President more biographical information in the light of recent research detailed discussion of changes to the policy process and the lites around Putin developments in state society relations including the conflicts with oligarchs such as Khodorkovsky review of changes affecting the party system and electoral legislation including the development of federalism in Russia details on economic performance under Putin including more discussion of the energy sector and pipeline politics Russia s relationship with NATO after the big bang enlargement EU Russian relations after enlargement and Russia s relations with other post Soviet states the conclusion brings us up to date with debates over the question of democracy in Russia today and the nature of Putin s leadership and his place in the world Putin is essential reading for all scholars and students of Russian politics

Russia and Globalization Douglas W. Blum, 2008-03-26 Russia is a battered giant struggling to rebuild its power and identity in an era of globalization Several of the essays in this diverse and original collection point to the difficulty of guaranteeing a stable domestic order due to demographic shifts economic changes and institutional weaknesses Other contributors focus on the country s efforts to respond to the challenges posed by globalization and discuss the various ways in which Russia is reconceptualizing its role as an international actor Ambivalence is a recurrent theme according to editor Douglas W Blum ambivalence about globalization s costs and benefits and the efforts required to manage them

Iranian-Russian Encounters Stephanie Cronin, 2013 Over the past two hundred years encounters between Iran and Russia have been both rich and complex This book explores the myriad dimensions of the Iranian Russian encounter during a dramatic period which saw both Iran and Russia subject to revolutionary upheavals and transformed from multinational dynastic empires typical of the nineteenth century to modernizing authoritarian states typical of the twentieth The collection provides a fresh perspective on traditional preoccupations of international relations wars and diplomacy the hostility of opposing nationalisms the Russian imperial menace in the nineteenth century and the Soviet threat in the twentieth Going beyond the traditional this book examines subaltern as well as elite relations and combines a cultural social and intellectual dimension with the political and diplomatic In doing so the book seeks to construct a new discourse which contests the notion of an implacable enmity between Iran and Russia Bringing together leading scholars in the field this book demonstrates extensive use of family archives Iranian Russian and Caucasian travelogues and memoirs and newly available archives in both Iran and the countries of the former Soviet Union Providing essential background to current international tensions this book will be of particular use to students and scholars with an interest in the Middle East and Russia

Russian Exceptionalism between East and West Kevork Oskanian, 2021-06-22 This monograph provides a novel long term approach to the role of Russia s imperial legacies in its interactions with the former Soviet space It develops Hybrid Exceptionalism as a critical conceptual tool aimed at uncovering the great power s self positioning between East and West and its hierarchical claims over subalterns situated in both civilizational imaginaries It explores how in the Tsarist

Soviet and contemporary eras distinct civilizational spaces were created and maintained through narratives and practices emanating from Russia's ambiguous relationship with Western modernity and its part identification with a subordinated Orient. The Romanov Empire's struggles with Russianness, the USSR's Marxism-Leninism, and contemporary Russia's combination of feigned liberal and civilizational discourses are explored as the basis of a series of successive civilising missions through an interdisciplinary engagement with official discourses, scholarship, and the arts. The book concludes with an exploration of contemporary policy implications for the West and the former Soviet states themselves. **Russia and Eurasia 2016-2017** Brent Hierman, 2016-08-25. Published and updated annually. Russia and Eurasia deals with the twelve independent republics that became members of the Commonwealth of Independent States following the collapse of the Soviet Union in December 1992. The text focuses strongly on recent economic and political developments, with shorter sections dealing with foreign policy, the military, religion, education, and specific cultural elements that help to define each republic and differentiate one from the other. Approximately one third of the book is devoted to Russia but also includes sections on Ukraine, Belarus, Moldova, Armenia, Azerbaijan, Georgia, Kazakhstan, Kyrgyzstan, Tajikistan, Turkmenistan, and Uzbekistan. How the Commonwealth of Independent States came into being and how it has evolved since 1992 is also discussed. The combination of factual accuracy and up-to-date detail along with its informed projections make this an outstanding resource for researchers, practitioners in international development, media professionals, government officials, potential investors, and students.

Flawed Succession Uri Ra'anana, 2006-01-01. This authoritative study examines Russia's four key succession crises after Stalin's death throughout Khrushchev's primacy during the implosion of the USSR and with Putin's ascent to power. The distinguished authors argue that the common denominator has been the absence of a transparent, non-arbitrary, and lawful mechanism for the transfer of political power. Consequently, contenders for leadership have engaged in vicious power struggles followed by pseudo-legitimation of the victor. As Moscow reemerges as a major international actor, its unpredictability domestically triggers after-shocks well beyond Russia's borders. Drawing on newly available primary sources, this book provides essential insights for practitioners and students of policy alike. **The SAGE Encyclopedia of Terrorism, Second Edition** Gus Martin, 2011-06-15. Six years after publication of the first edition of the best-selling Encyclopedia of Terrorism, much has changed on the national security scene. Despite the dark promises of Osama bin Laden following the 9/11 attacks, the United States has not experienced any major domestic terror incidents. Al-Qaeda itself is believed to be a severely crippled organization. But while U.S. wars in Afghanistan and Iraq, not to mention the arrival of the Obama administration, a new balance of power within Congress, and an increasingly fragile economic picture have significantly affected the national security picture, the threat of economic chaos and massive loss of life due to terror attacks has not abated. Indeed, in July 2008, analysts pointed out that even a relatively small terrorist organization could present a dire threat, with some experts arguing that a biological, chemical, or even nuclear attack on a major U.S. city is all but

inevitable In this highly charged rapidly shifting environment we are pleased to present the The SAGE Encyclopedia of Terrorism Second Edition a thoroughly updated and expanded edition of the original highly regarded reference work Nearly 100 000 words of new material will be added along with fully updated original entries and expanded coverage New introductory essays will explore the impact of terrorism on economics public health religion and even pop culture Ethical issues such as the role of torture in interrogations competing notions of security versus liberty and the debates over FISA legislation and Guantanamo Bay will also be covered Two dozen entries on significant recent events such as the London bombings Chechen attacks on Russian interests and the rescue of Ingrid Bettancourt and some 60 additional new entries will restore the work as an up to the minute natural first stop for researchers **Post-Imperium** Dmitri V. Trenin, 2011-08-01

The war in Georgia Tensions with Ukraine and other nearby countries Moscow's bid to consolidate its zone of privileged interests among the Commonwealth of Independent States These volatile situations all raise questions about the nature of and prospects for Russia's relations with its neighbors In this book Carnegie scholar Dmitri Trenin argues that Moscow needs to drop the notion of creating an exclusive power center out of the post Soviet space Like other former European empires Russia will need to reinvent itself as a global player and as part of a wider community Trenin's vision of Russia is an open Euro Pacific country that is savvy in its use of soft power and fully reconciled with its former borderlands and dependents He acknowledges that this scenario may sound too optimistic but warns that the alternative is not a new version of the historic empire but instead is the ultimate marginalization of Russia **Russian Energy Policy and Military Power** Pavel K. Baev, 2012-12-06

This book examines the interplay between energy policy and security policy under Vladimir Putin and his drive to re-establish Russia's greatness Assessing the internal contradictions of this policy the book argues that Russia's desire to strengthen its role of energy security provider is undermined by its inability to secure growth in production of oil and gas Further the pressing demand to channel more resources into the military industrial complex clashes with the growing need to invest in the energy complex and the priority granted to strategic forces deprives the conventional forces of strike power and strategic mobility In conclusion the author anticipates how these contradictions could be resolved and suggests three short scenarios for Russia's continuing transition in the next decade This book will be of interest to students of Russian politics European politics and international security

Thank you utterly much for downloading **Russias Restless Frontier The Chechnya Factor In Post Soviet Russia**. Most likely you have knowledge that, people have seen numerous times for their favorite books in the manner of this Russias Restless Frontier The Chechnya Factor In Post Soviet Russia, but stop stirring in harmful downloads.

Russias Restless Frontier The Chechnya Factor In Post Soviet Russia Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In todays fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Russias Restless Frontier The Chechnya Factor In Post Soviet Russia PDF books and manuals is the internets largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making

research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Russias Restless Frontier The Chechnya Factor In Post Soviet Russia PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Russias Restless Frontier The Chechnya Factor In Post Soviet Russia free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Russias Restless Frontier The Chechnya Factor In Post Soviet Russia Books

What is a Russias Restless Frontier The Chechnya Factor In Post Soviet Russia PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Russias Restless Frontier The Chechnya Factor In Post Soviet Russia PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Russias Restless Frontier The Chechnya Factor In Post Soviet Russia PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Russias Restless Frontier The Chechnya Factor In Post Soviet Russia PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters

like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Russias Restless Frontier The Chechnya Factor In Post Soviet Russia PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
