RUSSIA'S FOREIGN POLICY

CHANGE and CONTINUITY
in NATIONAL IDENTITY

ANDREI P. TSYGANKOV

Russias Evolving Foreign Policy

Thomas Ambrosio

Russias Evolving Foreign Policy:

Vladimir Putin and the Evolution of Russian Foreign Policy Bobo Lo, 2008-04-30 Almost three years after the first voluntary handover of power in Russian history this book examines Putin s management of this complex agenda and considers how Moscow s current approach to international relations resembles and differs from that under Yeltsin Examines Putin s management of Russia s foreign policy two years after the first voluntary handover of power in Russian history Considers how Moscow s current approach to international relations resembles and differs from that under Yeltsin Analyses whether changes in foreign policy have been qualitative or largely cosmetic Explores growing talk of a strategic partnership with the US and the West Assesses the realism of such hopes and considers whether we are indeed witnessing a strategic shift in the mentality and conduct of such Russian foreign policy Russia's Evolving Foreign Policy, 1992-1994 Gordon Livermore, 1994 Russian Foreign Policy and the CIS Nicole J. Jackson, 2003-09-04 This book provides a systematic study of Russian foreign policy and the separatist and civil military conflicts in the former Soviet republics following the collapse of the Soviet Union **Russian Foreign Policy** Eric Shiraev, Konstantin Khudoley, 2018-12-12 Written by two leading scholars this cutting edge textbook provides a comprehensive re evaluation of Russian foreign policy in the 21st century covering its historical development key institutions and actors and processes principles and strategies It integrates domestic and global perspectives to give a more rounded and balanced assessment of Russia s place in the world This text will be essential reading on Russian foreign policy modules as well as on broader courses on Russian government and politics It can also be used as supplementary reading on more general comparative politics and foreign policy modules which use Russia as a key case study European Identities and Foreign Policy Discourses on Russia Marco Siddi, 2020-06-09 This book examines the relationship between national identity construction and current foreign policy discourses on Russia in selected European Union member states in 2014 2018 It shows that divergent national discourses on Russia derive from the different ways in which the country was constructed in national identity The book develops an interpretive theoretical framework and argues that policy makers agency can profoundly influence the contestation between different identity narratives It includes case studies in policy areas that are of primary importance for EU Russia relations such as energy security the Nord Stream 2 controversy the Ukraine crisis and Russia s military intervention in Syria Focusing on EU member states that have traditionally taken different stances vis vis Russia Germany Poland and Finland it shows that at the peak of the Ukraine crisis national discourses converged towards a pragmatic but critical narrative As the Ukraine crisis subsided and new events took centre stage in foreign policy discussions i e the Syrian civil war international terrorism long standing and identity based divergences partly re emerged in the discourses of policy makers This became particularly evident during the Nord Stream 2 controversy Deep rooted and different perceptions of the Russian Other in EU member states are still influential and lead to divergent national agendas for foreign policy towards Russia This book will be of interest to students and scholars working in

European and EU politics Russian and Soviet politics and International Relations *Russian Policy Towards China and Japan* Natasha Kuhrt, 2007-12-24 Drawing on the most up to date sources this book provides an in depth examination of Russia's relations with China and Japan the two Asia Pacific superpowers in waiting For Russia there has always been more than one Asia after the collapse of the Soviet Union there were those in the Russian elite who saw Asia as implying the economic dynamism of the Asia Pacific with Japan as the main player However there were others who saw the chance for Russia to reassert its claim to be a great power based on Russia's geopolitical and geoeconomic position as a Eurasian power For these China was the power to engage with together China and Russia could control both Heartland and Rim both Eurasia and Asia Pacific whereas accepting Japan's conception of Asia implied regional fragmentation and shared sovereignty This book argues that this strand of thinking mainly confined to nationalists in the Eltsin years has now under Putin become the dominant discourse among Russian policymakers Despite opportunities for convergence presented by energy resources even for trilateral cooperation traditional anxiety regarding loss of control over key resource areas in the Russian Far East is now used to inform regional policy leading to a new resource nationalism In light of Russia's new assertiveness in global affairs and its increasing use of the so called energy weapon in foreign policy this book will appeal not only to specialists on Russian politics and foreign policy but also to international relations scholars *Russia in the Changing International System* Emel Parlar Dal, Emre Erşen, 2019-08-26 This volume seeks to explore Russia's perceptions of the changing international system in the twenty first century and evaluate the determinants of Russian motives roles and strategies towards a number of contemporary regional and global issues The chapters of the volume discuss various aspects of Russian foreign policy with regard to key actors like the U S EU and China international organizations such as the BRICS Shanghai Cooperation Organization Eurasian Economic Union and Collective Security Treaty Organization and a number of regional conflicts including Ukraine and Syria The contributors seek to understand how the discourses of anti Westernism and post Westernism are employed in the redefinition of Russia's relations with the other actors of the international system and how Russia perceives the concept of regional hegemony particularly in the former Soviet space and the Middle East *Role Theory and Russian Foreign Policy* Damian Strycharz, 2022-04-27 Despite the increased interest in Russia and its international behaviour current analyses leave much unexplained Damian Strycharz fills this gap in the literature by analysing leaders perceptions and the interactions between internal and external factors shaping foreign policy decisions Challenging existing interpretations of Russian foreign policy and advancing our understanding on how role dynamics occur in non democracies Strycharz examines Russia's reactions to the 2003 4 colour revolutions in Georgia and Ukraine the Five Day War in Georgia and the Euromaidan Revolution He argues that divergent reactions to these upheavals result from a profound change in the leadership perceptions of Russia's international responsibilities Consequently a shift in the understanding of Russia's international duties and departure from the Western partner role resulted in more assertive

foreign policy behaviour exemplified by the intervention in Georgia and the annexation of Crimea The book demonstrates that processes of foreign policy formation in Russia are more complex and include more actors than commonly assumed Role Theory and Russian Foreign Policy is an ideal resource for scholars and researchers of international relations foreign policy and post Soviet politics

Russia's Changing Economic and Political Regimes Andrey Makarychev, Andre Mommen, 2013-07-18 The book reveals the interconnection between social cultural and political protest movements and social and economic changes in a post communist country like Russia still dominated by bureaucratic rulers and oligarchs controlling all basic industries and mining activities Those interests are also dominating Russia's foreign policy and explain why Russia did not succeed in becoming an integral part of Europe The latter is at least wished by many Russian citizens

Future NATO John Andreas Olsen, 2020-10-07 Future NATO looks at the challenges facing NATO in the 21st century and examines how the Alliance can adapt to ensure its continued success For more than 70 years the North Atlantic Alliance has helped to preserve peace and stability in the Euro Atlantic area It has been able to adjust to varying political and strategic challenges We must ensure that NATO continues to be effective in the future This requires looking ahead challenging habitual approaches exchanging ideas and advancing new thinking I highly recommend Future NATO to policymakers military professionals and scholars alike as it offers necessary critical and constructive analysis of current and future challenges posed to our security and defence Annegret Kramp Karrenbauer Minister of Defence Germany Since 1949 NATO has successfully upheld common principles and adapted to new realities As Future NATO examines the Alliance is facing a new set of external and internal challenges in the decades to come The Alliance and its partners need to remain committed to future changes I recommend this excellent study to all but especially to the younger generation of scholars and future policymakers Trine Bramsen Minister of Defence Denmark Over the last 70 years Europe has lived in peace and prosperity because of NATO with unity as our most important weapon We may have our differences but we will continue to work on our common cause to promote peace security and stability To effectively do so NATO needs to continuously adapt to changing security situations An important current challenge is to ensure European Allies take more responsibility for their security But we also need to look at future challenges and find innovative solutions for them Future NATO offers a useful analysis that can help us prepare for what is to come for the Alliance Ank Bijleveld Minister of Defence The Netherlands

Challenging America's Global Preeminence Thomas Ambrosio, 2017-07-05 Examining the shifts in Russian foreign policy and their potential impact on the status and influence of the United States in the international system this outstanding volume examines why the Kremlin initially sought an alliance with the United States and the internal and external reasons why such a policy was unsustainable In particular it looks for an explanation for the post Cold War vacillations in Russian foreign policy Russia made several decisions which were perceived domestically as being unacceptable capitulations to American interests Consequently a pro Western foreign policy became incompatible with Russian political culture The rapprochement following

9 11 was destined to be temporary due to the decision by the Bush administration to invade Iraq Contributing to the fields of international relations and comparative foreign policy this study provides a fresh approach to the balance bandwagon issue and takes into account the global repercussions of the recent war in Iraq It will be of particular value to specialists in Russian foreign policy international relations theory and US foreign policy *Russian Foreign Policy, 1994-1998* Gordon Livermore,1998 Russia as an Aspiring Great Power in East Asia P. Rangsimaporn,2009-08-27 Rangsimaporn argues that Russia aspires to become a great power and tries to achieve this through utilizing its position as a Eurasian country with vast territories in East Asia its economic assets primarily arms and energy and careful management of its role in a multipolar East Asia with a complex balance of power *Coping with Geopolitical Decline* Frédéric Mérand,2020-10-22 How great powers react to their inevitable decline shapes their own destiny as well as the course of international politics Leaders can decide to engage with others or isolate themselves to build alliances or initiate war to stoke up nationalism or invest in innovation to focus on economic competition or develop their people s soft power While some of these coping strategies foster cooperation others provoke conflict with neighbours In *Coping with Geopolitical Decline* leading political scientists historians and sociologists explore the strategies adopted by leaders and domestic elites to prevent reverse or deny the decline of their country Analyzing four European cases Byzantium England France Russia before turning to the contemporary debate in the United States they argue that geopolitics is not fate Coping strategies depend on the context which includes cultural representations of decline the experience of military defeat and domestic politics Whether elites choose to modernize their economy bolster their diplomatic status or launch preventive war makes a difference in the extent and speed of a country s decline By the same token coping strategies affect world order A well managed decline allows for a peaceful power transition Some strategies however may preserve the peace at the expense of a country s standing while others will stave off decline but encourage imperialist adventures or precipitate military conflicts As the United States challenges the liberal international order fights back China s ascendancy and reconsiders its traditional alliances *Coping with Geopolitical Decline* analyzes key lessons from Europe s experience and provides comparative insight into the likely dynamics of cooperation and conflict in the twenty first century **North Korea and Northeast Asia** Samuel S. Kim,Tai Hwan Lee,2002 North Korea s regime has managed to survive in the face of serious internal and external challenges Kim political science Columbia U US and Lee foreign policy and security studies Sejong Institute South Korea present eight essays that address North Korea s system survival strategies in the context of these challenges from a variety of theoretical perspectives including asymmetrical conflict theory mercantile neorealism and prospect theory The papers are organized into three sections that explore the broad theoretical and practical aspects of North Korean Northeast Asian relations Japan Russia South Korea and the United States are the Northeast Asian powers for the purposes of this discussion the global regional and national forces that have shaped patterns of conflict and cooperation with the Northeast Asian powers and the effects of the security and economic domains

on system survival strategies Annotation copyrighted by Book News Inc Portland OR *The Routledge Handbook of Russian International Relations Studies* Maria Lagutina, Natalia Tsvetkova, Alexander Sergunin, 2023-02-27 This handbook examines the study of international relations IR in Russia giving a comprehensive analysis of historical theoretic conceptual geographical and institutional aspects It identifies the place and role of Russia in global IR and discusses the factors that facilitate or impede the development of Russian IR studies The contributors represent diverse Russian regions and IR schools and offer an overview of different intellectual traditions and key IR paradigms in the post Soviet era Filling the vacuum in international understanding of the Russian perspective on pivotal international issues they demonstrate the continuity and change in Russia's international policy course over the past three decades and explain how different foreign policy schools and concepts have affected Russian foreign policy making and the decision making process Providing a unique contribution to the discussion on non Western IR theory this handbook will appeal to scholars and students of international relations Russian studies world politics and international studies **Brexit, President Trump, and the Changing Geopolitics of Eastern Europe** Theodor Tudoroiu, 2018-04-05 This book analyzes the combined consequences of Brexit and of the new US foreign policy under President Trump on the geopolitical situation of Eastern Europe It perceives the evolution of the East European regional security complex as a struggle between the European Union's Kantian win win geopolitical vision and Russia's neoclassical geopolitics also promoted by President Trump In the most probable scenario the latter approach will have the upper hand The EU's post Brexit control by the Franco German axis will likely be followed by the geopolitical irrelevance of the EU due to the renationalization of member states foreign policy with Germany becoming the main West European actor Consequently Eastern Europe will be turned into the arena of a mainly three cornered neoclassical geopolitics rivalry opposing Russia the Franco German axis and then Germany and the US in alliance with the post Brexit UK and certain East European states The book will appeal to scholars across the fields of International Relations Geopolitics European Studies and Area Studies A Strategy for Stable Peace James E. Goodby, Piet Buwalda, Dmitriï Trenin, 2002 The United States Russia and all the nations of Europe could eliminate war as a means of settling disputes among themselves It will not be easy but it is within their reach Thus begins this bold and yet pragmatic argument for creating a security community that runs from Vancouver to Vladivostok In *A Strategy for Stable Peace* three eminent diplomats and scholars from Europe and the United States urge us to make the new decade a turning point in history In place of the wars and near wars that have plagued Euroatlantic relations over centuries close and enduring cooperation can gradually be built on the basis of shared interests and common values After first outlining the concept of stable peace the volume describes the current political economic and security climates within Russia the European Union and the United States and then assesses various models before recommending a strategy for achieving a stable peace Drawing on their extensive experience the authors recommend a series of concrete practicable policies both long and near term that the leaders of their nations can

adopt *Russia, BRICS, and the Disruption of Global Order* Rachel S. Salzman, 2019-04-01 Russia's leadership in establishing the BRICS group Brazil Russia India China and South Africa is emblematic of its desire to end US hegemony and rewrite the rules of the international system Rachel S Salzman tells the story of why Russia broke with the West how BRICS came together why the group is emblematic of Russia's challenge to the existing global order and how BRICS has changed since its debut The BRICS group of non Western states with emerging economies is held together by a shared commitment to revising global economic governance and strict noninterference in the internal affairs of other countries BRICS is not exclusively a Russian story but understanding the role of BRICS in Russian foreign policy is critical to understanding the group's mission In a time of alienation from the Euro Atlantic world BRICS provides Russia with much needed political support and legitimacy While the longterm cohesion of the group is uncertain BRICS stands as one of Vladimir Putin's signature international accomplishments This book is essential reading for scholars and policymakers interested in Russian foreign policy the BRICS group and global governance

Russia's Posture in Space Marco Aliberti, Ksenia Lisitsyna, 2018-06-13 The book sheds new lights on the evolution of Russian space activities with a focus on their strategy of international cooperation This analysis is carried out in relation to the evolution of the domestic and international dynamics that have been impacting the country's direction in space with the ultimate goal of providing an assessment on their impact for current and foreseeable Europe Russia space relations Russia has traditionally been one of the two main strategic partners for Europe in its space endeavor Hitherto long standing cooperation has been nurtured between the two actors in various areas from scientific research to space transportation and human spaceflight In recent years however a number of endogenous and exogenous developments has triggered significant changes in Russia's space posture These changes are evident in the adjustment of Russia's space policies and programmatic goals in the restructuring of the domestic space industry as well as in the attitude towards international space partnerships

Russias Evolving Foreign Policy Introduction

In today's digital age, the availability of Russias Evolving Foreign Policy books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Russias Evolving Foreign Policy books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Russias Evolving Foreign Policy books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Russias Evolving Foreign Policy versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Russias Evolving Foreign Policy books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Russias Evolving Foreign Policy books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Russias Evolving Foreign Policy books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to

borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Russias Evolving Foreign Policy books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Russias Evolving Foreign Policy books and manuals for download and embark on your journey of knowledge?

FAQs About Russias Evolving Foreign Policy Books

1. Where can I buy Russias Evolving Foreign Policy books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Russias Evolving Foreign Policy book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Russias Evolving Foreign Policy books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.

6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are Russias Evolving Foreign Policy audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
