Cloak and Dagger Fiction Myron J. Smith, 1982 A new edition of the definitive bibliography of the modern spy adventure intrigue novel First published in 1976 this edition has been thoroughly revised and updated After a discussion of early spy fiction Smith and White provide a detailed listing of novels from 1940 onward *Monographic Series* Library of Congress,

The Revolutionary Mystique and Terrorism in Contemporary Italy Richard Drake, 2021-03-02 What drives terrorists to glorify violence In *The Revolutionary Mystique and Terrorism in Contemporary Italy* Richard Drake seeks to explain the origins of Italian terrorism and the role that intellectuals played in valorizing the use of violence for political or social ends Drake argues that a combination of socioeconomic factors and the influence of intellectual elites led to a sanctioning of violence by revolutionary political groups in Italy between 1969 and 1988 Drake explores what motivated Italian terrorists on both the Left and the Right during some of the most violent decades in modern Italian history and how these terrorists perceived the modern world as something to be destroyed rather than reformed In 1989 *The Revolutionary Mystique and Terrorism in Contemporary Italy* received the Howard R Marraro Prize from the Society for Italian Historical Studies It was awarded for the best book that year on Italian history The book is reissued now with a new introduction for the light it might shed on current terrorist challenges The Italians had success in combating terrorism We might learn something from their example The section of the book dealing with the Italian superfascist philosopher Julius Evola holds special interest today Drake's original work takes on new significance in the light of Evola's recent surge of popularity for members of America's alt right movement *Gung-ho*, 1981
