

Ben's mother initially struggled to accept their union, as the cultural differences strained their connection. During her trip, Ben's mother orchestrated a traditional, Muslim wedding ceremony for the pair. Ben's mother planned this *nikah*, which she felt officially married the two.⁸⁹

Fig. 4.

His mother wanted Virginia to change her first name, a popular tradition in many South Asian Muslim cultures for convert wives. When she refused to change her name, Ben's mother grew upset, resorting to calling Virginia "Ben's Madame" for the first few years.⁹⁰ Religion proved to be the source of tension between Virginia and her mother-in-law. Virginia struggled to reconcile religious faith with the cultural traditions of a specifically IndoTrinidadian Islam. For instance, Virginia recounted how Ben would always tell her to cover her head in the kitchen or how she would always need to wear a certain length sleeve to the mosque.⁹¹ This tension strained her faith in Allah, as she had to inwardly work through external pressures placed on her relationship.

Saada His Story:

Our Stories South Asian American Digital Archive,2021-08-17 to suddenly discover yourself existing Our Stories An Introduction to South Asian America is an anthology rooted in community Bringing together the voices of sixty four authors including a wide range of scholars artists journalists and community members Our Stories weaves together the myriad histories experiences perspectives and identities that make up the South Asian American community This volume consists of ten chapters that explore both the history of South Asian America spanning from the 1780s through the present day and various aspects of the South Asian American experience from civic engagement to family Each chapter offers stories of struggle resistance inspiration and joy that disrupt dominant narratives that have erased South Asian Americans role in U S history and made restrictions on our belonging By combining these narratives Our Stories illustrates the diversity vibrancy and power of the South Asian American community Asian American Histories of the United States Catherine Ceniza Choy,2022-08-02 An inclusive and landmark history emphasizing how essential Asian American experiences are to any understanding of US history Original and expansive Asian American Histories of the United States is a nearly 200 year history of Asian migration labor and community formation in the US Reckoning with the onset of the COVID 19 pandemic and the surge in anti Asian hate and violence award winning historian Catherine Ceniza Choy presents an urgent social history of the fastest growing group of Americans The book features the lived experiences and diverse voices of immigrants refugees US born Asian Americans multiracial Americans and workers from industries spanning agriculture to healthcare Despite significant Asian American breakthroughs in American politics arts and popular culture in the twenty first century a profound lack of understanding of Asian American history permeates American culture Choy traces how anti Asian violence and its intersection with misogyny and other forms of hatred the erasure of Asian American experiences and contributions and Asian American resistance to what has been omitted are prominent themes in Asian American history This ambitious book is fundamental to understanding the American experience and its existential crises of the early twenty first century **Urgent Archives** Michelle Caswell,2021-05-19 Urgent Archives argues that archivists can and should do more to disrupt white supremacy and hetero patriarchy beyond the standard liberal archival solutions of more diverse collecting and more inclusive description Grounded in the emerging field of critical archival studies this book uncovers how dominant western archival theories and practices are oppressive by design while looking toward the the radical politics of community archives to envision new liberatory theories and practices Based on more than a decade of ethnography at community archives sites including the South Asian American Digital Archive SAADA the book explores how members of minoritized communities activate records to build solidarities across and within communities trouble linear progress narratives and disrupt cycles of oppression Caswell explores the temporal representational and material aspects of liberatory memory work arguing that archival disruptions in time and space should be neither about the past nor the future but about the liberatory affects and

effects of memory work in the present Urgent Archives extends the theoretical range of critical archival studies and provides a new framework for archivists looking to transform their practices The book should also be of interest to scholars of archival studies museum studies public history memory studies gender and ethnic studies and digital humanities Controlling Knowledge Louis Brenner,2001-03-22 I know of no one who has taken such an ambitious swath of time and done such a good job of showing the continuity and change across those one hundred years a splendid achievement the result of decades of research and reflection David Robinson Controlling Knowledge examines the history of West African Muslim society in the Republic of Mali formerly the Soudan Fran ais in the 20th century Focusing on the transformation of Muslim institutions especially modernized Muslim schools m dersas and voluntary organizations over the past hundred years Louis Brenner uncovers the social and political processes that have produced new forms definitions and expressions of Islam that are patently different from those that prevailed a century earlier Brenner s study shows that Muslim society in Mali is religiously pluralistic and that it has developed different ways of relating religious obligations to prevailing social and political conditions Although they were heavily influenced by French and Middle Eastern models Brenner demonstrates that it was in opposition to French colonial authority that the first m dersas and voluntary associations appeared The complex array of power relations within which these institutions evolved under French colonial rule and in the postcolonial secularist state is revealed in this thoughtful book Controlling Knowledge makes a major contribution to our understanding of Muslim history in Mali and West Africa both in recent decades and over the long term **Reading Witchcraft** Marion Gibson,2005-08-08 In this original study of witchcraft Gibson explores the stories told by and about witches and their victims through trial records early news books pamphlets and fascinating personal accounts The author discusses the issues surrounding the interpretation of original historical sources and demonstrates that their representations of witchcraft are far from straight forward or reliable Innovative and thought provoking this book sheds new light on early modern people s responses to witches and on the sometimes bizarre flexibility of the human imagination **Lord Cornwallis Is Dead** Nico Slate,2019-02-11 Do democratic states bring about greater social and economic equality among their citizens Modern India embraced universal suffrage from the moment it was free of British imperial rule in 1947 a historical rarity in the West and yet Indian citizens are far from realizing equality today The United States the first British colony to gain independence continues to struggle with intolerance and the consequences of growing inequality in the twenty first century From Boston Brahmins to Mohandas Gandhi from Hollywood to Bollywood Nico Slate traces the continuous transmission of democratic ideas between two former colonies of the British Empire Gandhian nonviolence lay at the heart of the American civil rights movement Key Indian freedom fighters sharpened their political thought while studying and working in the United States And the Indian American community fought its own battle for civil rights Spanning three centuries and two continents Lord Cornwallis Is Dead offers a new look at the struggle for freedom that linked two nations While the United States remains the

world's most powerful democracy India the world's most populous democracy is growing in wealth and influence Together the United States and India will play a predominant role in shaping the future of democracy **The Short Stories of**

Over the last 40 years autobiography in Arab societies has moved away from exemplary life narratives and toward more unorthodox techniques such as erotic memoir writing postmodernist self fragmentation cinematographic self projection and blogging Valerie Anishchenkova argues that the Arabic autobiographical genre has evolved into a mobile unrestricted category arming authors with narrative tools to articulate their selfhood Reading works from Arab nations such as Egypt Iraq Morocco Syria and Lebanon Anishchenkova connects the century's rapid political and ideological developments to increasing autobiographical experimentation in Arabic works The immense scope of her study also forces consideration of film and online forms of self representation and offers a novel theoretical framework to these various modes of autobiographical cultural production *Summary of Tass Saada's Once an Arafat Man* Everest Media,2022-06-15T22:59:00Z Please note This is a companion version not the original book Sample Book Insights 1 The town of al Karamah was occupied by Israel Defense Forces the day after the Six Day War who were there to take out the Fatah guerrilla fighters hiding there They did not expect the Palestinians to fight with honor 2 The battle continued and the Israelis began to take casualties The Fatah fighters were prepared to die as they knew that if they survived they would regain their honor 3 The Battle of al Karamah was a huge victory for the Palestinian forces We had shown the world that we were no longer just a bunch of refugees but a proud and courageous people who had been robbed of our homeland Race and Media Lori Kido Lopez,2020-12-15

A foundational collection of essays that demonstrate how to study race and media From graphic footage of migrant children in cages to BlackLivesMatter and OscarsSoWhite portrayals and discussions of race dominate the media landscape Race and Media adopts a wide range of methods to make sense of specific occurrences from the corporate portrayal of mixed race identity by 23andMe to the cosmopolitan fetishization of Marie Kondo As a whole this collection demonstrates that all forms of media from the sitcoms we stream to the Twitter feeds we follow confirm racism and reinforce its ideological frameworks while simultaneously giving space for new modes of resistance and understanding In each chapter a leading media scholar elucidates a set of foundational concepts in the study of race and media such as the burden of representation discourses of racialization multiculturalism hybridity and the visibility of race In doing so they offer tools for media literacy that include rigorous analysis of texts ideologies institutions and structures audiences and users and technologies The authors then apply

these concepts to a wide range of media and the diverse communities that engage with them in order to uncover new theoretical frameworks and methodologies From advertising and music to film festivals video games telenovelas and social media these essays engage and employ contemporary dialogues and struggles for social justice by racialized communities to push media forward Contributors include Mary Beltr n Meshell Sturgis Ralina L Joseph Dolores In s Casillas Jennifer Lynn Stoever Jason Kido Lopez Peter X Feng Jacqueline Land Mari Casta eda Jun Okada Amy Villarejo Aymar Jean Christian Sarah Florini Raven Maragh Lloyd Sulafa Zidani Lia Wolock Meredith D Clark Jillian M B ez Miranda J Brady Kishonna L Gray Susan Noh
