

A large, leafy tree stands in a field of tall grass. The scene is set at sunset or sunrise, with a warm, golden light illuminating the landscape. In the background, a body of water and distant hills are visible under a clear sky. A simple wooden bench is positioned to the right of the tree's base.

**Guide to the Book of Deuteronomy** Reuven Travis,2022-06-13 One of the most common phrases in the Torah is And the LORD spoke to Moses saying So many of the Torah s commandments are introduced in this way These words represent God speaking to Moses and instructing him what to repeat or teach to the Jewish people Yet this phrase is not found at all in Deuteronomy and this helps explain why this book is so very different from the other books of the Torah Deuteronomy is Moses s book It is the record of Moses s final speech to the Jewish people before his death But this leads to a very basic and

very fundamental question Why are the words of man even a man as great as Moses part of God s holy Torah A very good question a powerful one indeed And while we may not come up with a good or satisfying answer this book examines and presents life lessons just as important as those found in any other biblical text *Christian Statesman* ,1906
