From Boy to Sissy baby (Diaper Version) Michael Bent, Madeline Wood, Ben Pathen, 2024-07-02 The sissy baby is a very common and wonderful part of the wide ABDL landscape A boy man that wants diapers for sure but also panties and perhaps a bra They want baby clothes like we all do but mainly baby girl dresses frilly bonnets pink outfits a pink pacifier dolls to play with and a feminine crib and nursery This collection of four wonderful books is all about that About boys who want to be sissy baby girls even if they don t know that at the beginning These are not erotic tales of sissy sex or sizzling adventures into sissyness Rather they are stories of how real life sissy babies appear and develop and the people family around them that embrace and enhance their lives You will love these wonderful books and the characters you will meet as they discover and realise their true identity as a Sissy Baby Girl The book titles are A Mother s Love Home Detention The Book Club Baby Where Big Babies Live 167 000 words *Torque:*

The Trouble With Fire Fiona Kidman, 2011-11-01 A beautiful collection of stories by a pre eminent writer shortlisted for major awards Fiona Kidman has a genius for peeling back the lives of ordinary people to reveal their hidden passions and complexities In this brilliant new collection she explores with her customary subtlety and insight how we are all touched and sometimes scarred by the flames of emotion whether it be the impossible love of a pregnant woman for a married man grief for a dead baby or loss of a young woman in mysterious circumstances Ranging in time from the colonial period to the present day these stories by one of New Zealand's foremost writers are beautifully crafted intriguing and evocative Her stories remind me of those of Alice Munro Though they are very much of a time and place they have a universal dimension Booksellers News Shortlisted for the NZ Post Awards and the Frank O'Connor Short Story Award

Preservation Fiona Kidman, 2013-09-20 A serious but also blackly funny short story about old friendships

love and formaldehyde by one of New Zealand's most distinguished writers. Now middle aged the one time teenage rebels live staid safe lives while their friend Jan who had been the good one of their pack is now locked up in prison. With Jan's mother just dead there is no one to organise the funeral except for her two old class mates. They agree to help but Jan's request for a special dress for the corpse leads to a moral dilemma.

Coopers Hollow Daniel Cross, 2011-10-26 Welcome to Coopers Hollow. It's not your ordinary small town. You're just passing through a little Indiana town in the 1950s when your car breaks down. What to do? Fortunately a helpful old fellow offers to take you in hand. He'll direct you to the service station. Show you the town. Introduce its citizens. Tell you about its history. Even buy you a beer. What do you say? You say yes. And with that the talkative fellow regales you with stories about the townsfolk. Stories about ordinary people who find themselves in extraordinary situations. Stories that slip just a little over the edge of your everyday world. A woman receives a desperate warning phone call from herself placed years before. A rude ill tempered man is warned of his imminent death. All ten versions of it. A little girl discovers that her wonderful special gift works in unforeseen ways. A man pawns his soul then later learns it has been sold. Will he take an inferior one in trade? As children of a recently departed grandmother reminisce about her they make a strange discovery. An unusual watch provides the means for a long suffering wife to get rid of her cheating husband. A writer promises his publisher a bestseller then turns to a ghostwriter. One of his own characters. Trick or treating kids are joined by a strange companion sporting a very realistic monster costume. A strange radio helps a father and son even the odds against a crooked landlord and his bully son. A womanizer discovers that what he thought would be a weekend love nest is really a death trap. By the time your storyteller has finished his ten tales night has fallen. He guides you to the local motel where you two sit outside enjoying the air before you turn in. That's when he tells the truth about the town. And about you. Ten tales from just beyond the edge of the ordinary. And one final bonus tale. About you. Contact the author at jvshepherd1@aol.co
