Anna of Saxony

Ingrun Mann,2017-01-23 Since her early youth at the glittering court of Dresden Anna had been known as a difficult child and troublemaker Servants complained about her violent outbursts while courtiers bemoaned her general disregard for aristocratic female etiquette Upon reaching her teenage years the princess guardians decided that Saxony s enfant terrible should leave home as quickly as possible by marrying a foreign suitor in a preferably far away land Enter William of Orange handsome charming and heir to one of the Netherlands largest estates The fact that he was also a profligate partier and lover of women was conveniently overlooked Anna immediately fell for the Dutch bon vivant despite warnings from a few well meaning relatives For one William was a Catholic while Anna adhered to the Protestant teachings of Martin Luther critical voices cautioned correctly predicting future trouble for the princess in the Catholic Netherlands Furthermore the prince s liege lord the fanatical Philip II of Spain very much disapproved of a match between his premier vassal and a Lutheran heretic There was also the issue of plain Anna s growing obsession with the roguish William an obsession that was not reciprocated In the end the impetuous princess threw caution to the wind No other than William would do for a husband she insisted while publicly announcing that every vein in my body heartily loves him
