Sacrament of Sexuality Morton Kelsey, Barbara Kelsey, 1994-06-01 From celibacy to family from hetero to homosexuality and from the relationship of sexuality to scripture relationships marriage psychology and love What God Has Joined Peter J. Elliott, 2010-03-01 Much has been written about marriage from the sociological and psychological point of view and as an object of civil and canon law But in terms of systematic theology this treatment of marriage as a sacrament may very well be unique Every effort has been made to keep the text from becoming too academic while at the same time providing the average educated reader with a wealth of original insights into the mystery of marriage in creation and as transformed by Christ Chapters cover sacramental consent bond and covenant as well as the quest for the sign Such thorny problems as the role of faith in the sacrament marriage with an unbaptized person the most pressing ecumenical questions and the relationship between the sacrament and contraception are studied in depth Finally the sacrament of family is treated at some length with an eye to its social and redemptive dimensions **Love, Sexuality, and the Sacrament of Marriage**

John Chrysavgis, 1996 Two essays Love and Sexuality in the Image of Divine Love and The Sacrament of Marriage The Orthodox Service introduce the reader to the Orthodox perspective on this all important issue With extensive excerpts from twenty two Church fathers and modern Orthodox theologians ranging from Basil the Great and Gregory of Nyssa to Alexander Elchaninov and Kallistos Ware *Our Sexuality, the Primal Sacrament* Matt Tumulty, 2005-01-01 Sacrament of Sexuality. The Spirituality and Psychology of Sex Morton T. KELSEY, 1986 **Sex Is Holy** Mary Rousseau, Charles Gallagher, Chuck Gallagher, 1994-06-01 An exploration of the basis for a theology and spirituality of marriage that perceives sex and sexuality in its positive role in the sacrament of relationship **Sacramental Sexuality** Karen Aguilar, 1976 An Investigation of the Sacrament of Marriage, Sexuality and Celibacy in the Eastern Orthodox Faith Angelo Nicolaides, 2003

The Freedom of Sexual Love (Complete and Unabridged) Joseph Bird, 1970-08-11 This is a love story It is the story of sexual love the love of man and woman united in the mystery of a sacrament which joins them in one flesh On this compelling note Joseph and Lois Bird begin a detailed and sympathetic treatment of the Christian concept of sexuality in marriage The authors examine candidly and explicitly the physical psychological and spiritual dimension of the marital union as well as the responsibilities of marriage A mature comprehensive guide to the subject of human sexuality The Freedom of Sexual Love covers all aspects of love making with wholesomeness and reverence The authors emphasize the inseparability of spirit and flesh in Christian marriage stressing the involvement of the total personality Thus they consider fully the psychological and spiritual meaning found in sexual relations and the nature of man and woman as they interact as husband

and wife Throughout the book the authors stress that sexuality permeates every aspect of the human relationship in marriage and there is a need for the marriage partners to understand this fully Drawing upon the countless experiences of the many couples they have counseled and especially upon their own marriage the authors have succeeded in portraying the marital union as a commitment in love The Freedom of Sexual Love is an invaluable reading experience for anyone married about to be married or contemplating the sacrament of marriage *A Catholic Handbook on Sex* William C. Graham, 2011 Children of the Light know that human sexuality is not just about the pleasures of the flesh but about the witness of holy lives And holy lives need be neither dull nor lacking in pleasure So we ask not What and how much can I get away with and still hope to see the face of God but How can I feel confident that my deeds and my attitudes are in keeping with human dignity so that I can act and walk confidently as a son or daughter of the Most High God What does the Church teach If I do not immediately understand the wisdom of a position or teaching shall I presume that the Church is wrong and should change to share my opinion What if I find some teachings difficult either to understand or to put into practice These are the questions that launch Fr Graham's investigations into this topic Those who seek only a good time will find this book out of step with that desire Those who seek to participate as fully as possible in what it means to be both fully human and fully alive will be both cheered and challenged here **Sex is Holy** Mary Rousseau, Chuck Gallagher, 1991 The President of the Catholic Philosophical Society and the founder of the Marriage Encounter Movement team up to explore the basis for a theology and spirituality of marriage that perceives sex and sexuality in a positive role in the sacrament of a relationship *Sexuality, Marriage, and Family* Paulinus Ikechukwu Odozor, 2001 This comprehensive volume brings together an impressive array of Christian writers to examine sexuality marriage and family from the perspective of scripture ancient Christian writers Christian history the official teachings of the Catholic Church and contemporary theological reflection As useful as it is profound *Sexuality Marriage and Family* offers an in depth exploration of the moral and ethical considerations surrounding issues such as sexuality divorce remarriage conception and sexual equality It is an invaluable resource for college level courses on marriage parish based marriage preparation courses and the general reader who wishes to explore the issues debates and development of the Catholic tradition on sex marriage and family *The Mystery of Marriage: A Theology of the Body and the Sacrament* Perry J. Cahall, 2014-12-01 This remarkable study offers a comprehensive explanation of the Catholic Church's teaching on the sacrament of marriage Incorporating the rich insights found in St John Paul II's Theology of the Body Dr Cahall presents a theology of marriage that incorporates the biblical systematic pastoral and historical traditions which have shaped our understanding of this sacrament Sacraments William J. O'Malley, 1995 The progress of civilization has been in a very real sense a process of dehumanization History is a story of disenchantments not only in the sense of correcting naivete but of taking the magic out of everything
