Sacramental Consultation:

Sacramental Theology for a Modern and Future World Michael Debus, 2022-01-28 What Christ Jesus taught is not what is most important but rather what he has given humanity His resurrection is the birth of a new faculty within human nature Rudolf Steiner There are many books on sacramental theology some of which focus on a specific denomination while others aspire to rigorous academic objectivity Some also serve as an introduction to a particular branch of Christianity and Michael Debus's book serves that purpose well Nevertheless the author's integration of theological developments through the centuries with a discussion of the evolution of consciousness makes this book unique He addresses the fact that anyone looking for a new or renewed relationship to Christian religiosity must come to understand the center of religious cognitive consciousness and practical life the sacraments Is baptism merely a symbolic act or is it a reality that affects one's life Does a final unction affect a person's future stages of destiny How should we understand the transformation of bread and wine What spiritual processes are expressed in rituals The Christian Community working since 1922 as a conscious movement for religious renewal offers answers to these and other crucial questions Michael Debus speaks to readers who wish to understand more deeply the spiritual foundations of The Christian Community and its place in theological history and its role in Christianity today In Sacramental Theology for a Modern and Future World Michael Debus makes complex topics and concepts accessible to all who wish to understand the background and sacraments of The Christian Community and the Movement for Christian Renewal This book is a translation of *Auferstehungskraft im Schicksal Die Sakramente der Christengemeinschaft* Urachhaus 2011 Cover Image Ascension 45 cm x 45 cm watercolor painting by Ninetta Sombart used with the kind permission of Raffael Verlag and the artist's family photograph copyright by Thomas Spalinger

Crossing the Threshold Nicholas Wijnberg, Philip Martyn, 2003 Based on the Work of Rudolf Steiner When faced with the prospect of death our own or someone else's there is often little time to prepare This book presents a wealth of practical and spiritual guidance on all aspects of death and dying Writing from the perspective of Rudolf Steiner's spiritual philosophy the authors suggest ways of coping with the time leading up to death and also the period afterwards They examine different circumstances of death and offer advice on practical questions such as the arrangement of funerals laying out of the body legal requirements and wills They also suggest how those who remain on earth can continue to relate to the departed souls of the deceased

The Spirit of Community: the Power of the Sacraments in The Christian Community Ulrich Meier, 2024-04-23 A thoughtful exploration of the seven sacraments of The Christian Community from an experienced priest revealing how a stronger community connection can be formed through common worship Modern society places great emphasis on the individual as a dynamic creative force free to pursue their own goals and ambitions Despite this people still long to be part of a community and form meaningful relationships with other human beings One of the places this deeper connection can be found is in common worship In this thoughtful book Ulrich Meier shows how each of the seven sacraments

of The Christian Community contributes to community building For instance he explores how through baptism the community welcomes a new life on earth aware of the life that was lived in spirit before birth confirmation marks the transition from the close ties of parents and teachers to a wider community and in sacramental consultation individuals explore the relationship of their past actions to their future intentions This book is for people who wish to deepen their understanding of the sacraments and help to build a more vibrant church community

Gestures of God Geoffrey Rowell, Christine Hall, 2004-06-22 This important new collection of essays on a topic of vital importance is by a group of scholars from ten countries from a wide range of Christian traditions East and West and from various academic disciplines What has happened to sacramentality in an age which is on the one hand visual and on the other culturally cast adrift from the traditional symbolic universe in which sacramental theology was naturally at home This book is not just confined to a discussion of Eucharistic theology It examines both the historical roots of sacramentality the concept of a sacral person ways in which sacramentality may be re envisioned and the flourishing today of churches of a largely non sacramental style in an age which is increasingly visual rather than verbal The vital importance of the subject of this book is confirmed by the distinction of the contributors David Brown Professor of Theology at Durham University Timothy Jenkins Cambridge Bishop Geoffrey Rowell Oxford Jeremy Begbie St Andrews and Cambridge Ann Loades Durham David N Power Catholic University of America Sven Erik Brodd Uppsala Peter Bouteneff St Vladimir's Seminary New York and Susan A Ross Loyola University Chicago

One Baptism Susan K. Wood, 2009-07-01 Most Christians would say that baptism is the one sacrament Christians of all denominations share that it is the source of ecumenical unity among all Christian churches But how true is

that Is there really one baptism as we profess in the Nicene Creed If we disagree about what baptism does can we really say that baptism unites us To address this central question Susan Wood brings together the history and theology of baptism systematic sacramental and liturgical focusing especially on the divergent paths taken in the understanding of the sacrament since the Reformation Founded not only in her study of theology but also in her years of participation in ecumenical dialogues her perspective will illuminate this problem for readers and point the way toward deeper understanding

Enflamed by the Sacramental Word Vincent J. Pastro, 2010-04-15 Christian proclamation says Dietrich Bonhoeffer is the living Christ walking among the people Preachers know that Jesus is the living Word and that the Spirit of Jesus animates the preaching event Preaching is an epiclesis an invocation of the Holy Spirit over God's holy people As such it must touch their imagination Pastro proposes that preaching is the living ecclesial presence of Jesus Christ Sacramental Word of the God of the poor The Word speaks from the imagination of the poor the economic poor but also the new poor of the twenty first century entire indigenous cultures women those marginalized because of their sexuality undocumented immigrants in dominant cultures and many others All Christian preachers in every context are called to solidarity with the poor An Ecumenical Odyssey Stanley Jayakumar Yesudass, 2024 No less than two decades were needed for the composition of the ecumenical convergence document The Church Towards a Common Vision TCTCV which was published by the World Council of Churches in 2013 The document was intended to reflect a common vision of churches and ecumenical stakeholders on a myriad of ecclesiological themes The book investigates whether the convergence document TCTCV delivers on its promises The book focuses on the formation and the reception of TCTCV along with the two draft versions The Nature and Purpose of the Church 1998 and The Nature and Mission of the Church 2005 and uncovers whether the responses by the churches to TCTCV hold an affirmation of the convergences registered in the document Furthermore it seeks to establish whether the responses point towards a common vision concerning various ecclesiological themes that are still contested by the churches today The book also explores whether the responses to TCTCV reveal an advancement in the conversation surrounding several debated issues and examines to what extent the churches are willing to creatively engage with the ecclesial other

Just Do It?! Dagmar Heller, Minna Hietamäki, 2018-04-01 Warum feiern die verschiedenen christlichen Kirchen das Abendmahl immer noch getrennt In der Auseinandersetzung um diese Grundfrage des kumenischen Dialogs spielen immer wieder zwei Begriffe eine wichtige Rolle gegenseitige Anerkennung und Rezeption Aufnahme Annahme Es geht letztlich um die Anerkennung der jeweils anderen Kirchen als Ausdruck oder Form der einen Kirche Jesu Christi Diese ist aber nur möglich wenn alle beteiligten Seiten sich in einem Rezeptionsprozess die gemeinsam formulierten Einsichten zu eigen machen Der Band dokumentiert die Vorträge der 19 Wissenschaftlichen Konsultation der Societas Oecumenica Europäische Gesellschaft für kumenische Forschung die sich aus verschiedenen Perspektiven und mit verschiedenen Ansätzen mit diesen beiden Begriffen und ihrer Bedeutung bzw ihrem Potenzial für die kumenische Bewegung befassen Why do the different

Christian churches still celebrate the Lord's Supper separately. The discussion about this fundamental issue of ecumenical dialogue keeps coming back to two concepts that play an important role: mutual recognition and reception. In the end, it is about recognition of the other churches as an expression or form of the one church of Jesus Christ. This is only possible, however, if all the parties involved accept within a process of reception the insights they have formulated together. This volume documents the papers given at the 19th academic consultation of Societas Oecumenica, European Society for Ecumenical Research, and which deal with these two concepts from different perspectives and approaches and their importance or potential for the ecumenical movement. Sacramental Life Volume 32.1 Kate O. Unruh, Taylor Burton-Edwards, Beth Fender, Elizabeth Moore, Dwight Vogel, James Mahoney, Daniel Klawitter, 2020-04-08. Sacramental Life Volume 32.1 Lent/Easter 2020. Founded in 1988, Sacramental Life is one of two journals published by the Order of Saint Luke (OSL) Publications. It focuses on the emerging and historical practices of Christian communities. Print distribution is to the members of the Order globally as well as to a number of theology departments and seminary libraries in the United States.
