Sacramental Life A Festschrift Honoring Bernard Cooke:

A Sacramental Life Bernard J. Cooke, Michael Horace Barnes, William P. Roberts, 2003 The authors of this volume have explored diverse aspects of Bernard's major theological focus drawn from them and directly and indirectly addressed them in a variety of topics BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved The Essential Writings of Bernard Cooke Bernard Cooke, Bruce T. Morrill, 2016 **T&T Clark Handbook of Sacraments and Sacramentality** Martha Moore-Keish, James Farwell, 2022-12-29 Introducing readers to the contemporary field of sacramental theology this volume covers the biblical and historical foundations a survey of the state of the discipline and a collection of constructive essays representing major themes practices and approaches to sacraments and sacramentality in the contemporary world The volume starts with a set of foundational essays that offer broad introduction to the field of sacramental theology from contemporary scholars analysing a number of historical figures in order to illumine and inform contemporary sacramental theology The second part of the volume is dedicated to a series of essays on sacramentality and includes attention to elements of space time ritual action music and word all as aspects of what Christians have termed sacramental reality The third set of essays includes attention to each of the seven practices that have most commonly been termed sacraments in Christian traditions baptism eucharist Lord's Supper confirmation confession forgiveness and reconciliation marriage ordination and anointing The final part of this volume features scholars who are working on sacraments in conversation with contemporary academic disciplines critical race theory queer theory comparative theology and disability studies **The Wiley Blackwell Companion to Practical Theology** Bonnie J. Miller-McLemore, 2014-01-07 Through a series of essays contributed by leading experts in the field The Wiley Blackwell Companion to Practical Theology presents an introduction to practical theology as a major area of Christian study and practice including an overview of its key developments themes methods and future directions The first comprehensive reference work to provide a survey description and analysis of practical theology as an area of study A range of leading scholars in the field provide original contributions on the major areas issues and figures in practical theology Reviews an extensive range of methods for studying theology in practice along with sub disciplines in theological education such as pastoral care and preaching Covers developments in the discipline in a range of global contexts and distinct Christian traditions Shows how practical theology is relevant to everyday life **The Hidden History of Women's Ordination** Gary Macy, 2012-11-29 The Roman Catholic leadership still refuses to ordain women officially or even to recognize that women are capable of ordination But is the widely held assumption that women have always been excluded from such roles historically accurate How might the current debate change if our view of the history of women's ordination were to change In The Hidden History of Women's Ordination Gary Macy argues that for the first twelve hundred years of Christianity women were in fact ordained into various roles in the church He uncovers references to the ordination of women in papal episcopal and theological documents of the time and the rites for these

ordinations have survived The insistence among scholars that women were not ordained Macy shows is based on a later definition of ordination one that would have been unknown in the early Middle Ages

A Companion to Priesthood and Holy Orders in the Middle Ages Greg Peters, C. Colt Anderson, 2015-11-02 In *A Companion to Priesthood and Holy Orders in the Middle Ages* a select group of scholars explain the rise and function of priests and deacons in the Middle Ages Though priests were sometimes viewed through the lens of function the medieval priesthood was also defined ontologically those marked by God who performed the sacraments and consecrated the Eucharist While their role grew in importance medieval priests continued to fulfil the role of preacher confessor and provider of pastoral care As the concept of ordination changed theologically the practices and status of bishops priests and deacons continued to be refined with many of these medieval discussions continuing to the present day

A Companion to the Eucharist in the Middle Ages Ian Levy, Gary Macy, Kristen Van Ausdall, 2011-10-28 The Eucharist in the European Middle Ages was a multimedia event First and foremost it was a drama a pageant a liturgy The setting itself was impressive Stunning artwork adorned massive buildings Underlying and supporting the liturgy the art and the architecture was a carefully constructed theological world of thought and belief Popular beliefs spilling over into the magical celebrated that presence in several tumultuous forms Church law regulated how far such practice might go as well as who was allowed to perform the liturgy and how and when it might be performed This volume presents the medieval Eucharist in all its glory combining introductory essays on the liturgy art theology architecture devotion and theology Contributors include Celia Chazelle Michael Driscoll Edward Foley Stephen Edmund Lahey Lizette Larson Miller Ian Christopher Levy Gerhard Lutz Gary Macy Miri Rubin Elizabeth Saxon Kristen Van Ausdall and Joseph Wawrykow

Sacramental Presence Ruthanna B. Hooke, 2023-05-22 Drawing on performance studies and sacramental and liturgical theology Ruthanna B Hooke develops a theology of proclamation grounded in the body's experience of preaching The author explores the claim that preaching is a sacramental event of communion with the triune God by comparing the steps involved in voice production with the fourfold shape of the Eucharist This comparison yields a description of preaching as an event of self offering that allows space for the humanity of the preacher and as an encounter with the Holy Spirit that is communal and prophetic Preaching draws participants into Christ's dying and rising and hence into a mode of power known in vulnerability Calling hearers into the eschatological event of the resurrection preaching inherently moves toward proclamation on political and ethical issues Hooke uses this theological framework to offer ways of preaching on environmental crisis and on racism The author calls preachers to embodied engagement with preaching and describes a way for preachers to bear witness to Jesus Christ not only in the content of their proclamation but in their way of being in the preaching event

Becoming Beholders Karen E. Eifler, Thomas M. Landy, 2014-04-28 Catholic colleges and universities have long engaged in conversation about how to fulfill their mission in creative ways across the curriculum The sacramental vision of Catholic higher education posits that God is made manifest in the study of all disciplines *Becoming Beholders* is the

first book to share pedagogical strategies about how to do that Twenty faculty from many religious backgrounds and in fields such as chemistry economics English history mathematics sociology and theology discuss ways that their teaching nourishes students ability to find the transcendent in their studies *Divino Compañero* Sammy Alfaro, 2010-09-01 *Divino Companero* explores the necessary foundations for constructing a Hispanic Pentecostal Christology Although traditionally Pentecostal Christologies have been anchored in a two nature Chalcedonian model Alfaro proposes that Spirit Christology is a more suitable paradigm for a Hispanic Pentecostal Christology provided it is grounded in the experience faith and worship of its community and oriented toward liberative praxis After reviewing the christological reflection of early Pentecostals and the contemporary turn to Spirit Christology Alfaro lays out the main components needed to construct a christological model born out of the Hispanic Pentecostal reality rooted in the broader Pentecostal christological imagination and informed by the Pentecostal way of doing theology Following this method Alfaro concludes the central metaphor of Hispanic Pentecostal Christology is El Divino Companero for in their pilgrimage through this world it is Jesus the Divine Companion who through the Spirit guides and nurtures his followers on their way back home
