Okoro,2010 Religions and Discourse explores religious language in the major world faiths from various viewpoints including semiotics pragmatics and cognitive linguistics and reflects on how it is situated within wider intellectual and cultural contexts In particular a key issue is the role of figurative speech Many fascinating metaphors originate in religion e g revelation as a garment apostasy as adultery loving kindness as the circumcision of the heart

A General Doctrine of the Sacraments and the Mystery of the Eucharist Johann Auer,1995 In A General Doctrine of the Sacraments Johann Auer aims to achieve a deeper understanding of the inner structure of the sacraments and of how they determine the structure of our Christian existence In The Mystery of the Eucharist Auer takes account of the biblical historical and theological aspects of the Church s teaching on the Eucharist

Understanding The Sacraments Today Lawrence E. Mick,2016-03-24 The sacraments are at the heart of our life as Catholics the way we celebrate together our continuing conversion and encounter with God Baptism Confirmation Eucharist Penance Anointing Marriage and Holy Orders al are activities that require preparation to bring us to the fullness of our life in community and in Christ Chapter by chapter Father Lawrence Mick puts these core experiences into their historical and theological context and illuminates the ways the sacraments bring us together as God s people Ever conscious of the complex history of the church and its dynamic relationship to ritual as well as the varied histories of human communities Understanding the Sacraments Today is a book to be visited and revisited a companion to the ongoing and repeated practices that nourish us Lawrence E Mick a priest in the Archdiocese of Cincinnati is a liturgical consultant and writer whose numerous books include Living Baptism Daly published by Liturgical Press He has also been active in parish retreat and campus ministries *Today's Parish* ,1990 *Discover the Untold Stories of Faith and Sacrifice* Shawn Armstrong,2025-10-20 Delve into the transformative journeys of the twelve apostles the foundational figures of Christianity whose lives echo through history This compelling exploration uncovers not only their significant contributions to early Christian teachings but also the profound circumstances surrounding their

martyrdoms Each chapter illuminates the unique paths of these men ranging from Peter's leadership and Andrew's missionary spirit to Judas Iscariot's tragic betrayal Through meticulous historical analysis and theological reflection this book examines how their sacrifices shaped Christian doctrine and community structure With a focus on their individual stories including the beloved John and the doubting Thomas readers will gain insight into their enduring legacies and relevance in contemporary faith As you journey through these rich narratives you will find a call to reflect on your own beliefs in light of their teachings Join us in uncovering the lives that forged a religion an exploration that promises to deepen your understanding of faith history and sacrifice Embrace this opportunity to engage with the apostles' inspiring legacies today

The Sacrament of the Word Made Flesh Robert J. Stamps, 2013-08-01 Robert Stamps offers us a compelling case for the significance of the theology of Thomas Torrance to current discussions about Trinitarian doctrine and worship He shows that Torrance's Christology and Eucharistic thought validates the Reformed confession of a profound real spiritual presence in the Eucharist This book serves as a helpful introduction to Torrance especially his framing of revelation Moreover it invigorates our understanding of the theological meaning of sacramental devotion Its readers will be stimulated provoked and dare I say inspired by its insights into and critiques of one of the most important and recent Reformed thinkers In sum this is a timely and exciting book It will well serve pastors theologians and thoughtful Christians of many theological perspectives MARK VALERI E T Thompson Professor of Church History Union Theological Seminary Virginia One of the values of this work is that it has deliberately sought not so much to discuss a particular problem or a collection of issues as to identify Torrance as an example of an archetypal Reformed theology of the Eucharist To say that Dr Stamps has been industrious is patently an understatement the truth is that he has been indefatigable in his search for the least morsel that Torrance offers Yet it is not so much as a study of Torrance that this book is to be commended its great value is that it offers a contextualization of Torrance's thinking on the Eucharist in ecclesiology the more general dimension of an incarnational theology as well as his understanding of cosmology and epistemology I hope that Dr Stamps' book will not only find grateful readers but will be repaid by profound reflection on this symbol of the heart of faith JOHN HEYWOOD THOMAS Emeritus Professor of Theology University of Nottingham

course of life Is it of importance in one s own development and in the development of society Where can one learn about it How does one deal with it Are there people equipped to guide others from this perspective Towards Religious Identity offers a framework that can contribute to people s competence in discovering the meaning of the personal life story from a spiritual perspective M P J van Knippenberg is professor of pastoral theology at Tilburg University The Netherlands From the Contents Part 1 Identification 1 Development and Characteristics 2 Ecclesiastical and Poimenic Position 3 Path of Life and Perspective Part 2 Progress and Content 4 Process and Guidance 5 Question as to Meaning and Christian Faith 6 Theology and Identity Part 3 In Practice 7 Guidance Model 8 Competence and Applications
