Sacraments An Ecumenical Dilemma Concilium Vol 24:

The Sacraments: an Ecumenical Dilemma, 1966 **The Oxford Handbook of Ecumenical Studies** † Geoffrey Wainwright, Paul McPartlan, 2021-05-25 The Oxford Handbook of Ecumenical Studies is an unparalleled compendium of ecumenical history information and reflection With essay contributions by nearly fifty experts in their various fields and edited by two leading international scholars the Handbook is a major resource for all who are involved or interested in ecumenical work for reconciliation between Christians and for the unity of the Church Its six main sections consider respectively the different phases of the history of the ecumenical movement from the mid nineteenth century to the present the ways in which leading Christian churches and traditions Orthodox Anglican Methodist Catholic Lutheran Reformed Baptist and Pentecostal have engaged with and contributed to the movement the achievements of ecumenical dialogue in key areas of Christian doctrine such as Christology and ecclesiology baptism Eucharist and ministry morals and mission and the issues that remain outstanding various ecumenical agencies and instruments such as covenants and dialogues the World Council of Churches the Pontifical Council for Promoting Christian Unity and the Global Christian Forum the progress and difficulties of ecumenism in different countries areas and continents of the world the UK and the USA Africa Asia South America Europe and the Middle East and finally two all important questions are considered by scholars from various traditions what would Christian unity look like and what is the best method for seeking it This is a remarkably comprehensive account and assessment of one of the most outstanding features of Christian history namely the modern ecumenical movement **The Authentic Doctrine of the Eucharist** Teresa Whalen, 1993 At the heart of Roman Catholicism lies the celebration of the Eucharist as it both expresses and renews the living faith of Catholics Each new generation accepts the tradition even as it articulates its own authentic understanding and expression of the Eucharistic doctrine The Authentic Doctrine of the Eucharist documents the rich heritage of this living tradition [A History of the Ecumenical Movement, Volume 2](#) Harold C. Fey, 2009-12-01 Volume 2 1948 1968 first appeared in 1970 It covers the history of the World Council of Churches from its first assembly at Amsterdam to its fourth assembly at Uppsala Sweden analyzes the development of regional ecumenical organizations and recounts the impact of the Second Vatican Council on the ecumenical witness of the Roman Catholic Church **Gift and Promise** Peter Schmiechen, 2016-12-09 What would happen if the liturgy for the Lord's Supper started with the images in the New Testament rather than the divisions of our past It would be like going through an open door into a new world There we would find a new Passover celebration a new covenant and remembrance and proclamation of Jesus death and resurrection all in the context of the kingdom of God It would be an evangelical Lord's Supper This is a high risk operation given the reliance by many on transactional sacrifice and the tendency to reduce the Supper to a sacrament of penance for individuals Ideas rejected by Luther and Calvin now reappear even among Protestants The goal cannot be reached by subtracting a few things and adding references to eschatology and joy The good news is that

many churches have already taken steps to reform their liturgies To support that process here is a clear and consistent evangelical perspective based on the theology and biblical considerations that have formed our faith and practice

The Fascinated God Robert E. Zinser,2003-10 I loved her inasmuch as day one and when day two came I married her on day three she made me a gallant father to three beautiful kids On day four we sat on our porch and watch our grand children play hide and seek When day fi ve arrived she planted a kiss on my lips before she fl oated up the sky On day fi ve and a quarter my heart could no longer exist a second without saliva from a soul mate when day fi ve and a half and seven seconds came I accepted her hands for a prom dance in heaven Now every morning we lay under our fi rst date bridge with anticipation we watch legend sun rise with a kiss

The Ecumenist ,1965 Exclusion and Judgment in Fellowship Meals Jamir Lanuwabang,2017-03-31 In Exclusion and Judgment in Fellowship Meals Lanuwabang Jamir seeks to demonstrate that the tradition of fellowship meals in the ancient world form the background against which the Lord s Supper must be understood Similarly the basis of Paul s response to the situation in Corinth and his theology of the Lord s Supper is to be found in these traditions The role of the fellowship meal in Greco Roman and Jewish culture indicate that it was an important institution that played a pivotal role in the functioning of society Judgment was an integral part of the fellowship meal traditions and it made such meal practices all the more significant in ancient cultures For example Jamir reveals that social economic factors were only part of the problem in Corinth where differences in ideology were the underlying cause of divisions in the church Paul s response to the problem shows that he upheld the fellowship meal traditions linking sickness and death with the abuse of the Lord s Supper The concept of judgment in the Lord s Supper while based on the fellowship meal traditions has been redefined in the light of the Gospel tradition
