other talking about why the holiday is celebrated its origin and history how it is celebrated and very importantly its meaning relevance and value to us today and what we can learn and use in our everyday lives We wanted the children to feel and understand that the holidays were important for them and each holiday had meaning and value for them and should be celebrated by them for its own sake not just because they wanted to please their parents and grandparents Over time we wrote up these discussions and added information for each holiday for our family use At the urging of many family members and friends who have since seen and liked this material we would now like to share it and make it available with this book for others to use In the book emphasis is placed on purpose meaning value joy and inspiration for each holiday and our daily lives We feel confident that the reader will find this material as valuable and useful as we have for helping to celebrate and getting the most out of the Jewish Holidays Sacred Moments Ronald H.
