Sacred Geography A Tale Of Murder And Archaeology In The Holy Land:

Sacred Geography Edward Fox, 2014-02-04 A compelling true murder mystery that unfolds in the astonishing world of Biblical archeology a field rife with skullduggery and intrigue Biblical archeology has for centuries been subject to the manipulations of adventurers generals and statesmen all seeking to further their own aims Now more than ever digging into the land of the Bible is a weapon as two rival nations seek to prove their claims to its treasures The most recent casualty in this bloody tug of war is Albert Glock a prominent American archeologist shot dead in the West Bank in 1992 who devoted his life to helping Palestinian archeologists find evidence of their historic roots Edward Fox investigates the puzzle of Glock s murder and its background in the explosive cultural politics of archeology in the Holy Land Fox reveals the strange sub discipline of biblical archeology a field rich in obscure mystics greedy opportunists and religious charlatans He pursues the various suspects in Glock s death Islamic zealots Jewish extremists and rival archeologists only to find himself caught in an expanding labyrinth of deceit A lively history and a riveting mystery *Sacred Geography* is also the tragic story of a man who devoted himself to a cause that ultimately destroyed him

Scriptural Geography Edwin James Aiken, 2009-11-30 For nineteenth century scholars the Holy Land was not just a region of the globe it was an idea an intellectual and moral space charged with the heat of debate between those trying to understand the religious social and scientific upheavals of the time Edwin Aiken explores the various ways in which geographical knowledge was used in these debates In particular he shows how religious writers called upon geographical knowledge to the benefit of their readers The result is an original and stimulating work of scholarship that demonstrates the significance of the geography of the Holy Land in Western thought and argument and makes important contributions to the history of geography the nature of Orientalism and to the evolving relationship between religion and science

American Biblical Archaeology and Zionism Brooke Knorr, 2022-12-30 This book examines the relationship between several of the most prominent American biblical archaeologists and Zionism While these scholars have been studied and historicized to some extent little work has been done to understand their role in the history of the Palestinian Israeli conflict Two defining differences in the archaeologists arguments were their understanding of culture and their views on objectivity versus relativism Brooke Sherrard Knorr argues that relativist archaeologists envisioned the ancient world as replete with cultural change and opposed the establishment of a Jewish state while those who believed in scholarly objectivity both envisioned the ancient world s ethnic boundaries as rigid and favored Zionism Combining readings of the archaeologists writings with archival research this book studies the views of William Foxwell Albright Millar Burrows Nelson Glueck George Ernest Wright Paul Lapp and William G Dever regarding the establishment of an ethno national state in Palestine in detail The volume culminates with an epilogue commenting on the relevance of this topic in the present regarding the political ramifications of archaeology in the Israeli Palestinian conflict *American Biblical Archaeology and Zionism* is of interest to students and scholars of Biblical and Near Eastern archaeology American religious

history and the Israeli Palestinian conflict particularly its role in regional archaeology **Two Plays about**

Israel/Palestine Arthur Milner, 2012-02-22 TWO PLAYS ABOUT ISRAEL PALESTINE Arthur Milner's plays are always smart engaging and contemporary Milner is a man of his times who never talks down to his audience even as he courts and incites strong reactions We forgive him though because he entertains us with clever and funny characters He seems incapable of writing a character without a sense of humour Patrick McDonald MASADA theatre stripped to its essence a challenging piece of work factually fascinating and a skillful piece of writing driven by a powerful and frightening logic Jill Lawless Now Magazine one of the greatest examples of artistic moral courage I've ever witnessed leads its audience onto very slippery moral ground and leaves the viewer to grope for his or her own answers Writing and staging Masada was an act of moral courage Brian Gorman Ottawa Sun FACTS riveting Milner has dared tackle one of the most difficult and explosive political questions on earth a strong will a confident pen clear thinking a well informed human being and a writer passionately engaged This is a powerful play Alvina Ruprecht Capital Critics Circle Facts is a stimulating and provocative piece of theatre which delivers a fascinating political and philosophical debate without reducing the characters to talking heads Jamie Portman Postmedia News *The Road Taken* Seymour (Sy) Gitin, 2021-08-08 In this fascinating book Seymour Sy Gitin recounts his life's journey from his childhood in 1940s Buffalo New York to a storied career as an archaeologist working and living in Israel Over the course of his life Sy served as a rabbi in Los Angeles and as US Air Force Chaplain starred in an Israeli movie trained as an archaeologist and eventually became the Director of the W F Albright Institute of Archaeological Research in Jerusalem an institution he led for thirty four years As an archaeologist Sy encouraged American participation in the archaeology of ancient Israel fostered the development of the Palestinian archaeological community and conducted valuable field work at Tell Gezer and Tel Miqne Ekron His tale is full of entertaining vignettes involving the people that he encountered along the way including many of the pioneers in the field W F Albright Nelson Glueck Yigael Yadin Benjamin Mazar and Trude Dothan as well as current protagonists William G Dever Israel Finkelstein and Amihai Mazar Readers will enjoy Sy's humorous and engaging stories rationing out seder wine on a military base following the great Alaskan earthquake only to learn that soldiers were threatening to use it to brush their teeth encounters with Senator Daniel Patrick Moynihan and US Ambassador Thomas Pickering and the many colorful experiences he had with fellow scholars through the years An engaging and entertaining recounting of a remarkably lived life *The Road Taken* is a revealing look at being Jewish in America and Israel from the 1940s through today and an eye opening look at the often controversial development of biblical archaeology **Historical Biblical Archaeology and the Future** Thomas Evan Levy, 2016-04-08 Joint winner of the 2011 Biblical Archaeology Society Publication Award in the category Best Scholarly Book on Archaeology The archaeology of the Holy Land is undergoing major change Historical Biblical Archaeology and the Future describes the paradigm shift brought about by objective science based dating methods geographic information systems anthropological models and digital

technology tools The book serves as a model for how researchers can investigate the relationship between ancient texts both sacred and profane and the archaeological record Influential archaeologists and biblical scholars examine a range of texts materials and cultures the Vedas and India the Homeric legends and Greek Classical Archaeology the Sagas and Icelandic archaeology Islamic Archaeology and the Umayyad Abbasid and Ayyubid periods The groundbreaking essays offer a foundation for future research in biblical archaeology ancient Jewish history and biblical studies *Heritage and the Cultural Struggle for Palestine* Chiara De Cesari, 2019-08-06 In recent decades Palestinian heritage organizations have launched numerous urban regeneration and museum projects across the West Bank in response to the enduring Israeli occupation These efforts to reclaim and assert Palestinian heritage differ significantly from the typical global cultural project here it is people's cultural memory and living environment rather than ancient history and archaeology that take center stage It is local civil society and NGOs not state actors who are doing heritage In this context Palestinian heritage has become not just a practice of resistance but a resourceful mode of governing the Palestinian landscape With this book Chiara De Cesari examines these Palestinian heritage projects notably the Hebron Rehabilitation Committee Riwaq and the Palestinian Museum and the transnational actors practices and material sites they mobilize to create new institutions in the absence of a sovereign state Through their rehabilitation of Palestinian heritage these organizations have halted the expansion of Israeli settlements They have also given Palestinians opportunities to rethink and transform state functions *Heritage and the Cultural Struggle for Palestine* reveals how the West Bank is home to creative experimentation insurgent agencies and resourceful attempts to reverse colonial violence and a model of how things could be *Reapproaching Borders* Sandy Sufian, Mark LeVine, 2007-08-24 Territorial borders identity borders and many other kinds of social and cultural borders are constantly questioned in the Israel Palestine debate In *Reapproaching Borders* a new generation of scholars explore the concept of borders and how they are imagined and actualized i **Piety, Politics, and Power** David D. Grafton, 2009-03-16 From the time of Martin Luther's writing of *On War Against the Turk* in 1529 to American Lutheran military chaplains serving in the U.S. led invasion of Iraq in 2003 Lutheranism has had a symbiotic relationship with Islam in the Middle East framed across cultural and religious borders There have been those who have crossed these borders to engage in mission and dialogue In *Piety Politics and Power* David Grafton examines the origins of the American Lutheran missionary movement in the Middle East with a focus on its encounter with Muslims and the varied Lutheran theological responses toward Islam The narrative is placed within historical contexts to provide an overarching background of Middle Eastern history and Christian Muslim Relations The survey covers Lutheran missionary communities in Persia Iraq Egypt Lebanon and Jerusalem and the West Bank including the work of the Lutherans working for the American Board of Commissioners for Foreign Missions the Anglican Church Missionary Society the Lutheran Orient Mission the Lutheran Church Missouri Synod and the Evangelical Lutheran Church in America Whether enthusiastic Pietists seeking the conversion of Muslims and Jews

cautious theologians in dialogue with Islam Judaism or Oriental Orthodoxy or social activists working on behalf of refugees in Egypt and the West Bank Grafton argues that these Christian missionaries were all enmeshed in the politics of the communities in which they lived and either contributed to or suffered from the realities of Middle Eastern and international politics Given the current reality of Pax Americana in the Middle East the author asks the driving question about the role of American Lutheran missions and Lutheran Middle Eastern Muslim dialogue in the age of American power in the Middle East

Jerusalem Testament Melanie May, 2010-02-22 This book bears powerful witness to the gospel of Jesus Christ and to the faith and hope of Palestinian Christians living in the Occupied Territories Melanie May introduces and presents the remarkable public statements made by the Jerusalem Heads of Churches over the course of two decades from 1988 to 2008 Through Jerusalem Testament the voices of Palestinian pastors speak out on behalf of their own people calling Christians worldwide to a new covenant with their brothers and sisters in and around Jerusalem Book Jacket *Selective*

Remembrances Philip L. Kohl, Mara Kozelsky, Nachman Ben-Yehuda, 2008-11-15 When political geography changes how do reorganized or newly formed states justify their rule and create a sense of shared history for their people Often the essays in *Selective Remembrances* reveal they turn to archaeology employing the field and its findings to develop nationalistic feelings and forge legitimate distinctive national identities Examining such relatively new or reconfigured nation states as Iran Iraq Turkey Israel Russia Ukraine India and Thailand *Selective Remembrances* shows how states invoke the remote past to extol the glories of specific peoples or prove claims to ancestral homelands Religion has long played a key role in such efforts and the contributors take care to demonstrate the tendency of many people including archaeologists themselves to view the world through a religious lens which can be exploited by new regimes to suppress objective study of the past and justify contemporary political actions The wide geographic and intellectual range of the essays in *Selective Remembrances* will make it a seminal text for archaeologists and historians **Confronting the Past** Seymour (Sy) Gitin, J. Edward Wright, J. P. Dessel, 2006-06-30 William G Dever is recognized as the doyen of North American archaeologist historians who work in the field of the ancient Levant He is best known as the director of excavations at the site of Gezer but has worked at numerous other sites and his many students have led dozens of other expeditions He has been editor of the *Bulletin of the American Schools of Oriental Research* was for many years professor in the influential archaeology program at the University of Arizona and now in retirement continues actively to write and publish In this volume 46 of his colleagues and students contribute essays in his honor reflecting the broad scope of his interests particularly in terms of the historical implications of archaeology
